DAYTON, Ohio, May 11, 1971 --- Mr. Donald J. Staudter, Assistant Professor of Industrial Engineering at the University of Dayton, has been selected to participate in the Systems Workshop on U.S. Air Transportation at the Space Institute of the University of Tennessee. The workshop will be held at the U.T. campus from June 20 to July 17 and is being supported by the National Science Foundation in cooperation with the American Society of Engineering Education and the National Aerospace Education Council.

Professor Staudter received his degree in industrial engineering from U.D. in 1959, and has his MBA from Xavier in 1964. After returning to U.D. in 1966 he attended summer programs at the Air Force Academy, Ohio State University and Purdue University. He resides at 3115 Lenox Drive, Dayton.
