Are you interested in joining thirteen other UD students for an amazing summer of service and community? Our University of Dayton Summer Appalachia Program (UDSAP) will give you the opportunity to live and work within a culture in the United States that is different from your own. Imagine nine weeks living a very simple lifestyle in community and being a part of a service program that works with young children in a Day Camp program, allows you to walk with teens through a Teen Center program and also visit the elderly in the local nursing home, all in Salyersville, Kentucky!

The UDSAP program reflects UD's Catholic and Marianist values of living in community, building a strong faith life and doing meaningful service for others. Our hope is that each student who participates in this program will build strong and lasting relationships with the youth and their families in Appalachia and continue these relationships by visiting during the next school year.

If you want to learn more, come to one of the two informational meetings on Thursday, Dec. 2nd or Friday, Dec. 3rd at 4 pm. Both meetings will take place in the Marianist Community at 301 Kiefaber St. If you cannot make one of these meetings, but want more information, you can pick up a UDSAP folder from the Center for Social Concern in Liberty Hall RM 107. Applications are due Tuesday, Jan. 24th at high noon! Questions? Contact Br. Tom at tpieper1@udayton.edu.
