MARIANIST SODALIST WILL OFFICIALLY CLOSE THE MARIAN YEAR

During the Thanksgiving holidays, from Friday, November 26, to Sunday, November 28, the Marian Library will sponsor the first nationwide Marian Congress for all Marianist Sodalists in the United States. Nearly a hundred out-of-town delegates are expected to attend. Fr. John G. Dickson, S.M., Director of the Marianist Sodality Secretariate of the Cincinnati Province, is busy making plans for an interesting and challenging Marian Congress. He hopes that all Marianist schools of the three American Provinces will be able to send delegates to this official closing of the Marian Year for the Marianist Sodalists.

QUEENSHIP OF MARY

A new pamphlet by Rev. James. E. Sherman, S.T.D., *The Queenship of Mary Most Holy* (St. Meinrad, Ind., The Grail, 1954. 46p. 15¢) is of special interest now that Pope Pius XII has proclaimed the liturgical feast of the Queenship of Mary. Father Sherman discusses the nature and extent of Mary's Queenship, titles founding Mary's Queenship, the definability of the teaching, etc. His pamphlet is the most up-to-date brief treatment now in print.

Father Sherman has also written a hymn to the Queenship of Mary, and a Marian Creed which includes a reference to Mary's Queenship. These are also available from the Grail.

The international Marian Congress in 1950 and the Mariological Society of America in 1954 were among the many groups requesting the establishment of a feast of the Queenship. A beautifully hand-painted copy of the petition of the Mariological Society of America to the Holy Father is one of the prized possessions of the Marian Library.

Father Sherman is a 1928 graduate of the University of Dayton and earned his doctorate at the University of Fribourg in 1934. Presently he is pastor of St. Mary's Church, Cincinnati.

MARIAN POSTAGE STAMPS

Special Marian Year postage stamps have been issued from the Saar, Vatican City, Spain Italy, Belgium and Ireland. The Saar issued three stamps, each carrying a reproduction of a famous Madonna. The Vatican City series features busts of Pope Pius IX, commemorating his proclamation of the Immaculate Conception a century ago, and Pope Pius XII, who proclaimed the Marian Year. The Spanish stamps include issues picturing the Black Virgin of Montserrat and Our Lady of the Pillar. The Belgium stamp has the image of the thirteenth century statue, Our Lady of the Vineyard. The Irish Marian Year stamps have an engraving based on a Della Robbia Madonna and Child, one denomination printed in blue, another in green.

Thanks to the interest and work of Brother Nicholas E. Wagner, S.M., of Philadelphia, Pa., the Marian Library has a collection of 286 Marian stamps from thirty countries. These stamps are displayed in eight glass-covered panels in the Marian Library.

MARIAN REPRINTS

Marian Reprint subscriptions passed the one thousand mark in September. Forty-five states and seventeen foreign countries are included in the present mailing list. The November REPRINT will be a special article by Father Gerald Vann, O.P., "The Wisdom of Mary" - originally prepared as a Marian Year talk over Radio Ireland. We think that this REPRINT (29) will be one of the most popular we have published so far.

REPRINT (27), "The Immaculate Conception and Mary's Death" by Rev. J. B. Carol, O.F.M., and REPRINT (28), "Immaculate Mother of God" by James Francis Cardinal McIntyre, were mailed together to subscribers at the end of October.

Recently four REPRINTS which had been out of print were reissued:

- 11 - "Sign in the Heavens" - by Rev. James O'Mahony, O.F.M. Cap.
- 12 - "The Soul of the Marian Devotion" - Rev. Edmund J. Baumeister, S.M.
- 13 - "The Assumption and the Modern World" - Bishop Fulton J. Sheen
- 14 - "Mother and Helpmate of Christ" - Rev. James Egan, O.P.

Eighteen other back issues are also available. Yearly subscription rate is \$1.00.
