Autoclave Accolade

10.09.2008 | Business

Salud del Sol, an innovative new business from a team of UD students, makes it possible to sterilize medical instruments in remote areas of developing countries where there is no other means to do so.

Besides winning the \$10,000 first prize in the 2008 UD business plan competition, the team received accolades from former President Jimmy Carter at the National Conference on Volunteering and Service.

To listen, click on "Related Links" and find "Remarks by former President Jimmy Carter," or download the WMV file. (url: http://media.nationalservice.gov/features/08_0603_natcon_carter_high.wmv) The project is mentioned at about the 10-minute mark.
