Marc Levy President and CEO
United Way of the Greater Dayton Area

Dear Mr. Levy:

As one of the United Way’s community network of 84 partner agencies, St. Vincent de Paul supports the United Way’s 2007 Campaign.

St. Vincent de Paul is the grateful beneficiary of designated donations from hundreds of people in our community through the United Way Campaign. Many of those generous gifts come directly from faculty and staff employed at the University of Dayton and we are thankful for their support.

We encourage members of the community, as well as our own employees, to support the United Way Campaign as a way to positively impact the lives of the thousands of people served by the United Way’s community network of services.

Sincerely,

Leigh A. Sempeles, Esq.
Executive Director
Society of St. Vincent de Paul
