LIBRARY RECEIVES 'VISION OF FATIMA' MS.

Rev. Thomas McGlynn, O.P., director of the Dominican Fatima Center, Dover, Mass., has recently placed the original manuscript of his well-known work, VISION OF FATIMA, in the Marian Library. We are grateful to Fr. McGlynn for the addition to our manuscript collection. VISION OF FATIMA tells the story of the author, a priest-sculptor who went to Portugal to make an authentic statue of Our Lady of Fatima. He had the unique privilege of a ten-day visit with Lucy dos Santos, and during that time designed a new statue under her direction.

Father McGlynn is leaving shortly for Portugal and Italy to carve a large statue (from the original model) which will be placed in the Basilica at Fatima.

NEW IMAGE BOOKS

On February 13, Doubleday released eight new Image books, including two titles which won Marian Library Medals in 1952 and 1953: Fulton J. Sheen's, THE WORLD'S FIRST LOVE (237p., 75¢) and LIGHT ON THE MOUNTAIN by John S. Kennedy (195p., 65¢).

Other Marian titles now available in this series: OUR LADY OF FATIMA, by William Thomas Walsh (223p., 65¢), and BERNADETTE AND LOURDES by Michel de Saint-Pierre (266p., 75¢).

If Doubleday is looking for future books on Our Lady for the series, we would like to recommend MARY, THE MOTHER OF JESUS, by Franz Williams; THE REED OF GOD, by Caryll Houselander; I SING OF A MAIDEN, by Sister M. Therese; VISION OF FATIMA, by Thomas McGlynn; THE GRACE OF GUADALUPE, by Frances Parkinson Keyes; THE LEGION OF MARY, by Cecily Hallack; and MARY IN OUR LIFE, by William G. Aost.

The MARIAN LIBRARY NEWSLETTER is published monthly except July, August, and September, by the Marian Library, University of Dayton, Dayton 9, Ohio. The NEWSLETTER will be sent free of charge to anyone requesting it.

MARY AND THE CHURCH

The Winter 1956 number of **Theology Digest** carries a valuable annotated bibliography of 49 references on a topic of great interest to Mariologists: Mary and the Church. Compiled by Rev. Cyril Vollert, S.J., the list includes seven items in English. The French Mariological Society devoted three years of study to the subject from 1951 to 1953.

THE MADONNA ON STAMPS

Religious stamp collectors who have not been following the series of articles, "**The Madonna on Stamps**", by Rev. Aloysius Horn, appearing in **The Age of Mary** (formerly **Queen of the Missions**), are missing a rich source of material on Our Lady and stamps. We hope that Fr. Horn will eventually publish the articles in book form. **The Age of Mary** is published by the Servite Fathers, 3121 West Jackson Blvd., Chicago 12, Illinois.

MARIANIST FEATURES HUME

An article by Paul Hume, music critic of the **Washington Post**, is featured in the March issue of **The Marianist**. Mr. Hume examines the subject of Marian hymns in the light of the recent papal encyclical, **Sacre Musicae Disciplina** (Dec. 29, 1955). His conclusions are interesting and outspoken.
