DAYTON, Ohio, December 27, 1966 --- The University of Dayton has received a \$2,000 grant from the Marathon Oil Foundation, Very Rev. Raymond A. Roesch, S.M., University President, revealed today. The grant, representing continuing giving to the University capital development program by Marathon, will be applied toward the \$6,900,000 Engineering-Research building, according to Father Roesch.

The University was informed of the action of the Trustees of the Marathon Oil Foundation by Mr. Karl L. Edelbrock, Assistant Secretary of the Foundation in Findlay, Ohio.

In accepting the grant, Father Roesch said: "We appreciate the interest the Marathon Oil Foundation has shown in higher education and, in particular, to the University of Dayton over the past years.
