Announcements: The next meeting of ECAS is February 20, 2012 from 1:30-3:00 PM in SM 113B.

J. Hess announced that for the next Senate meeting, documents will be available to everyone by adding themselves to the Porches group. He also added that he and C. Daprano are scheduled to meet with Kathy Webb, Andrea Wade, and Rachel Bilokonsky on Feb. 23 to talk about archiving Senate documents.

Old business
Approval of agenda for February 24 Academic Senate meeting. ECAS discussed the following items for inclusion on the February 24 ASenate agenda:
1. Committee Reports
   a. Consultation conversation – J. Hess will include update in the ECAS report
2. Documents ready for discussion and voting
   a. Student Evaluation of Teaching (SET)
   b. Academic honor code
   c. Program Proposal Process (PPP)

J. Hess indicated that feedback on the SET proposal should be submitted to L. Hartley and S. Hughes prior to February 24. ECAS agreed that the proposal will be added to the agenda for discussion and a possible vote. Depending on the received feedback and ASenate discussion a vote on the proposal may need to be tabled for the next ASenate meeting in March.

J. Farrelly reported that the previous Dean of the Graduate School felt that the Academic Honor Code was not enforceable with graduate students. J. Farrelly would like to see a letter of support from the Graduate Leadership Council (GLC) regarding the application of the honor code to graduate students before this proposal is brought forward for a vote by the ASenate.

ECAS unanimously approved the February 24 ASenate agenda as listed above.

Procedural question regarding DPT Program. J. Hess reported that the SOEAP is proposing that the DPT program, which is currently a part of the Dept. of Health & Sport Science, become a separate department. He asked whether ASenate approval or consultation is required to establish this new department.

P. Benson suggested that the proposed change needs to be reviewed by ECAS, the ASenate, and the Board of Trustees for approval because of resource allocation issues. J. Saliba suggested that ECAS
examine the issue holistically because the situation may occur again and units need guidance as to the approval process for creating new departments. J. Farrelly suggested that even department name changes must be brought before the ASenate. In this case, a program is shifting to become a department and even though this is an internal change within SOEAP a proposal must be submitted to the ASenate under legislative authority. P. Benson agreed stating that not having the ASenate review this change could set a risky precedent. ECAS members also agreed and J. Hess stated that he will ask Dean Kelly to submit a short proposal to ECAS. J. Saliba suggested that ECAS consider creating a small task force that would propose procedures for units to follow in the future.

**Student Government Association (SGA).** J. Grewal reported that SGA is currently reviewing the SGA constitution and the responsibilities of SGA Academic Senators. The debate concerns whether the academic senators should be voting members of SGA and the ASenate or only of the ASenate. As SGA representatives to the A Senate only, their workload would decrease since they would only have to serve on ASenate committees instead of both ASenate and SGA committees. ECAS expressed concern about ongoing communication between the ASenate and SGA if changes were enacted that allowed SGA representatives to only serve on the ASenate.

**Charge for UNRC.** J. Hess reviewed the attached charge to the UNRC and confirmed that E. Hicks would call the first meeting of the UNRC.

**Judicial Review Committee (JRC) proposal.** J. Hess reviewed ECAS’ discussion last week of the JRC proposal. The Office of Community Standards and Civility is proposing that instead of automatically including the Senate Vice President or designee on the JRC that only faculty members with relevant experience be considered. ECAS’ discussion included: 1) allowing anyone with experience from the Senate to serve; 2) electing a faculty member with some experience; 3) ECAS appoints a faculty member who has Hearing Board experience; or, 4) keeping the current membership criteria.

A. Mari raised the issue of how Hearing Board faculty members are selected by the Office of Community Standards & Civility. P. Benson summarized the concern of several ECAS members regarding the membership criteria for the JRC faculty representative by stating that the criteria seems to be based solely on years of experience on the Hearing Board. J. Hess then asked if ECAS agreed that the JRC faculty representative needed to be someone with certain qualifications such as those contained in the current proposal. A. Seielstad disagreed and indicated her support of the existing ASenate procedures for selecting the JRC faculty representative. She feels there is no need for a faculty member to have specialized knowledge to serve on the JRC.

ECAS agreed to continue discussion of this issue.

**New business**

J. Hess announced that he sent the Outside Employment Policy proposal to the FAC and asked for comment on the document by April 2.

**Undergraduate Program Proposal Process (PPP).** L. Pedrotti reviewed the PPP document and proposed changes to Senate DOC 94-10. These changes included: 1) reordering the approval process; and, 2) paring down the Program Proposal Process currently detailed in Appendix A. R. Wells suggested that the term “costs” be replaced in item #8 of the Program Proposal Process with “financial investments.”

The meeting was adjourned at 3:05 PM.
