UD HOSTS ELDERHOSTEL

DAYTON, Ohio, June 22, 1987--Adults 60 years of age and older can learn about aviation in an Elderhostel program hosted by the University of Dayton. The program runs from Sunday, July 19, to Saturday, July 25. The $215 fee for the program covers registration costs, six nights' accommodations in Marycrest Complex, all meals, five days of classes, and a variety of extracurricular activities. A maximum of 35 people will be accepted. Four scholarships, known as Elderhostelships, are available to those who would otherwise be unable to attend.

Elderhostel offers older adults the opportunity to participate in inexpensive, short-term academic programs at educational institutions all over the world. In 1986, more than 112,000 hostlers participated in Elderhostel programs at more than 1,000 colleges, universities, and other educational institutions in all 50 states, all 10 Canadian provinces, and over 35 countries overseas.

Aviation is the theme for UD's program, which includes visits to the Air Force Museum, Carillon Park, Patterson Homestead, the International Women's Aviation Museum, and the Wright Brothers bicycle shop.
