Some Modalities:

What Can We Do Together That We Cannot Do Alone?

Benefits:

1. Provides opportunities for positive collaboration among many in several ways

2. Closes the achievement gap between different groups (Ex. Special ed, English Language learners)

3. Curriculum can be reimaged with different teaching styles (ex. Art integration)

4. Learners can receive more one-on-one help with double the teachers

1. General Education + Special Education Educator

2. General Education + English Language Learners Educator

3. General Education + Arts Specialist
