Seven Short Courses and Specialized Programs Beginning at the University of Dayton
DAYTON, O. Sept. — Seven short courses and specialized programs sponsored by the University of Dayton's community service center begin in October on the campus.

The programs and their dates are as follows:

3. Engineering Refresher Course in preparation for the approaching State examination, Monday, Wednesday and Friday evening sessions begin Oct. 26 for nine weeks.

4. Estate Planning Series, six Tuesday evening sessions beginning Oct. 27.

5. Human Relations, eight Wednesday evening sessions beginning Oct. 28.

Further information on any of the October programs may be obtained by calling the university.
