The University of Dayton News Release

UD WELCOMES NEW SCHOOL YEAR

DAYTON, Ohio, August 20, 1982 -- The University of Dayton welcomes new students, transfer students, and returning upperclassmen this week as fall classes resume on August 25. Freshman resident students will arrive on Sunday, August 22, for residence hall check-in beginning at 10 a.m. Orientation of new students takes place through Tuesday.

University officials expect an enrollment of 6,200 full-time undergraduates, including 4,300 returning students and 1,900 freshmen and transfers. This total number matches enrollment projections for the year. Consequently, University officials are pleased with the healthy enrollment picture at UD.

As the current national trends continue in higher education in the areas of science and technology and international affairs, UD plans to meet the challenge with four new academic programs being offered this fall. The four new program areas include undergraduate majors in Computer Science-Physics and Nuclear Medicine Technology, and graduate programs in International Studies and Human Factors Psychology. The three most popular University undergraduate programs remain in the areas of Accounting, Communication Arts, and Computer Science.

University of Dayton President Brother Raymond L. Fitz, S.M. will welcome the new freshmen, transfer students, and their parents at Orientation events beginning at 4:00 p.m. on Sunday, August 22, 1982, at the UD Arena.
