HIGH SCHOOL STUDENTS TO COMPETE
IN REGIONAL SCIENCE BOWL AT UD

DAYTON, Ohio -- More than 160 students from 24 high schools in the Miami Valley area will compete in the first annual Mound Facility Science Bowl to be held at the University of Dayton March 23. The winning team will earn a shot at the national title in the competition slated April 21-27 in Washington, D.C.

The regional Science Bowl is sponsored by the Scientific Community of EG&G Mound Applied Technologies. Teams from the following schools will participate from 9:30 a.m. to 4 p.m. in the Kennedy Union on campus:

Dixie High School
Little Miami High School
Chaminade-Julienne High School
Meadowdale High School
Colonel White High School
Fairmont High School
Fenwick High School
Dunbar High School
Centerville High School
Franklin High School
Preble Shawnee High School
Bellbrook High School

Wayne High School
Wilmington High School
Lebanon High School
Miamisburg High School
Blanchester High School
Fairborn High School
Kings High School
Lemon-Monroe High School
Eaton High School
Middletown High School
Carroll High School
Beavercreek High School

Dave Freeman, WHIO-TV weather and environmental reporter, will serve as honorary chair of the event. UD will offer scholarships to members of the winning and second-place teams.

-more-
Science Bowl questions will cover the fields of astronomy, biology, chemistry, earth science, physics, algebra, geometry, trigonometry, calculus, computer science and general applied science.
