

The University of Dayton Bulletin

A photograph of a person sitting on a bench inside a gazebo on a lawn, surrounded by trees. The gazebo has a red-tiled roof and white pillars. The person is wearing a light-colored shirt and dark pants, and is looking down at something in their hands. The lawn is green and well-maintained. There are many trees and bushes around the gazebo, creating a lush, green environment. The overall tone of the image is peaceful and academic.

I The University of Dayton

Founded in 1850

The University of Dayton is a private, coeducational school founded and directed by the Society of Mary (the Marianists), a Roman Catholic teaching order.¹ It is among the nation's largest Catholic institutions of higher learning. Aware of the cultural richness of diversity, the University numbers among its students and faculty representatives of many faiths. For the same reason, the University has consciously drawn its students and faculty not only from the immediate community and the middle-western neighborhood but from across the country and from numerous foreign countries.

The main campus is seventy-six landscaped acres on a hill overlooking the city of Dayton, Ohio. The buildings are a pleasantly eclectic architectural mixture of old and new, all well equipped. The faculty, both lay and religious, are well qualified and competent to provide their students with superb instruction and prudent counseling. The University's policy of tempered discipline encourages students to responsible judgment and conduct in the pursuit of academic and professional excellence.

A lively, friendly atmosphere; reasonable tuition rates; financial aid plans; numerous and varied religious, cultural, and social opportunities; an early-semester calendar allowing a number of study-recess options; intercollegiate and intramural athletic programs for both men and women; academic options such as honors programs, independent study, and study abroad; academic, professional, and personal counseling; cooperative work-study plans; a placement service for students and graduates—these exemplify the myriad aspects of the character of the University of Dayton.

BRIEF HISTORY

In March, 1850, Marianist Father Leo Meyer, recently arrived from France, purchased Dewberry Farm in Dayton from John Stuart, a descendant of the old royal family of Scotland. Mr. Stuart, a man of great faith, accepted a medal of St. Joseph and a promise of \$12,000 for 125 acres, including vineyards, a mansion, and other buildings. Father Meyer renamed the farm Nazareth. This became the first permanent foundation of the Society of Mary in the western hemisphere.

The University of Dayton had its earliest beginnings here on July 1, 1850, when St. Mary's School for Boys, a frame building that not long before had housed farm hands, opened its door to fourteen primary students from Dayton. In September, the classes moved to the mansion, and the first boarding students arrived.

¹The Society of Mary, founded in France in 1817 by Father William Joseph Chamínade, presently conducts schools throughout the United States and in Africa, Australia, Canada, Japan, Europe, and South America. The Society operates Chaminade College in Hawaii and St. Mary's University in San Antonio, Texas.

Five years later the school burned to the ground; but within a year classes resumed. By 1860, when Brother Maximin Zehler became president, enrollment approached one hundred. The Civil War had little direct effect; most of the students were too young to serve in it. St. Mary's grew; an old history refers to the period of 1860-1875 as "the brick-and-mortar years." A novitiate was added, and then a normal school. The Chapel of the Immaculate Conception was completed in 1868. In 1870, visitors marveled at new St. Mary Hall, the largest building in the city of Dayton, and called it Zehler's Folly. But when the "college department" moved into it in 1871, it proved not too big at all. Construction went on.

In 1883, another devastating fire visited the campus, but this time some of the buildings were saved. The statue of Our Lady of the Pines was erected in gratitude. In a more famous emergency, the Great Flood of 1913, the school, untouched because of its hillside location, sheltered numbers of refugees.

Known at various times as St. Mary's School, St. Mary's Institute, and St. Mary's College, the school established its present identity in 1920, when it incorporated as the University of Dayton. The same year, the elementary division closed, and the University started its tradition of evening and Saturday classes, to serve the adult members of the surrounding community. In 1922, a school of law opened, also with evening classes. Other graduate programs followed. In 1923, the first summer session took place, its classes open to women as well as men. This decade of academic growth and innovation was as well a time of increased emphasis on sports here and across the country. Sports, however, were no novelty here: in 1874, for example, St. Mary's Institute's new Play House (gymnasium) was the only one of its kind in Ohio, and tradition holds that the first organized basketball game in the state took place there.

The 1930's and the early 1940's, for obvious reasons, were in many ways a time of retrenchment for the University of Dayton as for most other schools. But the Marianists, their faculty, and their students had survived cholera and smallpox, fire and flood, and (in 1924) a Ku-Klux-Klan cross burning on the campus. In 1935, even as it closed its preparatory school and graduated its last class from the old law school, the University inaugurated a college for women, with sisters of Notre Dame in charge of 27 entering students. Two years later, the college for women closed; the deans opened all divisions to women, and the University of Dayton became co-educational.

After World War II, with the return of the veterans, the University entered a long period of unprecedented growth and improvement. Today, enrollment has steadied at about 10,000 students, full- and part-time.

STATEMENT OF PURPOSES

Approved by the Board of Trustees, May 14, 1969.

The University of Dayton, by tradition, by legal charter, and by resolute intent, is a church-related institution of higher learning. As such, it seeks, in an environment of academic freedom, to foster principles and values consonant with Catholicism and with the living traditions of the Society of Mary. Operat-

ing in a pluralistic environment, it deliberately chooses the Christian world-view as its distinctive orientation in carrying out what it regards as four essential tasks: teaching, research, serving as a critic of society, and rendering public service.

The University of Dayton has as its primary task to teach—that is, to transmit the heritage of the past, to direct attention to the achievements of the present, and to alert students to the changes and challenges of the future. It regards teaching, however, as more than the mere imparting of knowledge; it attempts to develop in its students the ability to integrate knowledge gained from a variety of disciplines into a meaningful and viable synthesis.

The University of Dayton holds that there is harmony and unity between rationally discovered and divinely revealed truths. Accordingly, it commits its entire academic community to the pursuit of such truths. It provides a milieu favorable to scholarly research in all academic disciplines, while giving priority to studies which deal with problems of a fundamentally human and Christian concern. It upholds the principle of responsible freedom of inquiry, offers appropriate assistance to its scholars, and endeavors to provide the proper media for the dissemination of their discoveries.

The University of Dayton exercises its role as critic of society by creating an environment in which faculty and students are free to evaluate, in a scholarly manner, the strengths and weaknesses found in human institutions. While, as an organization, it remains politically neutral, objective, and dispassionate, it encourages its members to judge for themselves how these institutions are performing their proper tasks; to expose deficiencies in their structure and operation; to propose and actively promote improvements when these are deemed necessary.

The University of Dayton recognizes its responsibility to support, with means appropriate to its purposes, the legitimate goals and aspirations of the civic community and to cooperate with other agencies in striving to attain them. It assists in promoting the intellectual and cultural enrichment of the community; it makes available not only the resources of knowledge that it possesses, but also the skills and techniques used in the accumulation and dissemination of knowledge; and, above all, it strives to inspire persons with a sense of community and to encourage men and women of vision who can and will participate effectively in the quest for a more perfect human society.

BASIC ACADEMIC STRUCTURE OF THE UNIVERSITY

The University of Dayton now includes the College of Arts and Sciences and four professional schools, each with a dean: the School of Business Administration, the School of Education, the School of Engineering (including Engineering Technology), and the School of Law. The deans, through their departmental chairpersons, administer the undergraduate and graduate programs. The Associate Provost has the overall responsibility for all graduate programs. At the head of the academic structure of the University is the Vice President for Academic Affairs and Provost.

The University of Dayton awards the following associate, baccalaureate, professional, and graduate degrees:

Associate in Business Administration	Master of Humanities in Philosophy
Associate in Technology	Master of Public Administration
Bachelor of Arts	Master of Science
Bachelor of Chemical Engineering	Master of Science in Aerospace Engineering
Bachelor of Civil Engineering	Master of Science in Chemical Engineering
Bachelor of Electrical Engineering	Master of Science in Civil Engineering
Bachelor of Engineering	Master of Science in Education
Bachelor of Fine Arts	Master of Science in Electrical Engineering
Bachelor of General Studies	Master of Science in Engineering
Bachelor of Mechanical Engineering	Master of Science in Engineering Management
Bachelor of Music	Master of Science in Management Science
Bachelor of Science	Master of Science in Materials Engineering
Bachelor of Science in Art Education	Master of Science in Mechanical Engineering
Bachelor of Science in Business Administration	Master of Science in Teaching Educational Specialist
Bachelor of Science in Education	Juris Doctor
Bachelor of Science in Home Economics Education	Doctor of Engineering
Bachelor of Science in Music Education	Doctor of Philosophy in Biology
Bachelor of Technology	Doctor of Philosophy in Engineering
Master of Arts	
Master of Business Administration	
Master of Clinical Chemistry	
Master of Clinical Laboratory Technology	
Master of Computer Science	

College of Arts and Sciences

The College of Arts and Sciences includes the following departments and programs: American Studies, Biology, Chemistry, Communication Arts, Computer Science, Criminal Justice, Cytotechnology, Data Processing, Economics, English, General Studies, Geology, History, Home Economics, Languages, Mathematics, Medical Technology, Military Science, Performing and Visual Arts (Fine Arts, Music, Theatre, Photography), Philosophy, Physical Science, Physics, Political Science, Psychology, Religious Studies, Social Work, and Sociology.

Preprofessional courses are offered in medicine, dentistry, dietetics, optometry, veterinary medicine, music therapy, pharmacy, law, foreign service, social work, and radio and television broadcasting. The programs leading to the Bachelor of Science with majors in Cytotechnology and Medical Technology are operated in cooperation with nearby hospitals. The clinical programs at these hospitals are accredited by the Committee on Allied Health Education and Accreditation of the American Medical Association through the National Accrediting Agency for Clinical Laboratory Sciences.

Programs leading to the Master of Arts or the Master of Science are offered in American Studies, Biology, Chemistry, Communication Arts, English, History, Humanities, Mathematics, Philosophy, Physics, Political Science, Psychology, and Theological Studies. The Department of Chemistry offers the Master of Clinical Chemistry. The Department of Computer Science offers the Master of

University of Dayton

Computer Science. The Department of Philosophy offers the Master of Humanities in Philosophy. The professional degree Master of Public Administration is also offered. The Department of Biology offers the Doctor of Philosophy.

School of Business Administration

The School of Business Administration offers undergraduate majors in Accounting, Economics, Finance, Management, and Marketing. On the graduate level, the School awards a Master of Business Administration. Also offered are two-year programs leading to the associate degree.

School of Education

The School of Education prepares teachers for the elementary and secondary levels and for such specialized fields as art, music, speech, business, health and physical education, and home economics. It conducts retraining and post-graduate programs and offers graduate programs leading to the Master of Science in Education, the Master of Science in Teaching, and Educational Specialist. These programs are designed to prepare school administrators, school counselors, school psychologists, master elementary teachers, master high school teachers, and educational research specialists.

School of Engineering

The School of Engineering includes the Departments of Chemical Engineering, Civil Engineering and Engineering Mechanics, Electrical Engineering, and Mechanical Engineering; it also offers a Bachelor of Engineering degree through its "Late Entry" program. The School offers graduate programs leading to the degrees of Master of Science in Engineering, Master of Science in Aerospace Engineering, Master of Science in Chemical Engineering, Master of Science in Civil Engineering, Master of Science in Electrical Engineering, Master of Science in Engineering Management, Master of Science in Management Science, Master of Science in Materials Engineering, Master of Science in Mechanical Engineering, Doctor of Engineering, and Doctor of Philosophy in Engineering.

The Engineering Technology Division of the School of Engineering includes the Departments of Chemical Technology, Electronic Engineering Technology, and Mechanical Engineering Technology. Engineering Technology programs offer five-term associate degree curricula and four-year bachelor degree curricula in Bio-Engineering Technology, Chemical Technology, Electronic Engineering Technology, Environmental Engineering Technology, Industrial Engineering Technology, and Mechanical Engineering Technology.

Engineering Service Courses within the School provide course work and programs for certain areas of concentrated study for both Engineering and non-Engineering majors.

School of Law

The University of Dayton School of Law offers the Juris Doctor, as well as three joint degree programs: Juris Doctor-Master of Business Administration, Juris Doctor-Master of Science in Education, and Juris Doctor-Master of Arts.

The plan and design of the law program is predicated on a careful consideration of what law as a profession demands of the student choosing it: a high level of competence in the knowledge, theory, and practice of law; and responsibility in the roles it imposes—counselor, advocate, member of a profession, and public servant. The School of Law regards as its prime responsibility, to both the student and society, to provide a program of studies that is thorough and exacting, so that such competence and responsibility are achieved.

LIBRARIES

The University of Dayton Roesch Library houses the book, journal, government documents, and microform collections for both graduate and undergraduate students. Its book holdings number over 600,000 volumes and its journal titles over 4,000. The Marian Library, other rare books and special collections, and the University Archives are also part of this facility. It is open ninety-eight hours a week, provides almost continuous reference service, and offers on-line bibliographic searching. Comfortable study areas are convenient to the open stacks, and typewriters, photocopiers, seminar rooms, and faculty and graduate study carrels are available.

The Marian Library, on the seventh floor of the Roesch Library building, houses the world's largest collection of works on the Virgin Mary. Its resources in over fifty languages include 58,000 books and pamphlets (some 4,000 printed before 1800), 125 periodicals, a clipping file of over 43,000 items, and a growing number of microforms. These works are supplemented by smaller collections: slides, medals, postcards, Marian postage stamps, and illustrations of various kinds. In addition to these materials dealing with Mariology, the library has significant holdings in national and regional bibliographies, reference works on the Bible, ecclesiastical and dogmatic history, church art (especially of the Eastern Churches and Medieval Europe), and the history of the book.

The University of Dayton School of Law Library is located on the ground floor of the Roesch Library building and is connected with the Law School Building (Albert Emanuel Hall). Its collection contains over 150,000 volumes and 63,000 physical units of microforms. The open-stack arrangement of the Law Library permits easy access to all materials.

The Curriculum Materials Center houses the specialized collections of the School of Education and is located on the first floor of Chaminade Hall. It offers a wide selection of elementary and secondary textbooks, filmstrips, records, transparencies, cassettes, charts, material kits, and teaching aids.

The University's active membership in the Dayton-Miami Valley Consortium has significantly augmented the library resources available to her students. Some libraries in the Consortium will lend materials directly to students from other schools; others require interlibrary loan forms, which may be secured from one of the reference librarians.

INSTITUTIONAL CONSORTIA

Dayton-Miami Valley Consortium

Thirteen institutions of higher learning in the Miami Valley, including the University of Dayton, have organized the Dayton-Miami Valley Consortium (DMVC). The participating institutions seek to increase inter-institutional cooperation, improve curricula, develop new courses and programs, share library resources, minimize cost, and centralize selected functions, by using computers, modern educational technology, and communication media.

Among the benefits of the Consortium is that regularly enrolled full-time students at one institution, under certain conditions, may register for credit at no additional charge in courses offered by other Consortium institutions in which no instruction is available at their own institution.

Consortium for Higher Education Religion Studies

The University is an active member of the Consortium for Higher Education Religion Studies (CHERS). This consortium makes possible cross registration, sharing library resources, dialogue with students of other institutions, interchange of facilities, and cooperative innovative planning. Area members include Earlham School of Religion, Mount St. Mary's Seminary, Payne Theological Seminary, St. Leonard College, University of Dayton, and United Theological Seminary.

United Theological Seminary, Antioch College, the University of Dayton, and Wright State University jointly employ and share a Professor of Judaic Studies under a grant from the Harriet Sanders Trust of Dayton, Ohio.

RELATED UNIVERSITY SERVICES

Besides the regular day sessions, the University conducts special as well as regular evening and summer sessions and offers short-term workshops, institutes, and conferences. Many of the programs presented during the regular day sessions are offered also in the evening and summer sessions, enabling students to work toward degrees on a part-time basis. All credited courses, whenever offered or in whatever form, conform to the same standards and are governed by the same policies and regulations prevailing during the regular day sessions.

The Office of Continuing Education especially serves the part-time students of the Dayton community, to make the University and its course offerings, both credit and noncredit, more easily available to them. Similarly, an international student advisor serves students from other countries who are enrolled at the University.

To foster interdisciplinary efforts, the Office of the Provost administers courses designated UDI (University of Dayton Interdisciplinary) to accommodate interschool offerings and experimental programs. (UDI courses are listed and described in Chapter X, as are other interdisciplinary, experimental, and special offerings.)

University of Dayton

The Research Institute, an integral, not a separate, component of the University of Dayton, provides important resources and reinforcement for all levels of academic endeavor, as does the Office for Computing Activities. (See Chapter X.) WVUD-FM, a radio station covering the Miami Valley area, located on campus, is available to all University departments and programs. A unit of the Reserve Officers Training Corps, also based on the campus, offers its academic program through the Department of Military Science. (See MIL, Chapter VI.)

ACADEMIC CALENDAR YEAR

The University of Dayton operates under an early semester, split third-term calendar. The academic year begins with the fifteen-week fall term, which ends before Christmas. The winter term, also fifteen weeks, begins in January and ends late in April. The third, or spring-summer term, is split into two complete sessions of six weeks each.

The advantages of such a calendar are many. Students may enroll for the traditional fall and winter semesters and have a four-month summer vacation; or they may add half terms or full terms to enrich their programs or speed the completion of their graduation requirements. (The University holds graduation ceremonies at the end of each term.) Students who must earn their own money can have extra time for employment in spring and summer; or they may enroll for the third term and work during the fall or the winter term, when the employment market is not crowded with other college students.

II Student Life and Services

The Vice President for Student Development and Dean of Students and her staff are responsible for assisting in developing and maintaining an environment which will support the educational goals and the Christian values of the University of Dayton. While students are encouraged to accept responsibility to make decisions, it is understood that decision making involves risks. The Student Development staff provide individual and group counseling and supportive reinforcement, treating all students as individuals. All members of the Student Development staff are professional counselors.

OFFICE OF RESIDENCE LIFE HOUSING OFFICE

One of the most challenging experiences a student can have at the University is to live in a residence hall. Respect for the rights of other people and a willingness to contribute to an atmosphere of cooperation and mutual respect will make the residence hall experience successful.

Professional and graduate student staffs coordinate with the Office of Residence Life and the Housing Office in administering University residence halls and apartments. An elected hall council represents students' opinions and initiates programs in each hall, and a judicial board facilitates the due process system in disciplinary matters. Counseling and consultation as well as the celebration of Mass are provided in the residence halls by the Campus Ministry.

While junior and senior students may arrange their own housing either on or off campus, freshmen and sophomores are required to live in the University residence system unless they are married, are twenty-one years of age or over, or are local residents living with their families.

All new students, upon their official acceptance to the University of Dayton, receive from the Office of Admissions application/contracts and instructions for residence hall accommodations. However, any questions about housing should be directed to the Housing Office of the University of Dayton.

FOOD SERVICE

The University of Dayton's Food Service maintains two chief dining facilities: the Brass Lantern in Marycrest complex and El Granada, the main cafeteria (in Kennedy Memorial Union). A large snack bar in the Union offers light meals as well as snacks. In addition, all of the residence halls have snack bars, which are open evenings and weekends.

Freshman students living on campus are required to purchase either five-day or seven-day meal tickets. Other students may purchase meal tickets or make their own daily arrangements. Five-day lunch tickets are available to commuters. On weekends, students may eat in the cafeteria on a cash basis if they wish.

OFFICE OF UNIVERSITY ACTIVITIES

The Office of University Activities sponsors and coordinates extra-curricular and co-curricular activities for University organizations, departments, groups, and students in general. These not only enrich and enhance educational, cultural, and social development but foster a spirit of community in accord with the objectives of the University of Dayton.

Numerous and varied cultural, social, and recreational activities take place on campus, many of them in the Kennedy Memorial Union. Among the continuing programs are the University Arts Series, with renowned guests, chiefly in music, the dance, and literature; the Distinguished Speakers Series; the Music Division series of recitals and concerts by students and faculty; regular productions by the University Players of the Theatre Division; Noon Forums, a weekly series on subjects of current interest; a classic film series; and shows and exhibitions in the Kennedy Art Gallery.

In addition, the outstanding musical, dramatic, and artistic programs and events in the Dayton area are well publicized on campus. Most offer special student rates.

STUDENT HEALTH SERVICES AND INSURANCE

The University Health Service in the Gosiger Health Center, well staffed and well equipped, assists in safeguarding the health of students. The University physician is on duty here six hours daily for advice and treatment. Nurses are available twenty-four hours a day.

Students may come to the Health Center for out-patient treatment by the staff on duty. No restriction is made on the number of visits. Students whose permanent residence is not within commuting distance may avail themselves of the in-patient services of the infirmary at a nominal cost. When the case warrants, the patient is transferred to one of the local hospitals by the University ambulance.

Some infirmary or hospital costs are covered by the highly recommended student insurance program available to all full-time students. Complete information on it will be sent to each student prior to the start of the school year.

THE CAMPUS MINISTRY

Campus Ministry seeks to lead the university in fostering a faith community among its members. This faith is manifested in personal and communal devotion to God, especially as revealed in Jesus Christ; in common worship; in the quality of relationships among the members of the community; and in efforts at enriching humanity and the world through the articulation of moral and religious values and their implementation.

In order to achieve this goal, Campus Ministry provides a number of services to all who are part of the university community. It cooperates with all segments of the university in fostering human development and the articulation and implementation of moral and religious values. It provides opportunities for prayer, for the celebration of the sacraments, for retreat experiences, and for pastoral counseling. It sponsors events, classes, and seminars that concern the deepening of faith, the awareness of human needs, and the practice of religious and moral values. It coordinates the efforts of more than fifteen student organizations that offer opportunities for community service. Though specifically Roman Catholic, it cooperates with and helps foster other religious groups on campus.

ATHLETICS AND INTRAMURAL SPORTS

Many people throughout the country have come to know the University of Dayton through the accomplishments of its intercollegiate athletic teams. Participation in athletics is part of the educational development the University offers all students. There are eight men's intercollegiate sports: football and soccer in the fall; ice hockey, wrestling, and both varsity and junior varsity basketball in the winter; and baseball, golf, and tennis in the spring. There are five women's intercollegiate sports: volleyball, tennis, and field hockey in the fall; varsity basketball in the winter; and softball in the spring. Cheerleading and yell-leading tryouts, held each year, are open to all students.

Any athlete—male or female—who anticipates trying out for any varsity sport must submit a complete physical and medical history, signed by a doctor, before he or she can participate in any tryouts.

Welcome Stadium and the U. D. Arena are the focal points of intercollegiate activity. Welcome Stadium, carpeted with Astroturf, seats 12,000 for football games, and the U. D. Arena seats 13,500 for basketball.

The Intramural Sports Department offers twenty activities for both men and women: badminton, basketball, bowling, cage ball, cross country, darts, flag football, frisbee, golf, handball, horseshoes, paddleball, pass-punt-kick, softball, table tennis, tennis, volleyball, weight lifting, wrestling, and wrist wrestling. A new Physical Activities Center allows for further expansion of the intramural program.

PSYCHOLOGICAL SERVICES

In keeping with the University's dedication to educating the whole person, the Psychological Services Center offers a complete testing and counseling program, to provide aid and guidance in personal, social, emotional, intellectual, and career development. (The work of the center goes beyond the campus, including testing and other psychological services to schools, business, and industry.)

Testing services for students help them identify their talents and aptitudes as well as, when warranted, their problems. The highly trained professional staff of the center are competent to deal not only with problems of personal, social, academic, and career adjustment but also with those of more serious concern. Since often counseling involves rather sensitive personal matters, all discussions between counselors and students are completely confidential.

Day-to-day academic counseling in all disciplines is provided by and through the various deans, departmental chairpersons, and faculty advisors. A tutoring program is also administered by the guidance center.

CAMPUS SECURITY

Campus Security is the recognized, lawful, professional police agency on all University property. It is the objective of this department to make the University a comfortable, efficient, and safe place. The University of Dayton Campus Security is dedicated to the preservation of freedom of movement and communication with a minimum of fear of property loss or personal injury.

On-campus parking facilities are limited. Commuting students should go to the traffic office (Gosiger Center) for on-campus parking permits. Campus residents may apply at the traffic office for on-campus parking permits, which

Student Life and Services

will be issued on a space-available, first-come, first-served basis to those who can validate special need. Drivers with unusual problems will be given special consideration.

Freshman students who live on campus may be issued permits only if they can validate a special need.

GRADUATE AND ALUMNI PLACEMENT

The services of the Placement Office, St. Mary's Hall, which are available to seniors, graduate students, and alumni seeking career positions in business, industry, and government, include the following:

1. Personal employment counseling.
2. Literature describing opportunities with over 500 employers.
3. A listing of current job openings.
4. Direct referral of alumni employers.
5. Campus interviews by representatives of business, industry, and government. These are conducted from October through March; they are announced in a monthly calendar which can be obtained in the Placement Office.

Part-time and summer employment are the responsibility of the Student Employment Coordinator, Office of Personnel Services. Teacher placement is handled by the Teacher Placement Office, School of Education.

STUDENT IDENTIFICATION CARDS

At the beginning of the school year, all students must secure student identification (ID) cards which they are to carry at all times. Provision for obtaining the card, complete with photograph, is made at the time of registration. Not only is the ID card obligatory, it is necessary in order to obtain numerous University services.

If a student withdraws from the University during the academic year, the ID card should be returned to the Student Development Office.

THE STUDENT HANDBOOK

Each student at the University of Dayton is responsible for knowing and observing the policies, regulations, and procedures contained in the official student handbook. This publication provides much other useful information on such subjects as University services, student organizations, student publications, and intercollegiate and intramural sports schedules.

Student handbooks are available at the opening of the fall term in the residence halls and the Information Center in the Kennedy Union.

III Admissions

Each application for admission to the University of Dayton is considered individually. The Admissions Committee reviews the academic achievement, aptitude, and interest of every applicant with the goal of admitting students who possess the intellectual ability and the motivation to profit best from their attendance at the University of Dayton.

APPLICATIONS FOR ADMISSION

All applications for admission must be submitted to the Director of Admissions on forms supplied by the University of Dayton. Applicants are encouraged to submit applications early in the senior year of high school.

The applicant must also present an official transcript of courses and grades in secondary school and the results of either the Scholastic Aptitude Test (SAT) of the College Entrance Examination Board (CEEB) or the American College Test (ACT).

Admission is based on the total information submitted by the applicant and in his or her behalf. It is the applicant's responsibility to see that complete information has been provided to the Director of Admissions.

When submitting the completed application to the high school counselor or principal for the inclusion of the transcript, the applicant should attach a check or money order for \$15.00 payable to the University of Dayton. This application fee is nonrefundable.

CONSIDERATIONS FOR ADMISSION

The applicant must have graduated from a high school accredited by a regional accrediting agency or by a state department of education and have a total record indicating a likelihood of success at the University of Dayton. The General Education Development (GED) certificate is also recognized for consideration by the Admissions Committee.

The quality of the academic record is shown by the applicant's grades, standing in class, and selection of courses. Although no set pattern of courses is required for admission, a well prepared candidate will have had from 15 to 18 units in English, social sciences, mathematics, foreign language, and laboratory science. Those who plan to major in one of the natural sciences, mathematics, computer science, business administration, or engineering will find a strong mathematics background most helpful.

The results of the Scholastic Aptitude Test (SAT) or the American College Test (ACT) serve as an additional indicator of academic aptitude.

The Admissions Committee is very interested in the applicant's personal traits and record as a school citizen. The recommendation of the high school concerning ability, motivation, and character is carefully reviewed by the Admissions Committee.

Each applicant is encouraged to visit the campus for an interview with an admissions counselor. A visit will provide the applicant with an opportunity to see the campus and ask questions of the students and faculty.

Admissions

TRANSFER STUDENTS

Students from accredited institutions may be considered for transfer to the University of Dayton provided they are in good standing socially and academically (at least a C average—2.0).

Transfer students will be considered for admission after they have followed the regular admissions procedure. They must also submit official transcripts from all institutions previously attended. It is not necessary for a transfer applicant to receive a guidance counselor's recommendation.

A transfer student is considered for a degree only after the last 30 semester hours have been taken on the University of Dayton campus and other requirements for graduation have been met. A student who transfers directly from a two-year institution will be required to earn at least 54 semester hours at the University of Dayton for any baccalaureate degree.

SAT or ACT test results are required only of transfer applicants under 21 years of age.

VETERANS

All departments of the University have been approved by the Veterans Administration for training under the G. I. Bill. Veterans' affairs are handled by the Veterans' Office, Room 222, St. Mary's Hall. All veterans attending the University must contact this office. Counseling by the Veterans Administration is available. Academic advisors to veterans are available in the College of Arts and Sciences, School of Business Administration, School of Education, and School of Engineering and Engineering Technology Division.

INTERNATIONAL STUDENTS

Undergraduate students who are not United States citizens or permanent residents of the United States are expected to follow the general admissions procedure outlined above *and* the specific procedures as outlined in the Guide to Admissions for International Students. In addition, the applicant whose native language is not English must demonstrate a score of 500 or above on the Test of English as a Foreign Language (TOEFL).

A student unable to demonstrate a 500 TOEFL score at the time of application may wish to apply for admission conditionally. Such a student will normally be expected to attend one of the special intensive English programs offered in the United States and demonstrate an adequate TOEFL score upon completion. One such program is the Summer English Language Institute of the University of Dayton.

International student applicants must present their academic credentials in official English translation. The applicant must also present certification of financial resources available to support an education at the University of Dayton.

Arrangements to see the International Student Advisor should be made within 24 hours of the student's arrival on campus. Other pertinent information may be obtained from the Assistant to the Director of Admissions for International Students.

ADVANCED STANDING BY EXAMINATION

Achievement Tests

Applicants who are seeking advanced standing in English, a foreign language, and/or mathematics are encouraged to take the appropriate College Entrance Examination Board (CEEB) Achievement Tests prior to June 1.

Advanced Placement

The University accepts the advanced placement program offered to secondary schools under the auspices of the Advanced Placement Committee of the College Entrance Examination Board.

The University will give not only advanced placement but also credit to students enrolled in the program, if such students have taken the tests provided and scheduled by the College Entrance Examination Board and have received favorable interpretation grades from the Educational Testing Service.

Students wishing to receive advanced placement under this program are to arrange that test scores be sent to the University Office of Admissions, which will grant advanced standing with or without credit in appropriate subject areas: For a score of 5, two terms of advanced standing with credit.

For a score of 4, one term of advanced standing with credit.

For a score of 3, one term of advanced standing without credit.

Scores below 3 do not entitle the applicant to either credit or advanced standing.

College-Level Examination Program (CLEP)

The University of Dayton cooperates with the College Level Examination Program (CLEP) of the College Entrance Examination Board (CEEB). Academic credit will be granted to students who achieve scores at or above the 50th percentile on any of the five areas of the General Examination. Academic credit may also be granted to students who achieve scores at or above the 50th percentile on certain subject matter examinations. The credit for the subject matter examinations will be determined by the appropriate academic departmental chairperson.

It is possible to be awarded up to 28 semester hours of credit through the General Examination of the CLEP program. Credit based on the General Examination may be awarded according to the following guidelines:

English	— a maximum of 4 semester hours credit
Mathematics	— a maximum of 4 semester hours credit
Natural sciences	— a maximum of 8 semester hours credit
Social sciences	— a maximum of 6 semester hours credit
Humanities	— a maximum of 6 semester hours credit

PROJECT ADVANCEMENT

Through Project Advancement, certain high school juniors and seniors from the Dayton area may attend classes at the University. The project has the three-fold purpose of introducing these students to the college atmosphere, allowing them to pursue subjects of their special interest beyond the levels available in high school, and providing them a means of earning college credit that can later be applied to degree programs.

Applicants are evaluated individually, and those found eligible are referred to departmental chairpersons for final approval and assignment to courses (usually at the freshman level). Interested students should call or write the Director of Admissions. Tuition costs are reduced for students enrolled in Project Advancement.

IV Financial Information

GENERAL POLICY

The tuition and fee charges of the University are set at the minimum permissible for financially responsible operation, and in general these charges are less than the actual costs incurred. Gifts and grants received through the generosity of industry, friends, and alumni help to bridge the difference between income and costs. The trustees of the University reserve the right to change the regulations concerning the adjustment of tuition and fees at any time the need arises and to make whatever changes in the curricula they may deem advisable.

Fees and tuition must be paid at the time of final registration for the term. All checks should be made payable to the UNIVERSITY OF DAYTON. The student's name and social security number should be shown on the face of each check to insure proper credit.

An assessment of \$20.00 will be made for payment of tuition and fees by a bad check and cancellation of the student's registration will result until proper payment is made of tuition, fees, and special assessment.

An assessment of \$5.00 will be made for passing other bad checks in any area at the University. This assessment is made each time a check is dishonored.

Registration for a new term, transcripts of credit, and honors of graduation will be permitted only for students whose University records are clear.

Under certain conditions, tuition reductions are granted to some unmarried children from the same family attending classes full time, simultaneously, and not on scholarship. Inquiries about such reductions should be made through the Office of Financial Aid in advance of each registration.

FULL-TIME AND ¾-TIME STUDENTS

A student with an academic schedule of at least 12 semester hours is considered a full-time student. A student with an academic schedule of 8-11 semester hours (8-12 for student teachers) is considered a ¾-time student. With this status and upon payment of the tuition and applicable fees, the student is entitled to the benefits of the various activities and student services as available.

PART-TIME STUDENTS

A student with an academic schedule of fewer than 8 semester hours is considered a part-time student and is not entitled to all the benefits of the various activities and student services.

SPECIAL STUDENTS

Special students and nonmatriculated students are subject to the various expenses outlined above for full-time, ¾-time, or part-time students.

CANCELLATION AND REFUNDS

If registration is cancelled prior to the first day of classes, full refunds will be made, with the exception of housing and admission deposits.

Cancellation must be in writing on the proper form, the withdrawal or “drop” form. For nonlocal students a letter to the appropriate dean may be used as notification of cancellation. Students who do not attend classes and do not officially complete withdrawal procedures during the cancellation period will be responsible for the full amount of the applicable tuition and fees.

During the four-week cancellation period for the first and second terms, the tuition and housing charges will be made according to the following schedule:

During first week of classes	20%
During second week of classes	40%
During third week of classes	60%
During fourth week of classes	75%
During or after fifth week of classes	100%

During the two-week cancellation period for each session of the split third term, the tuition and housing charges will be made according to the following schedule:

During first week of classes	35%
During second week of classes	70%
During or after third week of classes	100%

Financial adjustments for tuition are based on the date the drop (withdrawal) form is finalized in registration.

Financial adjustments for housing are based on the date of checkout from housing, if applicable.

After classes have begun, the special course fees are not refundable, nor is the University fee for student activities.

All tuition refund requests and appeals must be in writing and directed to the attention of Byron D. Shiner, Bursar.

RESIDENCE FACILITIES POLICY

In accordance with University policy, all freshmen are required to live in University residence halls unless they are married, are 21 years of age or over, or are local residents living with their families.

Each student applying for a residence hall room must complete a housing contract card and send it along with a \$50.00 reservation deposit to the Bursar's Office. The housing contract covers both the fall and the winter terms of the academic year.

The applicant may cancel the contract prior to June 15 without penalty. From June 15 until August 1, the contract may be cancelled, but the applicant forfeits the \$50.00 reservation deposit. After August 1, the contract may not be cancelled by an applicant who attends the University during the fall term.

A student applying for January (winter term) admission may cancel the contract prior to December 1 without penalty. From December 1 until December 15 the contract may be cancelled, but the applicant forfeits the \$50.00 reservation deposit. After December 15 the contract may not be cancelled by an applicant who attends the University during the winter term.

Those students dropping all courses and checking out from housing during the first four weeks of school will be authorized refunds as stated above under "Cancellation and Refunds."

All students living in residence halls are required to observe University regulations in general as well as the specific regulations of each hall, and they will be held responsible for any damage done through their own negligence to the structure in which they are housed. The same conditions shall also hold for any loss or damage to the University grounds, fixtures, furnishings, or other property provided by the University for use by the students.

Students may reside in their rooms without additional charge during Thanksgiving and Easter vacations. All University residences are closed during the Christmas vacation period.

Five-day meal service (Monday-Friday—15 meals)	\$460.00
Seven-day meal service (Monday-Sunday—20 meals)	547.00
Luncheon ticket (Monday-Friday)	154.00

Freshman students living on campus are required to purchase either five-day or seven-day meal tickets. Other students may purchase meal tickets or make their own daily arrangements. (Meals are also available on weekends.)

SPECIAL PAYMENT PLANS

For those who prefer to budget annual school costs out of monthly income, the following methods of payment are authorized. These methods will still allow full payment at the time of final registration.

Visa: Application and specific information about the Visa may be obtained at your local bank. The card may be used to meet all University collectable expenses within the credit limits for that card.

Master Card: Application and specific information about the Master Card may be obtained at your local bank. The card may be used to meet all University collectable expenses within the credit limits for that card.

The Tuition Plan, Inc.: The family may borrow that part of the college expenses they feel necessary and distribute the payments over a period of months. This loan program has conventional interest rates. Correspondence related to this plan should be directed to the Financial Administrator, NDSL Program, University of Dayton.

Monthly Prepayment: The family may elect to make monthly payments, interest free, sufficiently in advance of registration to cover all or part of the annual fees over an extended period in equal installments. Correspondence related to this plan should be directed to the Financial Administrator, NDSL Program, University of Dayton. This plan is administered through Academic Management Services, Inc.

EXPENSES

The University of Dayton operates on a "split third-term calendar." Tuition and fees for full-time students during the 1981-82 academic year (fall and winter terms) will total about \$3,390. Room and board on campus for this period would be approximately \$1,994. Books and supplies will cost approximately \$150 each term. In addition, the student will need funds to satisfy personal expenses and extra meals on the weekends.

Expenses for commuting students will include tuition, supplies, and miscellaneous living costs. Transportation to and from the University as well as lunches should be considered in the budget.

FINANCIAL AID POLICY

The University of Dayton desires to assist all qualified students who seek financial assistance in order to continue their education. In an effort to meet this goal, the University has established a complete and sound financial aid program, which includes scholarships, loans, grants, tuition reductions, and part-time employment.

The allocation of financial assistance is closely related to the student's demonstrated financial eligibility. Financial eligibility is the difference between the expense of attending college and the financial resources available to the student to meet expenses. It is basic policy of every college to expect that the parents will make a reasonable effort to assist with the student's college expenses from the family's resources. The student is also expected to make a contribution from savings and employment.

To assure the most equitable distribution of financial assistance, the University of Dayton uses the financial need analysis information provided by the family on the Financial Aid Form. The Financial Aid Form may be obtained from the high school counselor or from the Financial Aid Office at the University of Dayton and is to be sent, by the family, to the College Scholarship Service. The family's expected contribution to educational expenses is determined by considering their resources and factors influencing the use of these resources—number of dependents, current educational expenses of other family members, unusual medical expenses, retirement needs, and other special problems that deserve consideration.

Financial assistance from the University of Dayton must be viewed as supplemental to all other resources (parents' expected contribution, percentage of student's savings, student's summer earnings, state scholarships, state guaranteed loans, private scholarships, etc.) to meet the expenses of attending the University of Dayton. Financial aid awards are tailored to meet the student's particular eligibility for assistance. Eligibility and interest of the applicant determine the type of assistance offered. If possible, applicants and their parents should arrange to meet with a representative of the Financial Aid Office to discuss their particular circumstances so that the most appropriate assistance may be arranged.

All financial assistance, other than academic scholarships, is awarded for the academic year. A new application and a Financial Aid Form must be submitted each year for a student to be considered for loans, grants, or employment.

ACADEMIC SCHOLARSHIPS FOR ENTERING FRESHMEN

The President's Scholarship, the Dayton Area Scholarship, and the Marianist Scholarship were established to recognize excellent high school achievement by incoming freshman students. Applicants receive consideration for these scholarships on the basis of (1) high school academic performance; (2) SAT or ACT scores; (3) demonstrated service to school, community, and church; (4) evidenced leadership ability; and (5) citizenship. Each scholarship is renewable for eight consecutive undergraduate terms provided the recipient maintains at least a 3.0 (B) cumulative grade-point average and participates in University-sponsored extracurricular activities (other than social).

Application Procedure

This procedure is to be followed in applying for the President's Scholarship, the Dayton Area Scholarship, and the Marianist Scholarship.

1. Between September 15 and December 30 of your senior year in high school, request an application form from the Office of Scholarships and Financial Aid, University of Dayton, Dayton, Ohio 45469. Complete the application and return it to the Office of Scholarships and Financial Aid prior to January 15.
2. Arrange to take the Scholastic Aptitude Test (Mathematics and Verbal sections) or the American College Test no later than December. Indicate that your scores are to be sent to the University of Dayton. Scores made in earlier tests are also acceptable if your high school sends the results.
3. Obtain a Financial Aid Form from your high school principal or counselor, have your parents complete this form, and send it to the College Scholarship Service after January 1. Designate the University of Dayton as the recipient of the financial analysis. The Financial Aid Form is not a required part of the scholarship application. Academic scholarships are awarded on the basis of academic achievement; however, the submission of the Financial Aid Form will enable the Office of Scholarships and Financial Aid to identify financial aid opportunities available to you in addition to the academic scholarship.

All forms—the application, the recommendation section, and the Financial Aid Form—should be completed as early as possible, but must be available to the University of Dayton Scholarship Committee by January 15.

Each scholarship applicant will be notified by March 13 of the decisions of the Scholarship Committee.

The President's Scholarships reward the academic excellence of high school seniors. Students in all curricula may apply for these scholarships, which range in monetary value from partial to full tuition for four years.

Dayton Area Scholarships are offered to top-ranking students in the greater Dayton area. Students in all curricula may apply for these scholarships, which range in monetary value from partial to full tuition for four years.

Marianist Scholarships are offered to top-ranking students attending Marianist high schools in designated areas. Students in all curricula may apply for these scholarships, which range in monetary value from partial to full tuition for four years.

ACADEMIC SCHOLARSHIPS FOR RETURNING STUDENTS

Students in full-time attendance who have completed at least 12 semester hours on campus at the University of Dayton are eligible to apply for Upperclass Scholarships. The Upperclass Scholarship Program at the University of Dayton was established to reward upperclass students for outstanding academic achievement and to recognize service to the University. Recipients are selected on the basis of academic accomplishments, leadership, demonstrated service to the University, and the strength of the recommendations of faculty and staff members. Each year approximately fifty students are chosen to receive these scholarships, which are awarded for a period of one academic year and range from \$500 to \$1,000.

Application Procedure

Upperclass scholarship applications are available in the Financial Aid Office, Room 221, St. Mary's Hall, during the period of February 1 through March 15 each year.

The application and two recommendations must be in the Financial Aid Office by March 15.

Each scholarship applicant will be notified by May 15 of the result of the Upperclass Scholarship application.

OTHER SCHOLARSHIP OPPORTUNITIES

Athletic Scholarships: The University of Dayton offers scholarships in some men's and women's intercollegiate sports to students who have demonstrated special athletic and academic promise. Recommendations for scholarship awards are made to the scholarship committee by the coach who has the responsibility for administering the particular sport. Correspondence should be directed to the head coach of the sport in which the applicant is interested.

ROTC Scholarships: U.S. Army ROTC financial assistance scholarships are awarded to outstanding ROTC cadets in all four academic years. They include all costs for tuition, fees, books, and supplies. Interested students should contact the Military Science Department for further information.

Additional Scholarships Administered by the University of Dayton: The University is authorized to select students as nominees for scholarships offered by certain corporations, business firms, service groups, and friends of the university.

APPLYING FOR GRANTS AND OTHER FINANCIAL AID

Application forms for grants, tuition reductions, loans, and employment may be obtained from the Office of Scholarships and Financial Aid, University of Dayton, Dayton, Ohio 45469. The following procedure must be completed each academic year:

Financial Information

1. Submit an application to the Office of Scholarships and Financial Aid. Priority is given to those applications received before April 30 for the following year.
2. File a Financial Aid Form with the College Scholarship Service. (Forms may be obtained from the high school counselor or from the U.D. Financial Aid Office upon request.) Be sure to designate the University of Dayton as the recipient of the financial analysis.

GRANTS

Basic Educational Opportunity Grant (Pell Grants—Federal): The Basic Educational Opportunity Grant Program (Pell Grants) makes funds available to eligible students attending post-high school institutions. The applicant must complete a Financial Aid Form or Basic Grant Application. You may get these forms from post-secondary educational institutions, high schools, post offices, colleges, Talent Search, and Upward Bound projects. Send the completed form to Basic Grants, P. O. Box 92781, Los Angeles, California 90009. Within four weeks, you will receive a Student Eligibility Report. Submit the report to the Financial Aid Office at the University of Dayton, which will calculate the amount of the Basic Grant you are eligible to receive. The amount will be based on the expected family contribution, the cost of attendance at the school, and a payment schedule issued to all approved educational institutions by the U.S. Department of Education.

Supplemental Educational Opportunity Grants (Federal): These federally supported, University-administered grants are provided to undergraduate students who have financial need. Eligibility for the grant and the stipend is governed by the rules and regulations of the United States Department of Education. The student must also receive assistance from certain other sources, in an amount at least as great as the amount of the grant. The value of this grant ranges from \$200 to \$2,000 per year. The completion of an application for student aid assures the applicant of consideration for this type of assistance.

Ohio Instructional Grants (State) are intended to assist Ohio residents to attend institutions of higher education within the state of Ohio. Awards are made on the basis of gross family income and not on the basis of academic performance. They presently range from \$320 to \$2,070 for students at private colleges and universities (such as the University of Dayton). Each recipient of the Ohio Instructional Grant must (1) be a resident of Ohio, (2) be enrolled or accepted for enrollment as a full-time undergraduate student in an Ohio institution of higher education, (3) be making "appropriate progress" toward an associate or bachelor's degree, and (4) meet the financial guidelines established by the Ohio Board of Regents. Students enrolled in courses of study leading to degrees in theology, religion, or other fields of preparation for a religious profession are not eligible. An application packet may be obtained from the high school counselor or the Financial Aid Office at the University of Dayton. It is strongly recommended that the student arrange an interview with the Financial Aid Office so that the application can be discussed and tentative eligibility be determined.

Tuition Remission Grants (University): The University of Dayton offers non-repayable grants to students with demonstrated financial need who are not receiving nonrepayable assistance from another source. The University assumes that the student will provide self-help in the form of loans and school-year employment for 75% of the need, or \$2,300, whichever is less. The Remission Grant or nonrepayable assistance from other sources will cover the remainder of the demonstrated need. The maximum Remission Grant is \$1,000.

University of Dayton Grant: The University has funds available which are reserved for students in extreme or exceptional financial need. Grants of this nature are usually included in the package of assistance arranged by the Financial Aid Office. Although recipients are not required to repay these grants, they should, when they achieve sufficient financial status, accept the obligation of reimbursing the University so that other deserving students may stay in school.

Dayton Area Grant: Graduates of local high schools who are not eligible for other forms of nonrepayable grants may be eligible for the Dayton Area Grant. The grant stipend is \$700 per academic year.

The John Westendorf Educational Fund was established to assist deserving students who have graduated from Dayton high schools. The Director of Financial Aid will use funds from this source to supplement other financial assistance offered to such students. Each graduate of a Dayton high school who applies for financial assistance will be considered. The parents' and the student's responsibility to finance an education will be considered, and when unusual circumstances prevail, the Director of Financial Aid may utilize funds from the John Westendorf Educational Fund to assist those deemed worthy. A student receiving assistance from this fund is expected to achieve a 2.0 cumulative grade point average and participate in at least one extracurricular activity. Renewal of this grant will be at the discretion of the Director of Financial Aid.

LOANS

National Direct Student Loans are available to those applicants who have demonstrated need for assistance to pay the actual costs of attending school. A student is eligible to borrow only that amount which is needed to supplement other resources to meet expenses. The maximum loan for undergraduates is \$3,000 for the first two years of undergraduate work and \$6,000 total. The recipient enters the repayment cycle six months after ceasing to carry at least half the normal full-time academic load. When the recipient enters the repayment cycle, a four percent simple interest charge is included. Recipients who teach economically, emotionally, mentally, or physically handicapped children may receive cancellations of the loan. Other cancellation privileges are available.

Financial Information

Guaranteed Loans: The Federal Government, in cooperation with state agencies, private nonprofit agencies, and participating lenders, has designed a loan program to enable students to borrow from commercial sources such as banks, savings and loan associations, and credit unions at a low interest rate. Banks and other lending institutions make these loans directly to the students, and they are repaid directly. The size of the loan depends on the state policies. Anyone who has difficulty in locating a cooperative lending institution may contact the Financial Aid Office, which will assist in locating a source for the loan.

United Student Aid Funds Loan: These loans have provisions and terms similar to those of the guaranteed loans. Students who have been accepted for enrollment or are currently enrolled in good standing are eligible. The provisions and terms are the same as those of the Guaranteed Loan Program. A student interested in this program should secure an application from the Financial Aid Office.

Emergency Loans are available to students who encounter unexpected financial problems during the year. The student has a one-year repayment period. No interest is charged on these loans, which are, however, contingent upon sufficient funds.

TUITION REDUCTIONS

The University of Dayton awards tuition reductions to qualified, full-time undergraduate students in good standing. No student or family is eligible to benefit from more than one of these reductions at the same time. The reductions are not automatic. A student must complete an application each academic year in the Office of Financial Aid. It is preferred that the student make application by April 30 for the following academic year.

Sibling Reduction: A reduction of \$200 per term is available to families who are supporting two unmarried dependents simultaneously at the University of Dayton. The recipient and the sibling must be attending as full-time undergraduate students. The third member of the same family and each additional member in attendance shall be eligible for a 50% reduction in tuition.

Employee Reductions: Unmarried dependent children and the spouses of full-time employees, as well as the employees themselves, are eligible for tuition reductions for both undergraduate and graduate courses.

Guests Over 60: Students over 60 years of age are eligible to apply to the Office of Continuing Education at the University of Dayton for remission of tuition.

EMPLOYMENT

The College Work-Study Program, federally supported, provides on-campus and off-campus work opportunities for full-time to half-time students who request employment and demonstrate financial need for employment to meet educational

expenses. Such a student may work up to 15 hours per week during the school term and will receive payroll checks semi-monthly for these services. When possible, a student will be employed by the University in a job related to his or her educational objectives.

Institutional Employment opportunities for students who do not qualify for the College Work-Study Program are available through the Student Employment Coordinator, Room 215, St. Mary's Hall. Interested students should acquire Student Employment Referral Cards from the Financial Aid Office prior to requesting job interviews. Interviews should be scheduled as soon as the student knows what his or her class schedule will be for the period of employment.

Cooperative Education, "the co-op system," allows students to alternate terms of on-campus study and terms of off-campus work at jobs related to their academic concentrations. Several departments at the University of Dayton participate. See Chapter X, Cooperative Education.

ADDITIONAL OPPORTUNITIES

G.I. Bill: To be eligible for benefits under the G.I. Bill, any veteran of the Army, Navy, Marine Corps, Air Force, or Coast Guard must have served continuously on active duty for at least 181 days ending after January 31, 1955, and have received an honorable discharge. A veteran whose active duty was ended by a service-connected disability need not meet the 181-day requirement. Persons still in the service are eligible if they have had at least two years of active duty. Applications may be obtained from any Veterans Administration Office or the Veterans' Affairs Office.

Junior G.I. Bill: Educational opportunities are available to children of veterans who died or were permanently and totally disabled in or as the result of service in the Armed Forces of the United States during specified time periods. Application must be filed with the Veterans Administration by a parent or guardian.

The U.S. Army Education Program (Project Ahead) is an opportunity to accumulate academic credit from the University of Dayton while serving in the U. S. Army. When the tour of duty is over, degree requirements are completed at the University. Anyone who meets the entrance requirements of the University of Dayton and who is enlisting in or is enlisted in the U. S. Army is eligible. Application blanks are available in the Admissions Office.

Vocational Rehabilitation: State vocational rehabilitation agencies arrange the training of handicapped persons for gainful employment. Requests for information on rehabilitation services should be directed to the State Director, Vocational Rehabilitation Agency, the State Capitol.

Social Security: Sons and daughters of retired, disabled, or deceased workers may be eligible for Social Security benefits up to the age of 22 if they are unmarried, full-time students. Information pertaining to eligibility and procedure may be obtained from the Social Security Office serving the student's own community.

Financial Information

The U.S. Army Reserve Officers Training Corps (ROTC) program is offered on campus by the Department of Military Science. All students who complete the basic course (freshman and sophomore years) may enroll in the advanced course (junior and senior years), leading to a reserve commission in the Army at the time of graduation. During the advanced course, the student who has agreed to accept the commission and serve two years' active duty receives \$100 a month subsistence. For further information, see MIL, Chapter VI.

Ohio National Guard Tuition Grant: The Ohio National Guard offers a tuition grant to eligible members. This grant pays partial tuition for those members enrolled as full-time students. The grant is limited to undergraduate studies only. For further information and application forms contact your local Ohio National Guard Armory.

V Academic Regulations

REQUIREMENTS FOR DEGREES

All bachelor's degrees granted by the University of Dayton require a minimum of one hundred and twenty semester hours of credit.

Requirements for the various degrees are listed under the schools granting the degrees.

One year (thirty semester hours) of residence is a minimum requirement for any bachelor's degree.

The semester hour is the unit by which the University measures its course work, and the number of semester hours is determined by the number of hours a week in class and the number of weeks in the session. One semester hour is assigned to a class which meets fifty minutes a week over the period of one term.

Students enrolled in the University as candidates for degrees should not take courses at other colleges or universities without first obtaining written permission from their respective deans. If the permission is granted, the dean will request "transient status" for such students at designated institutions. The University reserves the right not to accept credits for such courses when this procedure has not been followed.

The Bachelor of Science in Education may be awarded to holders of non-professional degrees from the University of Dayton with the completion of a minimum of thirty semester hours prescribed by the School of Education beyond the requirements of the nonprofessional degree. The Bachelor of Arts or Bachelor of Science may be awarded to holders of professional degrees from the University of Dayton upon the completion of the requirements for such degrees. Any student wishing to obtain a second bachelor's degree may do so by completing the requirements for the second degree as determined by the faculty of the college or school in which this degree is offered. For a second associate degree, a minimum of twenty-four semester hours (plus prerequisites) is required in the area of specialization.

For a student who earned a first bachelor's degree or a first associate degree at another institution, six semester hours of credit for philosophy and/or religious studies courses are required, if these had not been earned as a part of the program leading to the first degree.

GENERAL CURRICULUM REQUIREMENTS

The University desires that every student develop a thorough knowledge in at least one field of study and that, in addition, each student be introduced to the humanistic, cultural, scientific, and aesthetic areas, at least one of which, outside the field of specialization, should be studied in some depth. Above all, the University endeavors to give all areas of student development a philosophical

Academic Regulations

and theological dimension. Although courses play the crucial part in the accomplishments of these aims, out-of-class contact with the faculty and fellow students, various activities, and the general University atmosphere likewise make important contributions.

All students following four-year programs are required to complete successfully certain general University requirements, in communication skills, English, philosophy, and religious studies.

INDEPENDENT STUDY AND HONORS COURSES

To facilitate development of each student to the fullest capacity, the University offers a variety of honors courses and the opportunity to follow an independent study program. Interested students should seek further information in the office of the appropriate department chairperson.

GRADES AND SCHOLARSHIP

Final grades are submitted at the end of the term, and these are made part of a student's permanent record in accord with the option chosen by the student. Copies of these reports are given to the students and deans. A progress report of every freshman in each of the classes is submitted to the Registrar by every instructor at the middle of each term.

Undergraduate students are permitted a selection from two alternative grading options. The course grading options are as follows:

Option 1—A, B, C, D, F

Option 2—S/NC—Satisfactory (A, B, C)/No Credit (D, F)

A student must take at least seventy-five per cent (75%) of the semester hours in the degree program under option 1, subject to further restrictions set by the college, the professional school, or the department in which he or she is a major, and excepting special programs at the discretion of the deans. NOTE: Studies have shown that Satisfactory/No Credit grades (option 2) on one's academic record may be a negative factor in the evaluation of application for transfer to some undergraduate schools, for admission to most professional schools (law, medicine, etc.) and many graduate schools, and for employment in some fields.

The official marks with their meanings and quality point values are as follows:

- A — Excellent; for each semester hour, four quality points are allowed.
- B — Good; for each semester hour, three quality points are allowed.
- C — Fair; for each semester hour, two quality points are allowed.
- D — Poor but passing; for each semester hour, one quality point is allowed.
- F — Failed. This mark indicates poor scholastic work, or failure to report withdrawal from a course. In such cases, required courses must be repeated, preferably at the next opportunity. A student may not take the course a third time unless at the time of the second failure he or she has a cumulative point average of 2.5 or higher. Under no circumstances will any student be permitted to take a course a fourth time.
- S — Satisfactory. This mark indicates credit given for a course taken under grading option 2, C or above. The S credit shall be counted as hours only and shall not be considered in determining a student's cumulative point average.

- NC—No Credit. This mark indicates no credit given for a course taken under grading option 2, below C. In such cases, required courses must be retaken, preferably at the next opportunity. The student may not take the course a third time unless at the time of the second failure he or she has a cumulative point average of 2.5 or higher. Under no circumstances will any student be permitted to take a course a fourth time.
- I — Incomplete. This grade indicates that the student has obtained the instructor's recommendation, subject to the chairperson's approval, to complete some portion of the work of the term that for reasons beyond the student's control was not completed before the end of the term, provided that the rest of the work has been of satisfactory grade. An I must be removed within thirty days from the date listed on the grade report, or it will be changed to an F or NC (option 2) on the student's permanent record. The time limit may be extended under exceptional circumstances, with the approval of the dean, if application for the extension is made within the thirty-day period noted.
- W — Withdrawn. During the first three weeks of a full term (or the first eight class days of a split term) a student may withdraw from a class without record by obtaining a drop (withdrawal) form from the Registration Office, having it signed by the academic advisor, and processing it. Beginning with the fourth week of the term and continuing through the fourth week after mid-term (or the ninth class day of a split term and continuing through the fourth week of the split term), a student may withdraw with a W by the same process, except that the drop form must have the approval signature of the instructor as well as that of the advisor. For the remainder of the term, until the last day of classes, a student may withdraw with a W only by making a formal request to the dean, who consults with the student's instructor before granting such a request. During this period a W will be permitted only for special nonacademic reasons, which include, but are not limited to, poor personal health, financial difficulties, family matters of health, and change in career objectives. When a student finds it necessary to withdraw from the University, for any reason whatsoever, it is important that the dean be notified immediately. Financial adjustments, if allowed, will be made only from the date on the withdrawal form. Total withdrawal from all classes requires the processing of the drop form. This requires two signatures—the Dean and the Vice President for Student Development, or the designated authority for that signature. It is the student's responsibility to initiate and process all withdrawals; the faculty do not initiate withdrawals for students except for auditors. See X below. In addition, the student is urged to process the withdrawal as soon as possible after deciding to drop a course. Students cannot assume that a withdrawal is granted automatically if they stop attending class. Any failure to process the drop (withdrawal) form will incur a grade of F for the course or courses involved. The F's so accumulated are always included in the cumulative point average.
- P — In Progress. This symbol is used in lieu of a grade for a course which has not terminated at the end of a term or summer session. A grade with corresponding credit and quality points (see grading options 1 and 2) will be assigned when the course has been completed.

Academic Regulations

- N — No grade was reported by the instructor.
- K — Credit. This mark is used only for credits accepted as transfer credit from other institutions. No quality points are allowed.
- X — Audit. This mark indicates that the student has registered to audit the course. No credit hours or quality points are awarded for this mark. Any course taken for audit may not be retaken for credit. If, in the opinion of the instructor, a student has not attended and participated in a sufficient number of classes, the instructor will assign a W.
- Em — Examination. This mark indicates University of Dayton credit given to a student on the basis either of the Advanced Placement Program of the CEEB or of examinations taken prior to or after admission to the University. The required level of achievement on these examinations is determined by the department in which the course is taught. This credit shall be assigned only on authorization of the dean of the school or college in which the student is registered. No quality points are allowed. A student must be registered at the University of Dayton to obtain credit. Em credit is limited to 24 semester hours (exclusive of CLEP General Examination credits).

NO GRADE CHANGE OF ANY KIND IS PERMITTED AFTER THIRTY DAYS FROM THE DATE LISTED ON THE GRADE REPORT.

The University reserves the right to change the grading system.

GRADE POINT AVERAGES

The SEMESTER GRADE POINT AVERAGE is the total number of quality points divided by the number of semester credit hours carried by the student under option 1.

The CUMULATIVE GRADE POINT AVERAGE is computed from the semester grade point averages. If a course is repeated, the grade points for both the original grade and the new grade are computed. Marks of I, K, N, P, S, W, X, NC, and Em are disregarded in the computation of the CGPA, but a course for which an F is received is included in the usual manner.

ACADEMIC STANDING

The student's academic standing is determined by the cumulative grade point average at the end of each term.

1. To be in good academic standing, a student must have a cumulative grade point average of (a) at least 1.7 at the end of the first and second terms, (b) at least 1.8 at the end of the third term, (c) at least 1.9 at the end of the fourth term, and (d) at least 2.0 at the end of the fifth and succeeding terms. A block of 12 semester hours of credit is considered one term for students who attend on a part-time basis. A cumulative grade point average of at least 2.0 is required for graduation.

2. Any student who has a term point average of less than 1.0, regardless of cumulative grade point average, will be dismissed. The Registrar's Office will post the statement "Academic Dismissal" on the student's permanent record.

3. A cumulative grade point average below the one required will place the student on academic probation. The student's academic dean will notify the student of his or her probationary status. A student on probation must follow a restricted academic program not to exceed 15 semester hours.

4. It is the responsibility of any student not in good standing (on probation) to complete an academic contract with the dean for the purpose of determining the nature and the limitations of the student's future activities.

HONORS

1. To be eligible for consideration for honors graduation, students must have completed seventy-five per cent (75%) of the semester hours taken at the University of Dayton under the standard grading option, option 1 (A, B, C, D, F).

2. To be graduated with honors, a student must have a cumulative point average at the end of the seventh and/or eighth term at the University of 3.5 or higher, based on 4.0

3. If a student qualifies for honors or moves into a higher category of honors on the basis of his or her graduation cumulative grade point average, mention will be made at the commencement exercises, notation will be made on the transcript and permanent record, and an appropriate honors key will be awarded belatedly.

4. A transfer student who has fulfilled the University's minimum residence requirements is eligible for honors, provided that all grades received at previous institutions and grades received at U.D. result in a cumulative grade point average of 3.5 or higher based on 4.0 and the student has met all the other requirements stated in this policy. The category of honors will be determined by (a) the combined cumulative grade point average, if the average for U.D. courses is higher than the combined average, or (b) the U.D. cumulative grade point average, if the combined cumulative grade point average is higher than the U.D. average. That is, transfer students will not be given honors at a level higher than the U.D. grade average.

5. The notation of honors is made in the commencement program, on the diploma, on the student's permanent record, and on the transcript, as follows: Cum Laude—if the cumulative point average is between 3.5 and 3.69; Magna Cum Laude—if the cumulative point average is between 3.7 and 3.89; Summa Cum Laude—if the cumulative point average is between 3.9 and 4.0.

6. Any exceptions to this procedure are the decision of the provost.

CLASS ATTENDANCE

It is desirable for students to attend all classes. Listening to the lectures of instructors and being involved in classroom discussions should (1) provide guidelines and goals in the course of study, thus lending direction to the study activities of the student; (2) provide instances of the way of thinking and methodology employed by an academic discipline in formulating and solving problems; (3) stimulate an awareness of and interest in the course topics beyond the levels acquired by textbook reading. Because textbook material is generally beneath the level of the current state of knowledge, instructors acquaint the student with new ideas and integrate this material into the course topics.

Academic Regulations

Policy

For the above reasons, students are expected to attend all classes. It is felt that upperclassmen, i.e., sophomores, juniors, and seniors, can be relied upon to display sufficient maturity to assume this responsibility. Let it be noted, however, that to insure the accuracy of records, every student must be present at classes during the first week of each term.

Students are responsible for being aware of the proceedings and material covered in each class period. Students must attend all announced tests and submit assigned written work on the date set by the instructor; it is recommended that the instructor announce such tests and assignments at least a week in advance. The action taken as a consequence of missing a test or an assignment will be determined by the instructor and will be based on a consideration of the individual circumstances involved.

To assist freshmen in their transition to college responsibilities, it is felt that a policy of compulsory attendance is necessary. Therefore, freshmen will be permitted only a limited number of absences. For freshmen, the allowable number of absences in the first term or in the second term will be equal to twice the number of class meetings per week, i.e., six absences for a class meeting three times a week (or four class days in any third-term session). A student exceeding this number will not be permitted to continue in the class unless presenting justifiable reasons for the absences to the Attendance Appeals Committee. Any student who has not accrued 30 semester hours of credit is considered a freshman.

The handling of tardiness is left to the discretion of the instructor.
