DAYTON, OHIO 45409 AREA CODE 513 461-5500 EXT. 500

DAYTON, Ohio, July 8, 1968 --- The University of Dayton is offering its eighth annual Business Systems and Data Processing Workshop, co-sponsored by the State of Ohio Department of Education from July 8 through July 26. This is a Business and Office Education (B.O.E.) Qualifying Workshop offering graduate credit from the School of Education in cooperation with the School of Business Administration.

The workshop is specially designed for Business Education teachers and administrators who seek familiarization with modern data processing concepts, techniques and equipment. Speakers from the field of education, business and industry will be featured in the three week workshop. B.O.E. coordinator is Robert D. Balthaser, Ohio Business Education State Supervisor, and workshop director is Professor Robert E. Kriegbaum, UD School of Business Administration.

Speakers for the workshop include: Raymond Philips, District Data Systems Manager, Ohio Bell Telephone Company, Cleveland; Col. Philip E. Cartwright, Director AFLC Data Center, WPAFB; Dr. Anthony Debons, Chairman, UD Information Science Department; Thomas McArdle, Regional Director U.S. Department of Labor, Bureau of Statistics, Chicago; Miss Ann Rasche, Coordinator of Business Data Processing, Cincinnati Cooperative School of Technology; Captain Edward E. Rosendahl, Chief, Products Management Branch Services Center, AFLC, WPAFB; John Affre, Product Manager, Cincinnati Lathe & Tool Company; William E. Bachman, Partner, Haskins and Sells, Dayton, Robert E. Fair, Deputy Chief of Data Processing, Comptroller Office, AFLC, WPAFB;
