Upcoming: Housing Fair and Hug-A-Thon
Students and local residents will meet with university, city, and utility representatives who will offer advice on energy efficiency, home security, safety, leases, and more. (Booth displays and interaction between students and city officials should make good visuals for television. For more information or to set up interviews, call Tom Boyle, Housing Fair coordinator, at 229-2047.)

The sisters of Sigma Tau Epsilon will open their arms to raise money for the American Heart Association. A mass hug-a-thon is scheduled with President Brother Raymond L. Fitz, S.M. kicking off the pre-Valentine Day event. (The sorority will fill the plaza with hundreds of huggable people to make this event a very visual one. Call Tom Bidwell at 229-3241 for more information.)
