Are you interested in joining thirteen other UD students for an amazing summer of community and service? Our University of Dayton Summer Appalachia Program (UDSAP) will give you this wonderful opportunity to live and work within a culture in the United States that is very different from the one in which you presently live. You will get to spend nine weeks next summer, living a very simple lifestyle in community and doing service with kids, teens and the elderly in Salyersville, Kentucky.

The UDSAP program comes out of UD's Catholic and Marianist heritage of living in community, building a strong faith life and doing meaningful service.

As a member of UDSAP you will also take time to visit with the families of the teens and children who take part in our programs. Our hope is that each UD student will build good and lasting relationships with the people in Appalachia and continue these relationships by visiting during the next school year.

If you are interested in this UDSAP service program, you have to have an open mind and heart and want to learn from the people in Appalachia and from their Appalachian culture. We will have two informational meetings: Wednesday, **November 15** and Thursday, **November 16**, both at 7:30pm at The Marianist Community, 301 Kiefaber St. After **November 16** you can pick up an UDSAP folder from the Center for Social Concern in Liberty Hall, Room 107. Applications for the summer UDSAP program are due January 23, 2012.

### Missal, Mass and Mission

Are there more key phrases of the revised translation of the Creed?

"Who...is adored and glorified" is another new phrase. The word "who" refers to the Holy Spirit in a non-gender specific form, stretching our mind to think about God in a different way. "I confess..." is a phrase we usually only use with regard to guilt. Here it takes on the sense of those martyrs who confessed their faith by giving up their life. Our belief in God is so strong that we profess our faith not only with words, but with our whole self.

## Quote Of the Week
