Attention, Librarians!

Thus far The Mariological Society of America has published six volumes under the general title of MARIAN STUDIES. We bring this matter to the attention of librarians particularly, reminding them that this is the ONLY publication of its kind in the English language, and that back issues are fast becoming unavailable.

The first volume contains the papers read at the first National Convention in Washington, D. C., in 1950. The second volume (now out of print) contains the addresses delivered at the Worcester Convention in 1951, mostly on Mary's Coredemption. The third volume, on Mary's Spiritual Maternity, gathers the dissertations read at the New York City Convention in 1952. The fourth volume, the proceedings of the Cleveland Convention in 1953, is entirely devoted to Our Lady's Queenship. The fifth volume, on Mary's Immaculate Conception, contains the papers read at the Washington, D. C., Convention in 1954. The price of each volume is \$2.50, plus postage.
