UD in the News Sept. 9-16

During the second week of September, 'The New Yorker' cited the legal research of Jeanette Cox and Livability mentioned the GE EPISCenter on the University of Dayton campus among the reasons Dayton is one of five cities that is 'the whole package' when it comes to utilizing an engineering degree.

In addition to the Cox's research, the Legal Theory Blog published education law scholar Charles Russo's research.

And WVXU-FM had law professor Thaddeus Hoffmeister and Human Rights Center Interim Executive Director Tony Talbott on Cincinnati Edition to discuss combatting human trafficking.

Highlights of the news coverage for Sept. 9-16 are below, and you can [click here](#) to view links to all of the University's media coverage for the month.
