## Lessons of Love from 9/11

08.25.2011 | Culture and Society, Catholic, Hot Topics

In the August issues of *America* magazine, David J. O'Brien, University Professor of Faith and Culture, reflects on how the images and stories of 9/11 demonstrated that the goodness and greatness of the American people are alive and well. His poignant essay suggests the tragedy, heroism and love of those days offer an opportunity to remember and recommit to the ideals of faith and country. *America* is the only national Catholic weekly magazine in the United States. Look for a version of O'Brien's piece as well in the next *University of Dayton Magazine*.
