Congressman Charles W. Whalen, Jr. (R-Ohio) today announced approval of a $1,591,590 grant to the City of Dayton Water Department.

The funds will be used to assist in the enlargement of the Broadway pumping station. The total estimated cost of the project is $4,823,000.

The Federal Water Pollution Control Administration will finance the grant.

-30-
Honorable Charles H. Whalen, Jr.
House of Representatives
Washington, D. C.

Dear Mr. Whalen:

This is to confirm the information which was telephoned to your office on August 26, 1968.

Under the provisions of Section 8 of the Federal Water Pollution Control Act, an offer of a construction grant has been made by the Federal Water Pollution Control Administration following the priority certification and approval of the project by the Ohio Water Pollution Control Board.

Name and address of applicant: City of Dayton, Municipal Building
101 West Third Street, Dayton, Ohio 45402

Name of individual who signed application: W. T. Eiffert
Director, Department of Water

Type and location of project: Enlargement of existing sewage treatment plant, new force main and pumping facilities

Total estimated cost: $4,823,000.00

Estimated cost eligible for Federal participation: $4,823,000.00

Amount of Federal construction grant offer: $1,591,590.00

If you wish additional information, please let us know.

Sincerely yours,

Joe G. Moore, Jr.
Commissioner
