**THROUGH AUG. 6: HONG KONG STUDENTS LEARN ENGLISH, GOLF, COMPUTERS**

Twenty-two high school students from Hong Kong and one from France will be at the University of Dayton through Friday, Aug. 6, to master the English language, to learn more about computers and to play golf.

The three-week camp is sponsored by UD's English Language and Multicultural Institute (ELMI) and the YMCA of Hong Kong. According to Clara Delgado, director of ELMI, the students, who range in age from 13 to 17 and include about five females, picked golf and computers as their top athletic and extracurricular interests.

Every weekday from 9 a.m. to noon in Kennedy Union Room 312, the students will study English with instructors from ELMI. They will also spend one hour, from 1 to 2 p.m. on Monday through Thursday, working on computers in the labs in UD's Anderson Hall Room 129.

Each day at 2 p.m. in Kennedy Union Room 312 or outside Kennedy Union, the students will learn golf fundamentals such as proper grips, swinging and putting. And starting 1 p.m. on Fridays (July 23, 30 and Aug. 6) at the Golden Bear Golf Center at Rollandia, 4990 Wilmington Pike, the students will spend the afternoons playing golf.
