University of Dayton. Academic Senate

PROPOSAL TO THE ACADEMIC SENATE

TITLE: Repeal of DOC 2020-09: Full-time Non-Tenure Track Faculty Representatives on Senate Standing Committees

SUBMITTED BY: Executive Committee of Academic Senate

DATE: 21 January 2022

ACTION IS: Legislative Authority

REFERENCES ARE: ARTICLES VI, D, 2; ARTICLES VI, E, 1, d; DOC 2020-09

DESCRIPTION OF PROPOSAL:

Rationale

DOC 2020-09 was developed to ensure that each of the three standing committees of the Academic Senate (Academic Policies Committee, Faculty Affairs Committee and Student Academic Policies Committee and the Executive Committee of the Academic Senate) had three full-time non-tenure-track faculty (including one full-time non-tenure-track faculty member representative and two full-time non-tenure-track guests). With the amendment of the Constitution of the Academic Senate to add an additional two full-time non-tenure-track faculty members to the Senate, DOC 2020-09 is no longer needed.

Implementation

DOC 2020-09: Full-time Non-Tenure Track Faculty Representatives on Senate Standing Committees is hereby repealed effective at 5pm on April 29th, 2022.
