Ursuline Academy High School

DAYTON, Ohio, May 8, 1972 --- Carol Ann Christian of 626 Glenway Avenue, Cincinnati, Ohio 45215, a physics major at the University of Dayton was a recent honor graduate of that educational institution. In addition to excellence in the classroom, she has been active in participating in modern research while an undergraduate. Because of her research activities in the Physics Department, she was awarded a post-graduate summer research position. During the summer she will be performing basic magnetic measurements in solid state materials. Dr. T. P. Graham, director of the University of Dayton Magnet Facility, will direct her research. Miss Christian who graduated from Ursuline Academy in Cincinnati, is the daughter of Mr. and Mrs. Robert H. Christian, a well known Cincinnati architect.

Miss Christian has chosen to go on to continue her studies in Physics and Astronomy at the University of California at LaJolla. She was awarded a Graduate Assistantship at the California school.
