DAYTON, Ohio, March 4, 1968 --- Dr. Joseph Kepes, Chairman, Department of Physics, announced today the chartering of the University of Dayton Chapter of Sigma Pi Sigma, National Physics Honor Society, on March 11. The installation ceremonies will take place in the Kennedy Union Ballroom at 3:30 p.m.

Dr. Kepes also revealed that charter officers of the new chapter will be Richard E. Ziegler, graduate student, President; senior Maureen Morrison, Vice President; junior Thomas Hornbach, Treasurer, and junior Patrick Kelly, recording secretary. Installing officer will be Dr. Marsh W. White, national executive president of the Society.

Following the chartering ceremonies, and installation of officers and 6 p.m. Banquet, Mr. Donald C. Reynolds of the Aerospace Research Laboratories, who will receive an honorary membership, will speak on "Optical Properties of Semiconductors." His talk will begin at 8 p.m.

The objects of Sigma Pi Sigma are to serve as a means of awarding distinction to students having high scholarship and promise of achievement in physics; to promote student interest in research and the advanced study of the subject; to encourage a professional spirit and friendship among those who have displayed marked ability in physics; and to popularize interest in physics in the general collegiate public.
