Do you miss all the fun you had with elementary school field days? On September 9th UD students can come out for old school field day fun! Some of the games include a water balloon toss, a relay race, a hula hoop contest and tug-a-war! There will also be food provided by local restaurants. Field day will be from 2-5 p.m. in KU Field (Central Mall) and Humanities Plaza.

What is the purpose of Field Day besides having fun? Field Day will benefit various service efforts locally and internationally.

Different service clubs have volunteered their time to host Field Day games. Field Day was created to promote the service efforts UD students work so hard to support. Field Day is an opportunity for service clubs to host a fun event while benefitting charitable causes. The Center for Social Concern is working diligently to promote Field Day.

Students who participate in Field Day will have fun while completing community service. It is a great opportunity for students to come out and see what service efforts they could participate in!

Field day game access is $3. For both game and food access the cost is $5. Flyer express is also accepted. All the proceeds benefit service efforts and charities!

Contact Hillary Cook or Allison Varricchio with questions at cookh1@notes.udayton.edu or varricam@gmail.com.

Thanks!

A local charity which serves the poor in the Dayton area will receive 10% of every Sunday collection. The rest of the collection supports more than 100 Campus Ministry programs of all kinds, including our Service Program of the Week: Determined to Develop
