UD in the News

University of Dayton faculty and staff spoke to media around the country this week about University initiatives for college affordability and sustainability, our research success, and other topics.

Significant news coverage included a story about the fixed-price tuition plan in *Inside Higher Ed*, one of the premier sources for higher education news in the nation, and a story in *College Planning and Management* magazine, a leading higher education publication for facilities, security, technology and business.

Highlights for June 16-23 are below, but you can [click here](#) to view links to all of the University's media coverage for the month.
