APC Meeting minutes

November 15, 2016

respectfully submitted by Markus Rumpfkeil, chair APC

Present: Dixon, Wu, Rumpfkeil, Anloague, Lemming, Farrelly, Peters

Agenda Items:

1. Minutes from November 8th approved
2. Undergraduate Certificate in Applied Creativity for Innovative Transformation

Discussed response letter from us to proposers about their revised version of the certificate. In addition to the items already discussed last time we would like to see:

- Better explanations on how the SSC learning outcomes are linked to creativity, maybe there is a better suited course available at UD?
- Attach course syllabi for UDI courses as attachment to the proposal
- It might be helpful to demonstrate the completion of the certificate and how the various learning outcomes from the different required courses are tied together via a fictitious example student.
