## UD in the News Jan. 27-Feb. 2

More than 650 outlets nationwide, including 'The New York Times' and 'The Washington Post,' took note of University of Dayton research for the common good the last week of January.

Local media highlighted an alumnus' generous gift to help remove financial barriers for high-achieving underrepresented students and our graduates' success after graduation.

Two other national publications sought UD experts to explain the politics of airport locations and winter Olympic sports jargon.

A sample of the news coverage for Jan. 27-Feb. 2 is below, and you can [click here](#) to view links to all of the University's media coverage during January and February.

### **95 percent of UD students say they're finding paths to success soon after graduation**
