UD in the News Feb. 9-16

A national outlet covering politics turned to a University of Dayton political scientist for expertise and local media highlighted a University vice president's inclusion as one of the "Top 10 African American Men" in the Dayton community.

Local news also featured the University's efforts to help those affected by changing U.S. immigration laws and expert advice on how people can protect their privacy and prevent crime.

A sample of the news coverage for Feb. 9-16 is below, and you can [click here](#) to view links to all of the University's media coverage during the month.
