DAYTON, Ohio, December 29, 1966 --- The Gulf Oil Corporation in Pittsburgh, Pa., continued its generosity toward the University of Dayton by awarding that school a $2,000 grant today. Announcement of the grant was made by Mr. A. Lewis Jr., Chairman, Education Committee, Gulf Oil Corporation, and the check was presented by Mr. Thomas Kirwin, Dayton District Manager of Gulf.

The grant, a sixth Gulf contribution to the University of Dayton, brings to $19,744 the amount given to the school's development program since 1962.

The current award was one of 150, totaling $300,000, which Gulf will distribute this year as unrestricted grants to as many universities and colleges under its Aid-To-Education Program.

According to Very Rev. Raymond Roesch, University President, the $2,000 will be allocated to the school's scholarship endowment fund.

"Your continuing confidence in the University of Dayton," wrote Father Roesch, "spurs us to new heights of determination to achieve a level of excellence that will be an enduring source of pride to all our supporters.

"To assure lasting benefits from this generous contribution we have directed that it be allocated to our scholarship endowment fund. The gift has a two-fold impact, contributing to the education of the gifted but needy, and relieving the heavy drain of operating income to meet this vital need."
