A memorial fund, honoring a University of Dayton student accidentally killed recently, has been established by his parents to help future UD students.

Dr. and Mrs. Gordon Gilbert of 4800 Judith av., Kettering, said the "Pat Gilbert Memorial Fund" will be used to help finance the education of deserving premedical students at UD. Young Gilbert, 19, was killed Oct. 9 while target shooting with two friends in Washington Township. He was a pre-med sophomore at UD and a Fairmont high school graduate.

More than $600 is already in the fund, much of which has been contributed by the Gilberts' neighbors and friends. Officials at UD said additional contributions may be directed to the Public Relations Office on the campus.
