DAYTON, Ohio, October 3, 1974 --- University of Dayton Distinguished Alumnus Awards will be given this year to Clement A. Jauch, '08, and Henry Freitas, '29.

Plaques marking the service of both men to their alma mater and their community will be given at the Homecoming dinner Saturday, October 19.

Mr. Freitas, 69, is an engineer, builder and contractor in Honolulu, Hawaii. In 1969 he retired as president and chief executive of the Hawaii Corporation. His interests and holdings extend over the Pacific Ocean.

Mr. Jauch, 83, was secretary and general manager of Dayton Stencil Company and Dayton Fabricated Steel Company from 1919 until 1968 when he became chairman of the board. He still goes into his office everyday and claims he has no secret recipe for longevity.

Mr. Freitas holds the Doctor of Humane Letters from Chaminade College of Honolulu and was a recipient of St. Louis High School's Outstanding Alumnus Award in January of 1970.

Mr. Jauch's civic activities are local although his company manufactures stencils and badges which are marketed nationwide. His activities include the Engineers Club, Kiwanis Club, Miami Valley Golf Club, the Elks and the Knights of Columbus. One of his most active memberships has been in the Catholic Gesellen Verein Club which has been active in the Dayton area for over 100 years in providing educational and social opportunities for young German immigrants.

Mr. Jauch and his wife Bertha M. have traveled extensively in Alaska, South America and Europe. His favorite place, he claims, is at home.

Mr. Freitas is a widower. His wife, Flora Cabral died September 14, 1973. His children are Mrs. Gates M. Stoner and Alan George Freitas.
