Attention, Librarians!

Thus far the Mariological Society of America has published five volumes under the general title of MARIAN STUDIES. We bring this matter to the attention of librarians particularly, reminding them that this is the ONLY publication of its kind in the English language, and that back numbers are fast becoming unavailable.

The first volume contains the Constitutions of the Society and the papers read at the first National Convention in Washington, D. C., in 1950. The second volume (now out of print) contains the addresses delivered at the Worcester Convention (1951), mostly on Our Lady's Coredeemption. The third volume, on Mary's Spiritual Maternity, gathers the dissertations read at the New York City Convention in 1952. The fourth volume, the proceedings of the Cleveland Convention in 1953, is entirely devoted to Our Lady's Universal Queenship. The price of each volume is \$2.50, plus postage. Mail your order to the Editor:
