UD in the News Oct. 28-Nov. 3

During the last week of October, Forbes highlighted the University of Dayton's entrepreneurship program, the Urban Farm Podcast featured the University's involvement in the Lincoln Hill community garden, and Education Dive spotlighted the University's cyber-mindfulness campaign.

University researchers Andy Chong and Tarek Taha also were highlighted in the media for their projects, which are both funded by the National Science Foundation.

A sample of the news coverage for Oct. 28 to Nov. 3 is below, and you can [click here](#) to view links to all of the University's media coverage for the month of October and [here](#) for November.
