## JAN. 25: UD PROFESSOR WILL OFFER ECONOMIC PREDICTIONS FOR 1989

The \$2.1 trillion national debt will continue to grow in fiscal year 1989 at an alarming rate of \$8,000 per second, predicts Anthony Chan, assistant professor of economics and finance at the University of Dayton. And although President George Bush has deemed the situation a priority, trying to battle the debt is akin to "boxing with Mike Tyson with both hands tied behind his back," said Chan.

Chan will compare the U.S. economy and tax system with Europe, Japan and other major industrial countries in "State of the U.S. Economy and Predictions for 1989" at the Wednesday, Jan. 25 meeting of the Dayton chapter of the National Association of Accountants. The meeting will be held at noon at Stouffer's Hotel, E. Fifth St. and S. Jefferson St.

## JAN. 26: UNIVERSITY OF DAYTON STUDENTS TO COMPETE IN COLLEGE BOWL

University of Dayton students will team up with faculty members to compete in a College Bowl event in the Kennedy Union Pub on Thursday, Jan. 26 beginning at 7 p.m. Designed in a tournament format, competition may last until midnight. Eight four-person teams (two students and two faculty members) are expected to compete.

Categories in this "varsity sport of the mind" will include such subjects as literature, politics, history, science and current events. The two students on the winning team will form the nucleus for a UD team to compete in regional competition in February 1990.

## JAN. 26: UD WILL SHARE CAMPUS PLANS WITH OAKWOOD COMMUNITY

Also attending from UD will be William C. Schuerman, vice president for student development and dean of students, and Joe Belle, director of off-campus housing. For further information, call 229-4344.
