Determine appropriate location for student rights and responsibilities language: Academic Catalog or a new Student Academic Policies Handbook

Clarification from prior draft of charge: We will not create new student academic policies, but may suggest needs if we notice them.

We should consult with Lee Dixon/Provost's Office to see if we need to consult with Registrar's Office

Possibilities for next semester's charge: AI policy, final exam policy

Draft Questions for Assoc. Provost for AALI visit:

Assoc. Provost Lee Dixon will be a guest at our next meeting to talk with us about the purpose of the Academic Catalog and to answer questions that will help SAPC determine whether the Catalog is the appropriate spot for a list of student rights and responsibilities.

We generated questions for the Assoc. Provost visit next meeting: [Draft Questions for Prof. Dixon](#). Tim will share these with him ahead of the next meeting.

Draft Questions for SGA:

We clarified our main objective in consulting SGA and, by extension, students: find out where students would find it helpful to house the rights and responsibilities.

We refined the questions based on this objective: [Draft Questions for SGA](#)

Action Items: Tim will send to SGA reps on SAPC
