UD STUDENTS CLEAN
OFF-CAMPUS NEIGHBORHOOD

DAYTON, Ohio, October 19, 1987--University of Dayton students will participate in a traditional fall neighborhood clean-up program, Clean Sweep, on Saturday, October 24. The students will gather at the McGinnis Center (301 Lowes Street) at 10 a.m. to be assigned streets to clean in the off-campus area bordered by and including Brown Street, Irving Avenue, Trinity Avenue, and College Park Avenue.

Crews from the City of Dayton Second District Police Department and the Southeast Priority Board, several Brown Street business leaders, and UD's mascot, Rudy Flyer, will join the students in the clean-up effort. The City of Dayton and the Southeast Priority Board will provide rakes, brooms, sweeping machines, and trash-collection trucks.

The student organization with the most participants in Clean Sweep and the one with the highest percentage of participants will receive cash prizes from UD's Housing Office and Student Government Association. Various Brown Street businesses have donated other prizes.

Clean Sweep is held twice a year and has been a popular student service event for the past 10 years. Last spring, over 400 students helped to collect more than 500 bags of garbage.

Clean Sweep, which will occur rain or shine, is sponsored by the McGinnis Center Office of Community Relations and UD's Student Government Association.
