DAYTON, Ohio, April 9, 1969 — The University of Dayton has again been selected as one of the privately-financed universities in the United States to receive an unrestricted grant under the Aid-to-Education Program of Texaco Inc., it was announced today by Very Rev. Raymond A. Roesch, S.M., UD President.

The grant of $1,500 awarded for the 1968-69 academic year is the third such grant awarded to the University for its scholarship program by Texaco since 1966. The company has awarded the University $16,500 since 1956.

Dayton is one of 300 colleges and universities included in Texaco's program of educational support. In addition to providing direct financial support to 150 privately-financed schools, the program includes scholarship and fellowship assistance to 90 educational institutions, both private and tax-supported.

In expressing the University of Dayton's appreciation for the grant, Father Roesch stated that the grant would be used for Student Aid purposes through assignment to the Industry Scholarship Fund.
