REPORT, 1991-92: WESTERN REGION

The Western Region is planning a day-long event to recognize the role of Mary in celebrating the quincentenary of America's discovery and evangelization.

Prolonged illnesses for both the regional chairman and secretary delayed the planning process, but a committee is in place and two meetings have resulted in a program tentatively set for December 12, feast of Our Lady of Guadalupe, Empress of the Americas.

Presently, we are awaiting confirmation of speakers and topics and the availability of the University of San Francisco as meeting site.

This Marian event will be open to all who are interested, and MSA/West invites the officers and members of the MSA to join us, if they are able to attend.

Executive Secretary, MSA/West
