DAYTON, Ohio, February 15, 1972 — The National Teacher Examinations will be administered on April 8, 1972, at the University of Dayton which has been designated as a test center.

According to Brother Joseph J. Panzer, S.M., Dean, School of Education, college seniors preparing to teach and teachers applying for positions in school systems which encourage or require the NTE are eligible to take the tests. In addition, the designation of the University of Dayton as a test center for these examinations will give prospective teachers in this area an opportunity to compare their performance on the examinations with candidates throughout the country who take the tests, Dean Panzer said.

Last year approximately 116,000 candidates took the examinations nationwide. These tests are designed to assess cognitive knowledge and understanding in professional education, general education and subject-field specialization. The examinations, which are prepared and administered by Educational Testing Service of Princeton, New Jersey, are limited to assessment of those aspects of teacher education that are validly and reliably measured by well constructed paper-and-pencil tests.

Bulletins of Information describing registration procedures and containing Registration Forms as well as sample test questions may be obtained from the School of Education, University of Dayton, Dayton, Ohio 45409, or directly from the National Teacher Examinations, Educational Testing Service, Box 911, Princeton, New Jersey 08540.
