DAYTON, Ohio, June 12, 1967 --- The University of Dayton has received $119,614.11 as its share of business contributions through the Ohio Foundation of Independent Colleges for the fiscal year which ended May 31, President, Very Raymond A. Roesch, S.M., said today.

Gifts through OFIC in its sixteenth year set another new record totaling $1,577,711 from 1982 contributions.

Dayton's latest check brings to $833,094 the total received here through OFIC since this university became a member.

President Father Roesch said:

"The Ohio Foundation, most successful of 39 such state and regional groups in the U.S., includes 34 accredited colleges. Each corporate gift is divided among members 60 per cent equally, 40 per cent according to enrollment, unless a donor specifies otherwise.

"Dayton will honor these business friends by sending the complete list of their names to alumni, trustees, and others. The 34 colleges cooperating in this way mail this "Honor Roll of Ohio's Corporate Good Citizens" to a total of 225,000 homes."

Gifts distributed among member colleges since OFIC started in 1951 now total $14,686,230. Most corporate contributions go to improvement in faculty salaries, colleges report.
