UD in the News Sept. 23-29

A leading national Catholic media outlet and local media turned to University of Dayton experts to discuss nuclear deterrence, immigration and sustainability. Plus, a national publication covering the robotics industry picked up our news of a gift to support the Motoman Robotics Lab.

A sample of the news coverage for Sept. 23-29 is below, and you can [click here](#) to view links to all of the University's media coverage for the month.
