Announcement Concerning the Seminarians' Contest

Mariological Society of America
ANNOUNCEMENT CONCERNING THE SEMINARIANS' CONTEST

THE Mariological Society of America, meeting for its Annual Convention in Paterson, N. J., January 5 and 6, 1959, announces plans to confer an award of $100.00 on the author of the best paper on Mariology. The award is made possible through a gift of an anonymous client of Mary. Its purpose is to encourage scientific theological study of Catholic dogma concerning Our Blessed Lady, and to stimulate solid devotion to her among future priests.

Competitors must be regularly enrolled members of theological seminaries or colleges in the United States or in Canada. Each entry must be submitted accompanied by a letter from a faculty member who can attest that the author is presently engaged in graduate or undergraduate theological studies.

A board of judges approved by the Society will decide the winner, and his name shall be announced at the next Annual Convention in January, 1960. The subject for this year's competitive paper will be: Mariological Principles. Treatment of this topic may be limited to some specific aspect of it. It is suggested that the competitors consult the 10th volume of MARIAN STUDIES which is entirely devoted to this subject. The volume will be available sometime in February, 1959, and may be procured from the Secretary of the Society.

The Society reserves the right to publish any of the entries submitted for the contest. It is advisable that in preparing the footnotes, references, and bibliography, the contestants endeavor to follow the method used in MARIAN STUDIES.

Papers must not exceed 6,000 words; they should be neatly typed (double-spaced) and sent to the Secretary of the Society: Rev. Juniper B. Carol, O.F.M., 174 Ramsey Street, Paterson 1, New Jersey. Entries postmarked after September 25, 1959, will not be considered.
