DAYTON, Ohio, October 27, 1972 -- "Motion and Time Study Fundamentals" is the subject of a new Special Sessions course at the University of Dayton. The program, under the direction of Mr. Raymond Puckett, Chairman, Department of Industrial Engineering Technology, will start Tuesday, October 31.

The course, which will run eight consecutive Tuesdays for 2½ hours each night, will be held from 7:30 P.M. to 10 P.M. in room 202 of the Eugene W. Kettering Engineering and Research Laboratories on the campus. Fee is $55 plus $13 for the text book, "Motion and Time Study" by B. W. Niebel.

The course will include discussion of the techniques, principles, philosophies and economic necessity for methods improvement and work measurement with emphasis on Motion Economy, Motion Study, Micro-motion Study and Time Study.
