HONORARY DEGREES

THE DEGREE — DOCTOR OF EDUCATION

DR. GEORGE ROBERT BOWERS

Statement from the Citation for Dr. Bowers:

“We honor Dr. Bowers for bringing a kind of wisdom, characteristic of ancient thinkers, to the creation of the most advanced standards for teacher education in the United States. No other state, nor any national or regional accrediting association, has engaged in such fundamental teacher education reform.

“The nobility of Dr. Bowers’ work in this endeavor comes from his ability to bring prudence to this difficult accomplishment. We are enriched by his reminding us that leadership demands prudence rather than mere expertise; and ... that in a complex state of affairs good experts should be subordinate to good men.”

THE DEGREE — DOCTOR OF HUMANE LETTRES

SIMON BURICK

Statement from the Citation for Mr. Burick:

“His honest, forthright and thorough reporting has earned him the respect of his peers from around the nation. However, he has not stinted on his interest in, and devotion to, his community. Two of his most pressing concerns have been the advancement of professional, business and governmental leaders in the future of Dayton. He has chaired and been a member of many boards and committees, all designed for community betterment, and has served his religious community long and faithfully in an official capacity as secretary of the Dayton Community Jewish Council.

“He epitomizes in his personal and professional life the highest concepts of character and human concern.”

ANTHEM

On mountain high and hillside,
O'er meadow and through dell
In busy mart and hamlet,
Where hearts their story tell,
A clarion voice is ringing,
It rises, now it falls
Arouse, ye sons of Dayton,
Your Alma Mater calls.

U. D., we hear you calling,
Fidelity's the test,
Your stalwart sons all answer from
North, South, East and West,
With measured tread advancing,
Our emblem full in view,
We sound your praise and pledge
Our loyalty to the Red and Blue.
