CLUGNET COLLECTION FUND

To date \$816.00 have been donated to the Fund. We deeply appreciate these donations of our friends, and we surely would like to hear from the others. The Clugnet Collection which is in New York is still intact, and available for purchase. It will cost us \$7,500.00, and this means 10,000 Marian Items. Will you not help us purchase this Clugnet Collection for the Marian Library here? Thank you sincerely.

NATIONAL MARIAN CONTEST

The Marian Library announces a NATIONAL MARIAN CONTEST under its own aegis. Details of this contest will be announced nationally next month. Suitable prizes will be offered to the winners.

Twenty-five special selections on the Immaculate Conception will be given—and the contestant will have to give the author and source of each selection. Those identifying both author and place best will be declared the winners of the Contest.

OUR TENTH BIRTHDAY

October 29th, 1953 marked the tenth birthday of the Marian Library. A special PARTY was held in the University Library, second floor. For speaker, Father Stanley Kusman, S.M., of San Antonio, Texas; addressed the audience on MARY, THE MODERN WOMAN, Father Monheim, founder-director of the Library, gave the story of the Library from the beginning. Brother Stanley Mathews, S.M., Librarian, was general Chairman for the Party. There were many Marian exhibits; a tour of the Library was made by all. Refreshments were served to the members of the Mariology Club. This PARTY was open to the public.

MARIOLOGY CLUB OF THE UNIVERSITY OF DAYTON

For the first time in its history, the Mariology Club numbers forty-two members. Meetings are weekly, Tuesdays at 7:30. Officers for the year: Jim Kennedy, Dorothy Foley, Jim Sollenberger, Jacques Macbeth, Paul Litkowski, and Father Lawrence Monheim (Moderator). Again the Club sponsors an Essay Contest for the students of the University, with five Marian prizes as the awards for the best entries.

MARIAN REPRINTS

We do want readers and subscribers to our publications — **THE MARIAN REPRINT** — now in its 19th issue.

Forget not to subscribe, or resubscribe to this excellent and well-received Marian publication. It is \$1.00 a year for ten issues.

OUR FILMS

The Marian Library has two reels — one containing the story of Fatima, another with the story of Our Lady of the Cape (Canada) and the Crucifers to Walsingham (England). We plan to purchase **THE SONG OF BERNADETTE** — and when we do, these films will be available to any who ask.

We have two film strips, a few colored slides on the Life of Mary, as well as some victrola records with Marian music — these too are available.

Anyone who knows of excellent films on Mary are asked to let us know, for we want to build up our Marian Film Library.

MARIANIST AWARD 1953

The University of Dayton will present its fourth Marianist Award next month. The Award is a beautifully designed plaque and scroll.

The Award is presented each year, on or about the feast of the Immaculate Conception, to the outstanding person who advances the name and cause of Mary, as judged by a faculty committee of the University of Dayton.

Past winners were Father Juniper Carol, O.F.M., Father Daniel Lord, S.J., Father Patrick Peyton, C.S.C. — Who shall be the recipient for 1953? — Announcement next issue.

CONVENTIONS AND CONGRESSES

The fifth annual Convention of the Mariological Society of America will be held at Holy Name College, Washington, D.C., Monday and Tuesday, January 4 & 5, 1954. The general theme for discussion at the Convention will be the Immaculate Conception.

For one week in early May, 1954, the Franciscan National Marian Congress will be held in San Francisco. Father Alfred Boeddeker, O.F.M., 125 Golden Gate Avenue, San Francisco 2, California, is in charge of all arrangements for the Congress.

The Ohio-Kentucky Region of the NFCCS will hold its fifth regional Marian Congress on the campus of the University of Dayton, in February 1954. The Mariology Club of the University will be the hosts of the Congress.

FOR YOUR CONVENIENCE

Two types of Madonna Calendars are available from us — the one is 8 by 10, the other 3 by 5. These are 35¢ and 10¢ respectively. Write us for some, if you desire. They are in color, are very beautiful — and they contain the names of the saints for each day, etc.

Marian Missals and Rosaries are likewise available from the Marian Library. Order these now for suitable Christmas gifts later. Missals are \$3.00, the rosaries are of all colors and types — sterling silver chain, prices ranging from \$5.00 to \$12.00.

Write us for your Christmas cards — this year we have five different kinds: General, Classic, Contest, Miraculous Medal, and Maryknoll selections. All are \$1.00 the box. Due to quality, some boxes have 14, others 18, or 20, or 21. And they are only religious Christmas cards that we have, most of them MARIAN.

HANS ROWAN-HAMILTON

The final shipment of Marian materials — books, booklets, pictures, photographs, etc. have just been received by TWA Air-Express from Ireland. Mr. Hamilton, friend of the Marian Library, was very kind and generous in securing from ALL PARTS OF THE WORLD materials on Mary and shipping them to us. Without a doubt, these things are appreciated; *so thanks to you, Mr. Hamilton, for all the work* — and you did much in writing thousands of letters that we might have these **MARIANA** for the Library, and for exhibit purposes. *Thank you MOST SINCERELY! God bless you — Mary keep you!*
