UD ROTC CADETS RECEIVE FIRST PLACE AT ADVANCED CAMP

DAYTON, Ohio, September 3, 1986 -- The University of Dayton's Reserve Officers' Training Corps took first-place honors for their region at a special advanced camp held this summer in Fort Lewis, Washington from June 4 to August 5 this summer. Among the schools they competed against in their region were Xavier, Notre Dame, and Ohio State University. The cadets also took third place in overall competition which included 42 schools located outside the region.

The six-week advanced camp is required of all ROTC cadets before they can be commissioned as officers into the United States Army. The camp deals primarily with leadership skills, ethics, professionalism, and teamwork. Cadets must qualify in land navigation, small unit tactics, marksmanship, leadership, and must also pass the army physical fitness test.

Individual UD cadets who received outstanding overall ratings were Jeff Kordenbrock of Potomac, MD; Julie Boron of Navarre, OH; and Chris Ryan of Rochester, NY.
