DAYTON, Ohio, July 1, 1968 --- Three area high school coeds have recently been awarded Kettering Scholarships for Prospective Teachers by the University of Dayton School of Education. This is the second awarding of these scholarships which are funded by a $75,000 grant made by the Kettering Fund to the School of Education two years ago.

This year's award recipients are:

Deborah Fryman, daughter of Mr. & Mrs. Richard Fryman, 3320 Wayne Avenue. Miss Fryman is a graduate of Patterson Co-operative High School and will major in elementary education at the University.

Karen Townsend, daughter of Mr. and Mrs. James Townsend, 1549 Selkirk. Miss Townsend will major in physical education and is a graduate of Belmont High School.

Marilyn Carney, daughter of Mr. and Mrs. Robert Carney, 4609 St. James Street. Miss Carney graduated from Meadowdale High School and will major in secondary education.

These scholarships were offered to high school graduates in the Montgomery-Greene county vicinity who show high promise and seek to become teachers and leaders in education. High school principals were asked to nominate students interested in the areas of elementary, secondary, and physical education and selection of the winners was made by the respective chairmen of these departments at the University.

The scholarships are awarded for the freshman year. From the original grant, $15,000 was set aside for the scholarship fund which will cover the awarding of 15 scholarships over a five year period.
