## 1998-99 ACADEMIC CALENDAR

### FIRST TERM

Sun, Aug 2	Summer Diploma Exercises
Thu, Aug 20	New Faculty Orientation
Sat-Tue, Aug 22-25	New Student Orientation
Tue, Aug 25	Last day to complete registration
Tue, Aug 25	New Student Convocation at 9:00 a.m.
Wed, Aug 26	Classes begin at 8:00 a.m.
Thu, Sep 3	Last day for late registration, change of grading options and schedules
Fri, Sep 4	General Faculty Meeting at 3:00 p.m.
Mon, Sep 7	Labor Day — no classes
Tue, Sep 8	Last day to change second session and full Third Term grades
Wed, Sep 16	Last day to withdraw without record
Tue, Sep 29	Last day to submit candidacy for graduation in December
Mon, Oct 12	Columbus Day — no classes except those held Monday only
Fri, Oct 16	First-year students' midterm progress grades due in Registrar's Office by 4:00 p.m.
Wed, Oct 21	Winter 1998-99 registration begins
Fri, Nov 13	Last day to withdraw with record of W — no registration
Fri, Nov 20	Faculty Meeting: Budget plans at 3:00 p.m.
Tue, Nov 24	Thanksgiving recess begins after last evening class
Sat, Nov 28	Saturday classes meet
Mon, Nov 30	All classes resume
Tue, Dec 1	Last class for Tuesday classes that meet once per week
Mon, Dec 7	Last class for Monday classes that meet once per week
Tue, Dec 8	Faculty Development Day
Wed, Dec 9	Last class for Wednesday classes that meet once per week
Wed, Dec 9	Last class for all classes that meet on both Monday and Wednesday
Thu, Dec 10	Last class for Thursday classes that meet once per week
Thu, Dec 10	Last class for all classes that meet on both Tuesday and Thursday
Fri, Dec 11	Last class for all classes that meet on Monday, Wednesday, and Friday
Sat, Dec 12	Examinations for Saturday classes
Mon-Fri, Dec 14-18	Examinations
Wed, Dec 16	Senior grades due at noon
Fri, Dec 18	First Term ends after final examinations
Sat, Dec 19	Diploma Exercises at 10:00 a.m.
Mon, Dec 21	Grades due in Registrar's Office at 9:00 a.m.
	Deficiency slips due in Deans' Offices
Wed, Dec 23	Grades ready
Fri, Jan 29	Last day to change First Term grades

### SECOND TERM

Wed, Dec 30	Last day to complete registration
Mon, Jan 4	Classes begin at 8:00 a.m.
Tue, Jan 12	Last day for late registration, change of grading options and schedules
Mon, Jan 18	Martin Luther King, Jr. Day — no classes
Fri, Jan 22	Faculty Meeting: Budget decisions at 3:00 p.m.
Mon, Jan 25	Last day to withdraw without record
Fri, Jan 29	Last day to change First Term grades
Fri, Feb 5	Last day to submit candidacy for graduation in May
Wed, Feb 24	First-year students' midterm progress grades due in Registrar's Office by 4:00 p.m.
Sat, Feb 27	Mid-term break begins after last class — Saturday classes meet
Sat, Mar 6	Saturday classes meet
Mon, Mar 8	Classes resume at 8:00 a.m.
Tue, Mar 9	Bro. Joseph Stander Symposium
Wed, Mar 10	Bro. Joseph Stander Symposium
Tue, Mar 23	Summer 1998-99 registration begins
Wed, Mar 24	Last day to withdraw with record of W — no registration
Thu, Mar 25	Fall 1999-2000 registration begins

Wed, Mar 31	Easter recess begins after last class
Mon, Apr 5	Monday only classes held 4:30 p.m. and after meet
Tue, Apr 6	Classes resume at 8:00 a.m.
Fri, Apr 9	General Faculty Meeting at 3:00 p.m.
Tue, Apr 20	Last class for Tuesday classes that meet once per week
Wed, Apr 21	Last class for Wednesday classes that meet once per week
Mon, Apr 26	Last class for Monday classes that meet once per week
Tue, Apr 27	Last class for all classes that meet on both Tuesday and Thursday
Wed, Apr 28	Last class for all classes that meet on both Monday and Wednesday
Wed, Apr 28	Last class for all classes that meet on Monday, Wednesday, and Friday
Thu, Apr 29	Last day of classes
Fri, Apr 30	Study Day
Sat-Fri, May 1-7	Examinations—Second Term ends after final examinations
Wed, May 5	Senior grades due at noon
Sun, May 9	Commencement Exercises at 10:00 a.m.
Mon, May 10	Grades due in Registrar's Office at 9:00 a.m.
	Deficiency slips due in Deans' Offices
Thu, May 13	Grades ready
Fri, Jun 11	Last day to change Second Term grades

### THIRD TERM—FIRST SESSION

Fri, May 14	Last day to complete registration
Sat, May 15	Saturday classes begin
Mon, May 17	Classes begin at 8:00 a.m.
Thu, May 20	Last day for late registration, change of grading options and schedules
Wed, May 26	Last day to withdraw without record from first session courses
Mon, May 31	Memorial Day—no classes
Fri, Jun 11	Last day to change Second Term grades
Mon, Jun 14	Last day to withdraw with record of W from first session courses
Thu, June 24	Last day of classes
Fri-Sat, Jun 25-26	Examinations—Full Third Term classes do not meet
Sat, Jun 26	First session ends after final examinations
Tue, Jun 29	Grades due in Registrar's Office at 9:00 a.m.
	Deficiency slips due in Deans' Offices
Fri, Jul 2	Grades ready
Fri, Jul 2	Last day to submit candidacy for graduation in August
Thu, Jul 8	Last day to withdraw without record from full Third Term courses
Mon, Aug 2	Last day to change first session grades

### THIRD TERM—SECOND SESSION

Fri, Jun 25	Last day to complete registration
Sat, Jun 26	Saturday classes begin
Mon, Jun 28	Classes begin at 8:00 a.m.
Thu, Jul 1	Last day for late registration, change of grading options and schedules
Fri, Jul 2	Last day to submit candidacy for graduation in August
Mon, Jul 5	Independence Day observed — no classes
Thu, Jul 8	Last day to withdraw without record from second session and full Third Term courses
Thu, Jul 22	Last day to withdraw with record of W from second session and full Third Term courses
Mon, Aug 2	Last day to change first session grades
Wed, Aug 4	Senior grades due at noon
Thu, Aug 5	Last day of classes
Fri-Sat, Aug 6-7	Examinations — Second session ends after final examinations
Sun, Aug 8	Diploma Exercises at 10:00 a.m.
Tue, Aug 10	Grades due in Registrar's Office at 9:00 a.m.
	Deficiency slips due in Deans' Offices
Fri, Aug 13	Grades ready
Tue, Sep 14	Last day to change second session and full Third Term grades

# 1999-2000 PROPOSED ACADEMIC CALENDAR

## FIRST TERM

Wed-Sat, Aug 18-21	New Student Orientation
Mon, Aug 23	Classes begin at 8:00 a.m.
Mon, Sep 6	Labor Day — no classes
Mon, Oct 11	Columbus Day — no classes
Tue, Nov 23	Thanksgiving recess begins after last class
Mon, Nov 29	Classes resume at 8:00 a.m.
Tue, Dec 7	Last day of classes
Wed, Dec 8	Feast of the Immaculate Conception — Christmas on Campus
Thu-Wed, Dec 9-15	Examinations
Sat, Dec 18	Diploma Exercises

## SECOND TERM

Mon, Jan 3	Classes begin at 8:00 a.m.
Mon, Jan 17	Martin Luther King, Jr. Day — no classes
Sat, Mar 11	Mid-term break begins after last class
Mon, Mar 20	Classes resume at 8:00 a.m.
Wed, Apr 19	Easter recess begins after last class
Tue, Apr 25	Classes resume at 8:00 a.m.
Thu, Apr 27	Last day of classes
Fri-Thu, Apr 28-May 4	Examinations
Sun., May 7	Commencement

## THIRD TERM— FIRST SESSION

Mon., May 15	Classes begin at 8:00 a.m.
Mon., May 29	Memorial Day — no classes
Thu., Jun 22	Last day of classes
Fri-Sat., Jun 23-24	Examinations

# I The University of Dayton

Founded in 1850

The University of Dayton is a private, coeducational school founded and directed by the Society of Mary (the Marianists), a Roman Catholic teaching order.<sup>1</sup> It is among the nation's largest Catholic institutions of higher learning. Aware of the richness of cultural diversity, representatives of many faiths are numbered among the University faculty and students. For the same reason, the University has consciously drawn its students and faculty not only from the immediate community and the midwest but from across the country and from numerous foreign countries.

The main campus of over a hundred landscaped acres, is on a hill overlooking the city of Dayton, Ohio. The campus is made up of a well integrated architectural mix of old and new buildings that are both attractive and well-equipped. The faculty are excellent scholars who pursue knowledge in its rich variety and fine instructors dedicated to student learning and educational excellence. The University enrolls students from diverse social, ethnic, and economic backgrounds who are capable of and committed to learning, leadership, and service.

A lively, friendly atmosphere; numerous and varied religious, cultural, and social opportunities; an early-semester calendar allowing a number of study-recess options; intercollegiate and intramural athletic programs for both men and women; academic options such as honors programs, independent study, and study abroad; academic, professional, and personal counseling; cooperative work-study plans; a placement service for students and graduates—these exemplify the myriad aspects of the character of the University of Dayton.

## MISSION

*The University of Dayton is a comprehensive Catholic university, a diverse community committed, in the Marianist tradition, to educating the whole person and to linking learning and scholarship with leadership and service.*

The University of Dayton is a comprehensive university committed to offering a broad range of programs in liberal arts, the sciences, and the professions at the undergraduate level, to providing selected programs on the graduate level to meet the needs of the community and region, and to sponsoring timely continuing education programs. As comprehensive, the University views learning and scholarship as a shared task of discovering, integrating, applying and communicating knowledge at the intersections of liberal and professional education, across the disciplines, and through combining theory with practice.

As Catholic, the University commits itself to a distinctive vision of learning and scholarship that includes: a common search for truth based on the belief that truth can be more fully known and is ultimately one; a respect for the dignity of each human person created in the image and likeness of God; and an appreciation that

---

<sup>1</sup>The Society of Mary, founded in France in 1817 by Father William Joseph Chaminade, presently conducts schools throughout the United States and in Africa, Canada, Europe, India, Japan, Korea, and Central and South America. The Society operates Chaminade University in Honolulu and St. Mary's University in San Antonio.

God is manifested sacramentally through creation and the ordinary things in life. Ultimately, a Catholic vision of the intellectual life is based upon the acceptance of the revelation of God in Jesus Christ as it has been received and handed on by the Church. This challenge calls for integration of the human and the divine, reason and faith, and promotes true understanding through a person's head and heart. The University welcomes persons of all faiths and persuasions to participate in open and reflective dialogue concerning truth and the ultimate meaning of life.

Founded in the Marianist tradition, the University is committed to a vision of a distinctive educational community. As Marianist, the University focuses on educating the whole person in and through a community that supports and challenges all who become a part of it. The University forms an educational community thriving on collaboration by people from diverse backgrounds with different skills who come together for common purposes. The University as Marianist challenges all its members to become servant-leaders who connect scholarship and learning with leadership and service.

This university community—comprehensive, Catholic and Marianist—exists not for itself, but to render service. The University creates an environment in which its members, working in a scholarly manner, are free to evaluate the strengths and weaknesses of their own work and the work of others. In partnership, through the Research Institute, Campus Ministry, as well as numerous student organizations, the University works with others to improve the human community.

## BRIEF HISTORY

In the summer of 1849, Father Leo Meyer and Brother Charles Schultz, the first Marianist missionaries to America, journeyed from Alsace to Cincinnati, where they intended to establish a base for the order in this country. But they arrived during an epidemic of cholera, and Bishop John Purcell of Cincinnati soon sent Father Meyer to Dayton, to minister to the sick of Emmanuel Parish. Here he met John Stuart, whose little daughter died of cholera the year before. Mr. Stuart wanted to sell his Dayton property and return with his wife to Europe. On March 19, 1850, the feast of St. Joseph, Father Meyer purchased Dewberry Farm from him and renamed it Nazareth. Mr. Stuart accepted a medal of St. Joseph and a promise of \$12,000 at 6% interest in return for 125 acres, including vineyards, orchards, a mansion, and various farm buildings. Meanwhile, more Marianists arrived, and Nazareth became the first permanent foundation of the Society of Mary in the western hemisphere.

The University of Dayton had its earliest beginnings on July 1, 1850, when St. Mary's School for Boys, a frame building that not long before had housed farm hands, opened its door to fourteen primary students from Dayton. In September, the classes moved to the mansion, and the first boarding students arrived. Father Meyer was administrator, Brother Maximin Zehler was teacher, Brother Schultz was cook, and Brother Andrew Edel was farmer-gardener.

Five years later the school burned to the ground, but within a year classes resumed. By 1860, when Brother Zehler became president, enrollment approached one hundred. The Civil War had little direct effect on the school; most of the students were too young to serve. St. Mary's grew; college preparatory courses were started in 1861; then came a novitiate and a normal school for Marianist candidates. An old history refers to the period of 1860-75 as "the brick-and-mortar years." The Chapel of the Immaculate Conception was completed in 1869. In 1870, visitors marveled at new St. Mary's Hall, the largest building in Dayton, and called it "Zehler's Folly." The new "college department" moved into it in 1871. (St. Mary's Hall is now listed in the National Register of Historic Places.)

In 1882, the institution was incorporated and empowered to confer collegiate degrees under the laws of the State of Ohio. In 1883, another devastating fire visited the campus, but this time some of the buildings were saved. The statue now known as Our Lady of the Pines was erected in gratitude, and the following year St. Joseph's Hall was built, symbolizing the renewed confidence of the Dayton Marianists. In a more famous emergency, the school was spared by water as it had not been by fire. Because of its hillside location, it survived the Great Flood of 1913 untouched and was able to give shelter to 600 refugees.

St. Mary's had reorganized in 1902 into four departments—classical, scientific, academic, and preparatory. In 1905 it added the Commercial Department, which would become the Department of Commerce and Finance in 1921, the Division of Business Organization in 1924, and ultimately the School of Business Administration. Four engineering departments, appearing from 1909 to 1920, were to become the Engineering Division. In 1915, the Marianist training program (novitiate and normal school) was moved to Mount St. John's (now Bergamo Center).

Known at various times as St. Mary's School, St. Mary's Institute, and St. Mary's College, the school assumed its present identity in 1920, when it incorporated as the University of Dayton. The same year, the elementary division was closed, the Division of Education was organized, and the University started its tradition of evening and Saturday classes, to serve the adult members of the surrounding community. In 1922, the College of Law opened, also with evening classes. Other graduate programs followed, to augment the professional degree programs which distinguished the University from many of Ohio's other independent institutions of higher learning. In 1923, the first summer session was held; its classes, like those of the law college were open to women as well as men.

The 1930s, with the Great Depression, were in many ways a time of retrenchment for the University of Dayton as for most other American schools. But the Dayton Marianists had survived cholera, smallpox, and influenza, wars, fire and flood, and (in 1924) a Ku-Klux-Klan cross-burning on the campus. In 1935, even as the University turned its preparatory school functions over to Chaminade High School and graduated what was to be its last class in law for almost forty years, it inaugurated a college for women, with sisters of Notre Dame in charge of twenty-seven entering female students. Two years later, the college for women closed; all divisions opened to women, and the University became fully co-educational.

Enrollment had passed a thousand when World War II broke out. By 1950, with the return of the veterans, it was more than 3,500. In 1967, it was over 10,000. But then, with the expansion of a community college and the establishment of a state university nearby, enrollment declined, and the resulting retrenchment was exacerbated by rising inflation and the energy crisis. Nor did the social turbulence and activism of the late 1960s and early 1970s bypass the University of Dayton. Some students and faculty protested against the Vietnam War, compulsory ROTC, and defense-related research activities. They campaigned also for changes in the curriculum, seeking more opportunities for meeting personal needs and goals. In response, the University gave greater responsibility to students for their own academic decisions, and it initiated interdisciplinary programs, self-directed learning, and various experimental courses and methods. Meanwhile, the profile of the student body changed. The 1960s saw significant increases in female and minority students. In the 1970s, there was a shift to a largely residential student body, and at the same time many more "nontraditional" (older) students matriculated. By the mid-1970s, total enrollment steadied at over 10,000, with about 6,000 full-time undergraduates.

To keep pace with the University's growth, a series of building programs has

more than tripled the number of major facilities since the Centenary Year of 1950. The University held its first general public campaign in order to erect Wohlleben Hall in 1958 and Sherman Hall in 1960. Both campus and off-campus residences — dormitories, apartments, and houses — were added and improved as such emergency accommodations as surplus Army barracks and an adapted Army hospital (renamed the West Campus) were phased out.

A long-range environmental design has helped integrate new buildings and old, and made the campus more livable by increasing its beauty as well as its efficiency. In 1986, old and new combined in the much heralded architectural design of the Anderson Center between Rike Hall and Miriam Hall. When fire ravaged St. Joseph Hall in 1987, the University was able to rebuild and restore it without harming the architectural integrity of that historic corner of campus. Keeping pace with the needs of the University, the Jesse Philips Humanities Center opened in 1993, and plans are in the making to revitalize the University's existing science complex. Opening in 1997, longterm development included the construction of new facilities for the School of Law on the northwest property of the University.

The edifices are not the only changes seen at the University of Dayton. In 1960, the University reorganized academically and administratively. Administrative changes saw the formation of the College of Arts and Sciences from what had been two separate units. Other divisions became the Schools of Business Administration, Education and Engineering. In 1970, the University charter was amended and members from the lay community now joined the Marianists (who today constitute 20 percent of the governing body of the University), on the Board of Trustees. In 1974, when the School of Law reopened, the University achieved its present configuration.

Academically, the University has continued to expand and enrich its offerings and support services, especially since mid-century. Graduate studies, abandoned during World War II, resumed in 1960, with the School of Education leading the way. In 1969, the Department of Biology inaugurated the first doctoral program since 1928. The School of Engineering introduced two doctoral programs in 1973, and in December, 1992, the first doctoral degrees in Educational Leadership were awarded.

In 1975, the Marian Library, which had grown to international reknown since its inception in 1943, founded the International Marian Research Institute (IMRI), which was incorporated in 1984 as a branch of the Marianum in Rome. IMRI is empowered to confer licentiate and doctoral degrees in theology, with a specialization in Mariology.

For all undergraduates, a general education plan was adopted in 1983 to foster integration of the liberal arts in a professional education. To further this course of action, in 1990, the Academic Senate approved a revision of the general education requirements that called for an integrated base of four humanities courses complemented by clusters of other courses, requiring various disciplines to focus on a single theme.

In 1986, the School of Business Administration established the Center for Business and Economic Research. With an advanced information systems laboratory among its resources, the center provides contract research services for local business, government, and other organizations and support for faculty research.

The University has always maintained a tradition of innovation. In 1874, St. Mary's Institute's new Play House gymnasium was the only one of its kind in Ohio, and it is probable that the first organized basketball game in the state took place there. A system of elective studies was inaugurated in 1901. In 1924, the University was the first school to be granted a charter by the National Aeronautical Association.

It was one of the first in the nation to offer a course in biophysics (1935). In 1948, it was a pioneer in student ratings of professors, and in 1952, it invited persons over 60 to attend its evening classes as guests. Its graduate program in laser optics was one of the earliest in the country. It was one of the first educational institutions to adopt electronic data-processing equipment and to offer degrees in computer science. The University Library, in the service of scholarship, continues to adopt new technology, including an online catalog which became fully operational in 1988.

But more than just a breeding ground for academic excellence, the University responds to the needs of the surrounding communities as well. Sponsored research at the University began in 1949 with a few faculty members and student assistants doing part-time research for industry and government agencies. In 1956, the University of Dayton Research Institute (UDRI) was formed to consolidate the administration of the growing research activities. Annual research volume has increased from \$3,821 in 1949, to nearly \$50 million at the present time.

## STATEMENT OF PURPOSES

Approved by the Board of Trustees, May 14, 1969.

The University of Dayton, by tradition, by legal charter, and by resolute intent, is a church-related institution of higher learning. As such, it seeks, in an environment of academic freedom, to foster principles and values consonant with Catholicism and with the living traditions of the Society of Mary. Operating in a pluralistic environment, it deliberately chooses the Christian world-view as its distinctive orientation in carrying out what it regards as four essential tasks: teaching, research, serving as a critic of society, and rendering public service.

The University of Dayton has as its primary task to teach—that is, to transmit the heritage of the past, to direct attention to the achievements of the present, and to alert students to the changes and challenges of the future. It regards teaching, however, as more than the mere imparting of knowledge; it attempts to develop in its students the ability to integrate knowledge gained from a variety of disciplines into a meaningful and viable synthesis.

The University of Dayton holds that there is harmony and unity between rationally discovered and divinely revealed truths. Accordingly, it commits its entire academic community to the pursuit of such truths. It provides a milieu favorable to scholarly research in all academic disciplines, while giving priority to studies which deal with problems of a fundamentally human and Christian concern. It upholds the principle of responsible freedom of inquiry, offers appropriate assistance to its scholars, and endeavors to provide the proper media for the dissemination of their discoveries.

The University of Dayton exercises its role as critic of society by creating an environment in which faculty and students are free to evaluate, in a scholarly manner, the strengths and weaknesses found in human institutions. While, as an organization, it remains politically neutral, objective, and dispassionate, it encourages its members to judge for themselves how these institutions are performing their proper tasks; to expose deficiencies in their structure and operation; to propose and actively promote improvements when these are deemed necessary.

The University of Dayton recognizes its responsibility to support, with means appropriate to its purposes, the legitimate goals and aspirations of the civic community and to cooperate with other agencies in striving to attain them. It assists in promoting the intellectual and cultural enrichment of the community; it makes available not only the resources of knowledge that it possesses, but also the skills and

techniques used in the accumulation and dissemination of knowledge; and, above all, it strives to inspire persons with a sense of community and to encourage men and women of vision who can and will participate effectively in the quest for a more perfect human society.

## BASIC ACADEMIC STRUCTURE OF THE UNIVERSITY

The University of Dayton now includes the College of Arts and Sciences and four professional schools, each with a dean: the School of Business Administration, the School of Education, the School of Engineering (including Engineering Technology), and the School of Law. The deans, through their departmental chairpersons, administer the undergraduate and graduate programs. The vice president for graduate studies and research and dean of graduate studies has the overall responsibility for all graduate programs. At the head of the academic structure of the University is the provost.

The University of Dayton awards the following baccalaureate, professional, and graduate degrees:

Bachelor of Arts	Master of Science in Civil Engineering
Bachelor of Chemical Engineering	Master of Science in Education
Bachelor of Civil Engineering	Master of Science in Electrical Engineering
Bachelor of Electrical Engineering	Master of Science in Electro-Optics
Bachelor of Fine Arts	Master of Science in Engineering
Bachelor of General Studies	Master of Science in Engineering Management
Bachelor of Mechanical Engineering	Master of Science in Engineering Mechanics
Bachelor of Music	Master of Science in Management Science
Bachelor of Science	Master of Science in Materials Engineering
Bachelor of Science in Art Education	Master of Science in Mechanical Engineering
Bachelor of Science in Business Administration	Master of Science in Teaching
Bachelor of Science in Computer Engineering	Educational Specialist
Bachelor of Science in Education	Juris Doctor
Bachelor of Science in Engineering Technology	Doctor of Engineering
Bachelor of Science in Environmental Engineering	Doctor of Philosophy in Biology
Master of Arts	Doctor of Philosophy in Educational Leadership
Master of Business Administration	Doctor of Philosophy in Electro-Optics
Master of Computer Science	Doctor of Philosophy in Engineering
Master of Public Administration	
Master of Science	

## College of Arts and Sciences

The College of Arts and Sciences includes the following departments and programs: American Studies, Biology, Chemistry, Communication, Computer Information Systems, Computer Science, Criminal Justice Studies, Economics, English, General Studies, Geology, History, International Studies, Languages, Mathematics, Military Science, Music, Philosophy, Physical Science, Physics, Political Science, Psychology, Religious Studies, Sociology, and Visual Arts.

Preprofessional courses are offered in medicine, dentistry, optometry, veterinary medicine, music therapy, law, foreign service, and radio and television broadcasting.

Programs leading to the Master of Arts or the Master of Science are offered in American studies, biology, chemistry, communication, English, humanities, mathematics, pastoral ministry, political science, psychology, and theological studies. The Department of Computer Science offers the Master of Computer Science. The Department of Physics, as part of the Center for Electro-Optics, offers graduate courses in support of the Master of Science in Electro-Optics and the Ph.D. in Electro-Optics. The Interdisciplinary professional degree Master of Public Administration is also offered. The Department of Biology offers the Doctor of Philosophy.

### School of Business Administration

The School of Business Administration offers undergraduate majors in accounting, economics, finance, management, management information systems, and marketing. On the graduate level, the School awards the Master of Business Administration degree.

### School of Education

The School of Education prepares teachers for the elementary and secondary levels and for specialized fields such as art, music, speech, business, health and physical education, food and nutrition, pre-physical therapy and education of the handicapped. It conducts retraining and post-graduate programs and offers graduate programs leading to the degrees of Master of Science in Education, Master of Science in Teaching, Educational Specialist, and Doctor of Philosophy in Educational Leadership. These programs are designed to prepare school administrators, school counselors, school psychologists, elementary teachers, high school teachers, and special educators for both public and private schools nationwide.

### School of Engineering

The School of Engineering includes the departments of Chemical and Materials Engineering, Civil and Environmental Engineering and Engineering Mechanics, Electrical and Computer Engineering, Mechanical and Aerospace Engineering, and Engineering Technology. The School offers four-year curricula leading to the degrees of Bachelor of Chemical Engineering; Bachelor of Civil Engineering; Bachelor of Electrical Engineering; Bachelor of Mechanical Engineering; Bachelor of Science in Computer Engineering; Bachelor of Science in Environmental Engineering; and Bachelor of Science in Engineering Technology with specialities in Electronic Engineering Technology, Industrial Engineering Technology, Manufacturing Engineering Technology, and Mechanical Engineering Technology. The School offers graduate programs leading to the degrees of Master of Science in Engineering, Master of Science in Aerospace Engineering, Master of Science in Chemical Engineering, Master of Science in Civil Engineering, Master of Science in Electrical Engineering, Master of Science in Electro-Optics, Master of Science in Engineering Management, Master of Science in Engineering Mechanics, Master of Science in Management Science, Master of Science in Materials Engineering, Master of Science in Mechanical Engineering, Doctor of Engineering, Doctor of Philosophy in Engineering, and Doctor of Philosophy in Electro-Optics.

## School of Law

The University of Dayton School of Law offers the Juris Doctor and two joint degree programs: Juris Doctor-Master of Business Administration and Juris Doctor-Master of Science in Education (Educational Administration).

## LIBRARIES

The University of Dayton Roesch Library houses the University Library with its book, journal, government documents, and microform collections for both graduate and undergraduate students. The University Library's main collections are automated and available through an online public access catalog. Its holdings number 1,000,000 resource items including its 5,000 journal titles. The Marian Library, other rare and special collections, and the University Archives are also part of this facility. It is open 98 hours a week, provides almost continuous reference service, and offers online bibliographic searching. Comfortable study areas are convenient to the open stacks, and typewriters, photocopiers, seminar rooms, and faculty and graduate student carrels are available. The Libraries are a member of OhioLINK, a cooperative venture of university libraries and the Ohio Board of Regents. OhioLINK partners have created a common information network providing rapid physical and telefacsimile access and delivery to over 9,000,000 volumes and numerous bibliographic and full-text databases.

The University's active membership in the Online Computer Library Center and the Southwestern Ohio Council for Higher Education has significantly augmented the library resources available to its students. All of the libraries affiliated with the Council provide on-site borrowing privileges to students and faculty associated with the University.

The Marian Library, on the seventh floor of the Roesch Library building, houses the world's largest collection of works on the Virgin Mary. Its resources in over fifty languages include 71,000 books and pamphlets (some 6,000 printed before 1800), 125 periodicals, a clipping file of over 52,000 items, and a growing number of microforms. These works are supplemented by smaller collections: slides, medals, postcards, postage stamps, and illustrations of various kinds. In addition to these materials dealing with Mariology, the library has significant holdings in national and regional bibliographies, reference works on the Bible, ecclesiastical and dogmatic history, church art (especially of the Eastern Churches and Medieval Europe), and the history of the book.

The University of Dayton School of Law Library is located in Joseph E. Keller Hall. Its collection contains over 150,000 volumes and 63,000 physical units of microforms. The open-stack arrangement of the Law Library permits easy access to all materials.

Academic Technology Services are located in the Jesse Philips Humanities Center and in Miriam Hall. The Media Group of Academic Technology Services provides a range of audio-visual equipment to classrooms as well as consultative assistance in the effective use of instructional technology. The Instructional Computing Group of Academic Technology Services provides consultation and assistance with the integration of computer applications and hardware in support of learning.

The Curriculum Materials Center, which houses the specialized collections of the School of Education, is on the first floor of Chaminade Hall. It offers a wide selection

of elementary and secondary textbooks, filmstrips, records, transparencies, cassettes, charts, material kits, and teaching aids.

## ACCREDITATION

The University of Dayton is officially accredited by the following agencies:

The Accreditation Board for Engineering and Technology, Inc., for the programs in chemical, civil, electrical, and mechanical engineering and in electronic, industrial, manufacturing engineering technology, and mechanical engineering technology

The American Assembly of Collegiate Schools of Business (AACSB) for the baccalaureate, accounting and Master of Business Administration programs of the School of Business Administration

The American Bar Association for its School of Law

The Association of American Law Schools for its School of Law

The Human Factors Society for the master of arts program in experimental-human factors psychology

The National Association of Schools of Music

The National Council for Accreditation of Teacher Education

The North Central Association of Colleges and Schools

The State of Ohio Department of Education

The University has the approval of the following:

The American Chemical Society

The American Dietetic Association

The National Association for Music Therapy

The League of Ohio Law Schools for its School of Law

## INSTITUTIONAL MEMBERSHIP

The University holds institutional membership in the following:

The Academy of Criminal Justice Sciences

The American Assembly of Collegiate Schools of Business

The American Association for Higher Education

The American Association of Colleges for Teacher Education

The American Association of Collegiate Registrars and Admissions Officers

The American Association of University Administrators

The American Council on Education

The American Dietetics Association

The American Home Economics Association

The American Library Association

The American Society of Criminology

The American Society for Engineering Education

The Association of American Colleges and Universities

The Association of American Law Schools

The Association of Catholic Colleges and Universities

The Association of College and University Housing Officers

The Association of Governing Boards of Universities and Colleges

The Association of Independent Colleges and Universities of Ohio

The Catholic College Coordinating Council

The College Entrance Examination Board  
The College and University Personnel Association  
The Comparative and International Education Society  
The Cooperative Education Association  
The Council for Advancement and Support of Education (CASE)  
The Council for the Advancement of Experiential Learning  
The Council of Graduate Schools  
The Dayton Area Chamber of Commerce  
The Dayton Art Institute (sponsoring)  
The Institute of International Education  
The League of Ohio Law Schools  
The Midwestern Criminal Justice Association  
The National Association of College and University Food Services  
The National Association of College Auxiliary Services  
The National Association for Foreign Student Affairs  
The National Association of Independent Colleges and Universities  
The National Association of Student Personnel Administrators  
The National Catholic Education Association  
The National Council of Catholic Bishops  
The National Scholarship Service and Fund for Negro Students  
The North Central Association of Colleges and Schools  
The Ohio Academy of Science  
The Ohio Association of Colleges for Teacher Education  
The Ohio Association of Private Colleges for Teacher Education  
The Ohio College Association  
The Ohio Continuing Higher Education Association  
The PBS Adult Learning Satellite Service  
The Society for the Advancement of Education  
The Southwestern Ohio Council for Higher Education

## SOUTHWESTERN OHIO COUNCIL FOR HIGHER EDUCATION

Several corporations and numerous institutions of higher learning, including the University of Dayton, have organized the Southwestern Ohio Council for Higher Education (SOCHE). The participating institutions seek to increase inter-institutional cooperation, improve curricula, develop new courses and programs, share library resources, minimize cost, and centralize selected functions, by using computers, modern educational technology, and communication media.

Among the benefits of the Council is that regularly enrolled full-time students at one institution, under certain conditions, may register for credit at no additional charge in courses offered by other Council institutions in which no instruction is available at their own institution. Also available through the Council is the Air Force ROTC program.

## RELATED UNIVERSITY SERVICES

Besides the regular day sessions, the University conducts special as well as regular evening and summer sessions and offers short-term workshops, institutes, and conferences. All credited courses, whenever offered or in whatever form,

conform to the same standards and are governed by the same policies and regulations prevailing during the regular day sessions.

Continuing Education especially serves the part-time students of the Dayton community, to make the University and its course offerings, both credit and noncredit, more easily available to them. Similarly, the Office of International Services serves students from other countries who are enrolled at the University.

To foster interdisciplinary efforts, the Office of the Provost administers courses designated UDI (University of Dayton Interdisciplinary) to accommodate interschool offerings and experimental programs. (UDI courses are listed and described in Chapter X, as are other special offerings.)

The Research Institute, an integral, not a separate, component of the University of Dayton, provides important resources and reinforcement for all levels of academic endeavor, as does Administrative Computing and Telecommunication Services. (See Chapter X.) A unit of the Army Reserve Officers Training Corps, also based on the campus, offers its academic program through the Department of Military Science. (See MIL, Chapter VI.)

## ACADEMIC CALENDAR YEAR

The University of Dayton operates under an early semester, split third-term calendar. The academic year begins with the fifteen-week fall term, which ends before Christmas. The winter term, also fifteen weeks, begins in January and ends early in May. The third, or spring-summer term, is split into two complete sessions of six weeks each.

The advantages of such a calendar are many. Students may enroll for the traditional fall and winter semesters and have a four-month summer vacation; or they may add half terms or full terms to enrich their programs or speed the completion of their degree requirements. (The University holds graduation ceremonies at the end of each term.) Students who must earn their own money can have extra time for employment in spring and summer; or they may enroll for the third term and work during the fall or the winter term, when the employment market is not crowded with other college students.

## II Student Life and Services

### OFFICES OF RESIDENTIAL PROGRAMS AND RESIDENTIAL SERVICES

One of the most challenging and growth-oriented experiences available to students is residential living. The University strives to provide a co-curricular environment which is conducive to optimal personal growth, allowing students to reach their fullest potential. Respect for the rights of other people and a willingness to cooperate contributes to an atmosphere of friendliness and mutual respect that encourages academic success and allows for positive community building.

Professional, graduate and undergraduate student staffs coordinate with the Offices of Residential Programs and Residential Services in administering University residence halls, suites, houses, and apartments. An elected council represents students' opinions and provides programmatic initiatives in each living area. Counseling and consultation, as well as the celebration of Mass, are provided in the residence halls by Campus Ministry to the students residing in the various residential living areas.

All first-year and sophomore students are required to live in the University residence system unless they are married, are twenty-one years of age or over, or are local residents living with their legal guardian. Junior and senior students have the opportunity to arrange their own housing in University apartments and houses or to choose non-university housing.

Upon a student's official acceptance to the University of Dayton, the Office of Admission sends all new students applications, contracts, and instructions for securing residential living accommodations. However, any questions regarding obtaining housing should be directed to the Office of Residential Services. Questions regarding residential living issues should be directed to the Office of Residential Programs.

### FOOD SERVICE

The University of Dayton Food Services operates three full-service student dining facilities located in Kennedy Union, Marycrest Complex, and the Virginia W. Kettering Residence Hall. Students may use their Student ID/Campus One Card in any of these facilities during scheduled meal hours. Food Services offers extended services in the Kennedy Union and Marycrest Food Courts to provide student food/snack requirements beyond the regular meal periods.

All students living in a traditional residence hall are required to purchase a meal contract. Contract options are as follows:

- Any 12 Meal Plan— Provides any 12 meals, breakfast, lunch or dinner, over seven days, starting with the first day of classes.
- Any 15 Meal Plan — Provides any 15 meals, breakfast, lunch or dinner over seven days, starting with the first day of classes.
- All 21 Meal Plan— Provides breakfast, lunch and dinner over seven days, starting with the first day of classes.

Note: Only one meal per meal period is allowed. For example, two lunches on the same day is not permitted with the meal plan options.

In addition to the selected meal plan, most resident students open a declining balance account to supplement their needs beyond the scheduled meal periods.

## OFFICE OF STUDENT ACTIVITIES

The Office of Student Activities sponsors and coordinates campus-wide extra-curricular and co-curricular activities to enrich and enhance academic life and foster a spirit of community. It is the central resource for information about activities, organizations and campus-wide programming. In addition, the office registers all student-sponsored events. The Office of Student Activities grants recognition to student organizations, approves funding and space allocations, ensures organizational conformity to University policies, provides assistance for organization advisors and awards the Top Organization awards. The Organizations Advisory Council, composed of student leaders, works with student organizations to maintain their recognition. It also plans programming on leadership education and offers resources and assistance in organizational management. Campus Activities Board is the programming unit for the office. Student program coordinators are responsible for developing educational, cultural, social and recreational events.

Student Activities supervises all operations of the social Greek life, advises student media groups and is involved in other University-wide programming such as College Bowl, Christmas On Campus, Distinguished Speakers Series and the Arts Series. Student Activities sponsors educational forums on current issues, visual and performing art programs, and entertainment in The Pub. It produces weekly and monthly calendars which list campus events and musical, dramatic, artistic and other public events in the community. The office also coordinates student activity postings on the "Flyer TV" Information Channel and approves publicity materials for posting.

## JOHN F. KENNEDY MEMORIAL UNION

The John F. Kennedy Memorial Union, centrally located on the campus, offers comfortable surroundings and a variety of services for the University community. Lounges provide free space for discussion, studying, and socializing. The Union operates a games room with bowling lanes, pool tables, and video games. The ground-floor food court includes a pizzeria, a bakery, a delicatessen, a mini-snack bar, and a pub. An information kiosk in the main lobby accesses student schedules, records, etc. Three automatic teller machines, display cases, and vending machines are housed in the Union, as are student offices for Student Government Association, *Flyer News*, *Daytonian*, Flyer Radio, OAC, Greek councils, The Pub entertainment, and a lounge for the commuter students. Other offices in the Union are those of the Information Center, Box Office, Gift Shop, KU Food Service, Catering Services, and the Travel Agency. Meeting rooms, a ballroom, a theatre, and University vans are available for use and can be reserved by contacting 229-3333 (Kennedy Union Room 241). Numerous and varied cultural, educational, social, and recreational activities are presented in the Union regularly. Among the continuing programs are recitals and concerts by students and faculty, theatrical productions, and dance ensemble concerts.

## STUDENT HEALTH CENTER

During the academic year, the Student Health Center, in Gosiger Hall, is open 8:00 a.m. to 8:00 p.m., Mon-Fri., except University holidays and provides a broad range of medical services to students. In the summer, it is open during regular University business hours. A full-time and part-time physician are available during weekdays. The Health Center maintains a large stock of commonly used medicines, dispensing these to patients by order of the physician.

## COUNSELING CENTER

The main purpose of the Counseling Center is to assist students in self-development, including career planning, personal adjustment, and social skills building. All students in need of objective insights or merely "a listening ear" are encouraged to make use of the Center's services. No student's concern is too minor to explore. This is usually accomplished through one-to-one counseling, although there are opportunities for group interaction on certain topics and outreach programming for student, faculty, and staff groups. The Center also provides career and personality testing services.

Because counseling often involves sensitive personal matters, discussions between counselors and students are strictly confidential. An exception occurs when students who have life-threatening problems are required to receive psychiatric evaluation and/or counseling. Such problems may include but are not limited to suicide attempts, chemical dependency, anorexia nervosa, bulimia nervosa, and psychotic behavior. The University and the student may enter into a contract to establish conditions regarding required treatment. The student may decide to use the services offered by the University or to receive treatment elsewhere. In the latter case, periodic review by the University is required to confirm that contract conditions are met. For the welfare of the student, problems warranting treatment more intensive than the University can offer may require temporary medical withdrawal from the University. The student may be readmitted to the University upon acceptable completion of contract conditions. In life-threatening circumstances, the University assumes the position that the parents or guardians of the student should be notified, and it will initiate such notification if the student has not done so within an appropriate time or refuses to do so. Life threatening problems involving minor students are cause for immediate notification of parents or guardians.

A one-time counseling fee charged to all matriculating undergraduate students covers the cost of services by the Counseling Center while they are at the University. Graduate and nonmatriculated undergraduate students pay charges on a fee-for-service basis. The Center is accredited by the International Association of Counseling Services, Inc.

## CRITICAL ISSUES EDUCATION

The Office of Educational and Special Programs coordinates educational efforts on the topics of alcohol, relationships and sexuality. Critical Issues Education is a program that seeks to educate students about some of their most basic life experiences, decisions and developmental processes. Unique to the University of Dayton is that the traditional "alcohol and other drug prevention office" or a health

education program no longer exists. Instead, the program combines the issues of alcohol and other drug use, sexuality, relationships, gender issues, communication, self esteem, and peer pressure together in all of its programs.

Critical Issues Education includes the sexual assault prevention program; a peer education program called START (Students Talking About Real Topics); an educational theater program (Theater and Thought); the critical issues committees on AIDS awareness, relationships issues, and alcohol and other drug prevention; a major speakers series; and visual education projects. The director of Educational and Special Programs collaborates with other areas of the University community to program on critical issues topics.

## SERVICES FOR DIVERSE STUDENT POPULATIONS

The University of Dayton is committed to creating an environment that celebrates cultural diversity while focusing on the Marianist philosophy of service, leadership and community. The division of Student Development provides facilities and services to support African-American students and Latin-American students through the office of Diverse Student Populations. This support often assumes the form of special programming that reflects the cultural heritage of these populations, as well as supplemental counseling and advising. The Diverse Student Populations staff works closely with academic deans, faculty and other administrative offices to provide a nurturing community that promotes a better understanding of racial/cultural understanding.

## LEARNING ASSISTANCE CENTER

The Learning Assistance Center offers three courses—Critical Reading and Study Skills, Developmental Mathematics, and Developmental Writing—and other services to accommodate both the academic and the personal development of each student and to provide all students an opportunity to enjoy their maximum academic success. (See also DEV, Chapter X.)

Learning Support Services offers individualized tutoring for entry-level courses. Academic assistance on a drop-in basis is available from the Write Place for any kind of writing project in any subject. There is no charge for any of these services.

## FLYER EXPRESS

Flyer Express is a pre-paid purchase plan designed strictly for University of Dayton students. Flyer Express is easy and convenient; the initial deposit is made into the account and charges are deducted as purchases are made. Flyer Express is safe, it eliminates the need to carry cash. Flyer Express is accepted at locations on and off campus; i.e., UD Bookstore, vending, laundry, Rudy's Fly-Buy, pizza delivery, snack bars, game rooms and UD Printing and Design. New market areas are being researched to better serve UD student needs.

## NEW STUDENT ORIENTATION

Each year new undergraduate students arrive a few days before the opening of the academic year to participate in the New Student Orientation Program. Its purpose is to familiarize students with the campus and to assist them in their transition to student life by providing a variety of academic and social functions. The New Student Orientation Program is conducted by the Office of Educational and Special Programs.

## PUBLIC SAFETY

The Office of Public Safety is the recognized, lawful, professional police agency on all University property. Its objective is to make the University a comfortable, efficient, and safe place. The University of Dayton Public Safety staff are dedicated to the preservation of freedom of movement and communication without the fear of property loss or personal injury. Those in need of emergency assistance or ambulance service should call 911 on campus or the Office of Public Safety at 229-2121.

## PARKING

Campus parking facilities are limited. Commuting students are issued permits to park in Lots S1 and S2. Parking permits will be issued to residence hall students on a SPACE AVAILABLE, first-come, first-served basis to those who can validate a special need. Students with off-campus jobs must present a letter of employment on company letterhead. Others will be placed on a waiting list upon request. Drivers with unusual problems will be given special consideration.

In Campus South, the Garden Apartments, and UD houses, one parking permit per apartment/house will be allocated. In the event additional parking permits become available due to under-utilization, these permits will be issued on a first-come, first-served basis. Permits are issued through the department's division of Parking Services located in Gosiger Hall, 2nd floor.

## STUDENT ID/CAMPUS ONE CARD

All students must secure his/her Student ID/Campus One Card at the beginning of their first term at the University of Dayton. The Student ID/Campus One Card is used to access numerous University services. It provides official student identification; access to meal plans, Dining Dollar accounts and Flyer Express accounts; library, PAC, computer lab privileges. The original Student ID/Campus One Card is issued at no charge. Replacement fees apply to any additional cards.

The Student ID/Campus One Card is issued and administered by the Department of Food Service. If a student withdraws from the University during the academic year, the Student ID/Campus One Card should be returned to the Office of Student Development.

## STUDENT HANDBOOK

Each student at the University of Dayton is responsible for knowing and observing the policies, regulations, and procedures contained in the official student handbook. This publication provides much useful information on such subjects as University services, student organizations, student publications, and intercollegiate sports schedules.

Student handbooks are available at the opening of the fall term in University housing, the McGinnis Center, and the Kennedy Union.

## CAMPUS MINISTRY

Campus Ministry seeks to lead the University in fostering an active faith community among its members. This faith is manifested in personal and communal devotion to God, especially as revealed in Jesus Christ; in common worship; in the growing awareness of religious values and response to issues of social justice; and in service to the community and the Church.

In order to realize this goal, Campus Ministry, in cooperation with other segments of the University, provides a number of services to all who are part of the University community. It provides opportunities for prayer, for the celebration of the sacraments, for retreat experiences, and for pastoral counseling. It sponsors events, classes, and seminars that concern the deepening of faith, the awareness of social justice issues, and opportunities for ministry—with special emphasis on student-to-student ministry. It coordinates the efforts of more than two dozen student organizations that offer opportunities for service to the local community and beyond. Though specifically Roman Catholic, it cooperates with and helps foster other religious groups on campus.

## ATHLETICS

Many people throughout the country have come to know the University of Dayton through the accomplishments of its intercollegiate athletic teams. Participation in athletics is part of the educational development the University offers all students. There are seven men's intercollegiate sports: football, soccer and cross country in the fall; basketball in the winter; and baseball, golf and tennis in the spring. There are nine women's intercollegiate sports: volleyball, soccer and cross country in the fall; basketball and indoor track in the winter; and softball, golf, tennis and outdoor track in the spring. Cheerleading tryouts, open to all students, are held each year.

Any athlete—male or female—who anticipates trying out for any varsity sport must submit a complete physical and medical history, signed by a doctor, before he or she may participate in any tryouts and must be certified through the NCAA Initial-Eligibility Clearinghouse.

## INTRAMURAL AND RECREATIONAL SPORTS

The Recreational Sports Department provides a variety of intramural activities in which anyone can find exercise surrounded by a unique spirit of fun and competition. Activities include softball, football, indoor soccer, volleyball, basketball, tennis, racquetball and many others. All students are invited to participate;

ability is not important—just the desire to play. The Intramural Office is located on the second floor of the Physical Activities Center and students are invited to stop in at any time.

The Thomas J. Frericks Center/Physical Activities Center houses intramural competition, informal recreation and sports clubs. Inside the PAC is a 25-yard pool; handball, racquetball, and squash courts; men's and women's carpeted locker rooms; weight rooms; one tennis court; and three basketball courts surrounded by a 1/9 mile track. The newly constructed cardiovascular/aerobic fitness center is located on the second floor. The center contains twenty-eight machines, four T.V. monitors, two separate sound systems, state of the art suspended wood floor, carpet and air-conditioning. The center is open for student usage daily. A student lounge overlooks both the Collins Gymnasium and Lackner Natatorium. The PAC is connected to the Thomas J. Frericks Athletic and Convocation Center where there are an additional free weight room, four basketball and volleyball courts, a multi-use room, and a modern conditioning center.

One of the quickly developing features of the Recreational Sports Department is the Sports Club Program. Currently, there are twenty-four recognized clubs on campus. The Sports Club Program offers students the opportunity to participate on a competitive level, while at the same time learning and developing new skills. Anyone interested in joining a sport club or starting a new one is encouraged to come in and speak with the Sports Club coordinator.

Students are permitted to use the University's recreational facilities whenever they are not being used for organized programs such as classes, intercollegiate practices or games, intramural sports and special events. Schedules concerning free play hours and scheduled events may be secured from the Recreational Sports office.

## CAREER PLACEMENT CENTER

The services of the Career Placement Center, available to seniors, graduate students, and alumni seeking career positions in business, industry, and government, include the following:

1. Personal employment guidance on resume writing, interviewing and job search strategies
2. Literature describing opportunities with employers
3. A listing of current job openings
4. Direct referral of alumni and alumni data networks
5. Campus interviews by representatives of business, industry, and government. These interviews are conducted from October through March; they are announced in a monthly calendar which can be obtained in the Career Placement Center in the Caldwell Street Center.

Part-time and summer employment are the responsibility of the Student Employment Coordinator, Room 218, Powerhouse. Teacher placement is handled by the Teacher Placement Office, School of Education.

## COMMUTER STUDENT SERVICES

Commuter Student Services provides an essential aspect to the University of Dayton campus. Commuter students knowledge and pride of the Dayton area help make out-of-town students feel more comfortable and at home while at the

University. A lounge for commuter students is located in Kennedy Union (118) which is used for study, relaxation, and meeting friends. A message center, telephone, microwave, and refrigerator are provided for the convenience of commuter students.

The Assistant Director of Student Activities is advisor to the commuter students and provides services and facilities to meet the educational, developmental and physical needs of these students and maintains contact with the academic and nonacademic areas of the University to increase understanding of these specific needs.

## OFFICE FOR STUDENTS WITH DISABILITIES

The Office for Students with Disabilities provides assistance and counseling for prospective and enrolled students with physical or learning disabilities. It assists with the identification of special needs and the coordination of special services and related aspects of campus adjustment. All physically and learning disabled students requiring assistance are encouraged to contact the coordinator.

### III Admission

Each application for admission to the University of Dayton is considered individually. The Admission Committee reviews the academic achievement, aptitude, and interest of every applicant with the goal of admitting students who possess the intellectual ability and the motivation to profit best from their attendance at the University of Dayton.

#### APPLICATION FOR ADMISSION

All applications for admission must be submitted to the director of admission on forms supplied by the University of Dayton. Approved electronic applications also are permitted. Applicants are encouraged to submit applications early in the senior year of high school.

The applicant must also present an official transcript of courses and grades in secondary school and the results of either the Scholastic Assessment Test (SAT-I) or the American College Test (ACT). Any person whose native language is not English must submit an acceptable score in the Test of English as a Foreign Language (TOEFL). Exceptions to this policy may be made for students whose education has been in schools where English is the principal language of instruction.

Admission is based on the total information submitted by the applicant in his or her behalf. It is the applicant's responsibility to see that complete information has been provided to the director of admission.

When submitting the completed application to the high school counselor or principal for the inclusion of the transcript, the applicant should attach a check or money order for \$30.00 payable to the University of Dayton. This application fee is nonrefundable.

#### CONSIDERATIONS FOR ADMISSION

The applicant must have graduated from a high school accredited by a regional accrediting agency or by a state department of education or by the equivalence, and have a total record indicating a likelihood of success at the University of Dayton. The General Education Development (GED) certificate is also recognized for consideration by the admission committee.

The quality of the academic record is shown by the applicant's grades, standing in class, and selection of courses. Although no set pattern of courses is required for admission, a well prepared candidate will have had from 15 to 18 units in English, social sciences, mathematics, foreign language and laboratory science. Those who plan to major in one of the natural sciences, mathematics, computer science, business administration or engineering will find a strong mathematics background most helpful.

Additional indicators of academic aptitude are scores received on the Scholastic Assessment Test (SAT-I), the American College Test (ACT), and, when applicable, the Test of English as a Foreign Language (TOEFL).

The admission committee is very interested in the applicant's personal traits and record as a school citizen. The recommendation of the high school guidance counselor concerning ability, motivation and character is carefully reviewed by the admission committee.

Each applicant is encouraged to visit the campus for an interview with an admission counselor. A visit also will provide an opportunity to see the campus and ask questions of the students and faculty.

ENTRANCE UNIT RECOMMENDATIONS											
Numbers represent academic units (years) of recommended high school preparation.											
COLLEGE MAJOR	English	Foreign Language	Algebra I	Geometry	Algebra II, Trigonometry	Mathematics IV	Biology	Chemistry	Physics	Laboratory Science	Additional academic units
Business (all majors)	4		1	1	1					1	8
Engineering (all majors)	4		1	1	1	1		1	1		6
Engineering Technology (all majors)	4		1	1	1						9
Education	4		1	1	1		1			1	7

Exercise Science & Fitness Management Exercise Science/Fitness & Nutrition Exercise Science & Pre-Physical Therapy	4		1	1	1	1	1	1	1		5
American Studies, Art History, Communication, Criminal Justice Studies, Economics, English, Fine Arts, Foreign Languages, History, Music, Music Therapy, Philosophy, Photography, Political Science, Psychology, Religious Studies, Sociology, Theatre, Visual Communication Design, Undeclared	4	2	1	1	1					1	6
Biochemistry, Biology, Chemistry, Environmental Biology, Nuclear Medicine Technology, Pre-Dentistry, Pre-Medicine	4	2	1	1	1	1	1	1	1		3
Computer Science, Mathematics, Physical Science, Physics	4	2	1	1	1	1		1	1		4
Computer Information Systems	4	2	1	1	1			1	1		5
Geology, Environmental Geology	4	2	1	1	1	1		1			5

## TRANSFER STUDENTS

Students from accredited institutions may be considered for transfer to the University of Dayton provided they are in good standing socially and academically (minimum of a C average—2.0 cumulative grade point average).

Transfer students will be considered for admission after they have followed the regular admission procedure. Scholastic Assessment Test (SAT-1) or American College Test (ACT) scores are required only of transfer applicants under 21 years of age. All transfer candidates must submit official transcripts from all institutions previously attended. The Office of Admission will evaluate the transcript(s) to determine the number of transferable credits. In general, all college credits earned with a "C" or higher from any regionally accredited college or university will transfer and be included on the University of Dayton transcript. No credit will be given for a course in which the student earned below a "C." The evaluation to determine which courses will be accepted toward the degree will be completed by the dean's office of the appropriate college or school.

A student with transfer credit from a two-year institution will be required to have at least 54 semester hours from a four-year institution for any baccalaureate degree. A transfer student is considered for a degree only if the last 30 semester hours have been taken on the University of Dayton campus and other requirements for graduation have been met.

## VETERANS

All departments at the University have been approved by the State Approving Agency for Veterans' Training. The Veterans Affairs Office is located in St. Mary's 202 and will assist in processing the necessary forms for educational benefits. Each semester the Veterans Schedule Form must be submitted and any changes in program be reported in writing. Failure to follow this procedure may result in cancellation of benefits by the V.A. For the conditions for good academic standing, see "Academic Standing," Chapter V. If a veteran on probation fails to acquire the required cumulative grade-point average at the end of the veteran's next full-time term, the benefits from the V.A. cease.

## INTERNATIONAL STUDENTS

Undergraduate students who are not United States citizens or permanent residents of the United States are expected to submit international student admission application forms. They need to follow the general admission procedure outlined above and the specific procedures outlined in the application brochure. The applicant whose native language is not English must demonstrate a score of 525 on the Test of English as a Foreign Language (TOEFL).\*

A student unable to demonstrate an acceptable TOEFL score of at least 525 at the time of application may be considered for conditional admission. Such a student will be expected to attend the English Language and Multicultural Institute (ELMI) as a full-time student, successfully complete the program and obtain a TOEFL score of 525 or better before full admission will be granted.

International student applicants must present their academic credentials in official English translation along with their transcripts in the original language. The applicant must also present certification of financial resources available to support an education at the University of Dayton.

Other pertinent information may be obtained from the director of enrollment management operations and international admission.

\*In July 1998, the scoring scale will be revised for the computer-based test.

## PROGRAMS FOR SELECT AT-RISK STUDENTS

The University has planned academic support programs for a limited number of students who are judged to need special support to be successful at the University of Dayton.

Some students are conditionally accepted to the University and are required to successfully complete the Summer Trial Enrollment Program (STEP) in order to be accepted for the fall term. These students take two specially selected courses in the summer and are required to participate in academic support sessions. Successful completion of the summer program includes grades of C or better in each course. Students admitted to this program are selected by the admission committee.

Some students are recruited by the University for their special talents in the performing and visual arts and in athletics. When these students are judged to need academic support, they are required to complete a summer program of two specially selected courses and academic support sessions and/or participate throughout the year in a University academic enhancement program.

## SPECIAL ADMITS PROGRAM

The University Special Admits Program serves entering first-year students who are capable of academic success but because of deficiencies in their academic background need additional support to realize their full potential. Each year the Office of Admission in collaboration with each academic division (College of Arts and Sciences, Schools of Business Administration, Education, and Engineering) sets guidelines for accepting a limited number of first-year undergraduates as Special Admit students. Each academic division has developed support programs to help Special Admit students to succeed academically in college. Depending on the academic division, the Special Admits Program may include careful course placement, special advising, supplemental instruction (SI) in designated courses, study tables, math workshops, and cohort formation. The Office of Admission and the deans' offices can provide more specific information about the Special Admits Program in each academic division.

## ADVANCED STANDING BY EXAMINATION

### ADVANCED PLACEMENT (AP)

The University accepts the advanced placement program offered to secondary schools under the auspices of the Advanced Placement Committee of the College Entrance Examination Board.

The University will give not only advanced placement, but also credit to students enrolled in the program, if such students have taken the tests provided and scheduled by the College Entrance Examination Board and have received appropriate scores from the Educational Testing Service.

Students wishing to receive advanced placement under this program are to arrange that test scores be sent to the University of Dayton AP Coordinator. Advanced standing with credit in appropriate subject areas is awarded as follows:

For a score of 4—one term of advanced standing with credit.

## Admission

For a score of 3—one term of advanced standing with credit is awarded in the following: Computer Science, French, German, Latin, Physics, Psychology, Spanish and Statistics.

Scores below 3 do not entitle the applicant to either credit or advanced standing.

## COLLEGE-LEVEL EXAMINATION PROGRAM (CLEP)

The University of Dayton cooperates with the College Level Examination Program (CLEP) of the College Entrance Examination Board (CEEB). Academic credit is available to students who achieve scores of 480 or above on any of the four acceptable areas of the General Examinations as indicated below:

English—no credit

Mathematics—maximum of 3 semester hours of credit

Natural Sciences—maximum of 7 semester hours of credit

Social Sciences and History—maximum of 6 semester hours of credit

Humanities—maximum of 6 semester hours of credit

Academic credit is also available to students who achieve scores above a specified minimum on certain subject examinations. Since not all subject examinations are acceptable and some subject examinations require the Free Response (essay) section, it is advisable to consult the University coordinator for AP and CLEP.

## HIGH SCHOOL SCHOLARS

The University of Dayton participates in the program established by Ohio Senate Bill 140, which allows high school juniors and seniors to enroll in college courses while still enrolled in high school. This program is also known as the Post-secondary Enrollment Options program. It is selective and limited to a specific number of students. Interested students must submit applications for the High School Scholars program. These applications are available in the Office of Admission or in high school guidance offices of Dayton-area high schools.

## IV Financial Information

### GENERAL POLICY

The tuition and fee charges of the University are set at the minimum permissible for financially responsible operation, and in general these charges are less than the actual costs incurred. Gifts and grants received through the generosity of industry, friends, and alumni help to bridge the difference between income and costs. The trustees of the University reserve the right to change the regulations concerning the adjustment of tuition and fees at any time the need arises and to make whatever changes in the curricula they may deem advisable.

Payment of tuition, fees, room, and board is due at the time of final registration for the term or in accordance with current deferred payment terms. All checks should be made payable to the UNIVERSITY OF DAYTON. The student's name and social security number should be shown on the face of each check to insure proper credit.

An assessment of \$25.00 will be made for payment of tuition and fees by a bad check or for any other returned check from any area at the University. This assessment is made each time a check is dishonored.

Registration for a new term, transcripts of credit, and honors of graduation may be permitted only for students whose financial University records are clear.

### UNDERGRADUATE TUITION AND FEES AUGUST 1998 THROUGH JULY 1999

#### Fees Payable One Time

Application fee, payable once, upon application .....	\$30.00
Application Fee, international students .....	30.00
Counseling Center fee, payable once, at entrance .....	90.00
Orientation fee, payable once, first-year resident students only .....	90.00
Orientation fee, payable once, first-year commuter students only .....	82.00
Miscellaneous deposit (refundable after graduation or dropout) .....	50.00

#### Tuition Charges in Terms I and II

Full-time undergraduate student (12-17 semester hours), per term .	\$7,085.00
Each semester hour over limitations stated above .....	472.00
Three-fourths-time undergraduate student (8-11 semester hours), per term .....	5,315.00
Part-time undergraduate student (1-7 semester hours), per semester hour .....	472.00
Audit course, per semester hour .....	236.00

### Basic University Fee, Terms I and II

Full-time and 3/4-time student (8 or more semester hours), per term ....	\$250.00
Part-time student (1-7 semester hours), per term .....	25.00

### Laboratory Fees, Terms I and II

Laboratory fee, per laboratory clock hour as listed in composite (not to exceed \$250.00 per term; not applicable to engineering and engineering technology students) .....	\$ 50.00
Engineering surcharge fee (incorporating laboratory charges) full-time and 3/4-time engineering and engineering technology students, each term .....	495.00

### Course Fees, Terms I and II

Fees are listed with the course names and times in each term's course composite. Following are some examples of the types of courses for which there are special course fees.

Studio fee for certain courses in art, design, and photography .....	\$20.00-65.00
Physical Education (scuba diving, skiing, etc.) .....	variable
Music fees .....	50.00-225.00
Certain courses in theatre .....	5.00-35.00
Student teacher fees:	
Elementary or secondary education .....	125.00
Special education or special arrangements .....	90.00
Concurrent registration .....	215.00
Elementary and secondary block fees for specified courses — per course .....	60.00

### Tuition and Fees, Term III

Tuition per semester hour . .....	\$472.00
Basic University fee .....	25.00
Laboratory and course fees—Same as in Terms I and II but no sur- charge for engineering; laboratory fees will be charged per clock hour.	

### Other Charges

Late registration service charge:	
Full-time and 3/4-time students—25.00 per week to a maximum of ...	75.00
Part-time and summer students—15.00 per week to a maximum of ...	45.00
Credit by examination, per semester hour .....	25.00
CLEP per credit hour .....	25.00
Graduation fee, undergraduate students .....	75.00
Books and supplies .....	variable
Transcript of credits, first copy of order .....	2.00
Each additional copy of same order .....	1.00
Co-op student fee, per work term .....	65.00
Finance charge—1% monthly on ending balance if total amount due is not paid by the last business day of the month following the month of initial charge.	

## FULL-TIME AND 3/4-TIME STUDENTS

A student with an academic schedule of at least 12 semester hours is considered a full-time student. A student with an academic schedule of 8-11 semester hours is considered a 3/4-time student. With this status and upon payment of the tuition and applicable fees, the student is entitled to the benefits of the various activities and student services as available.

## PART-TIME STUDENTS

A student with an academic schedule of fewer than 8 semester hours is considered a part-time student.

## SPECIAL STUDENTS

Special students and nonmatriculated students (continuing education) are subject to the various expenses outlined above for full-time, 3/4-time, or part-time students.

## CANCELLATION AND REFUNDS

If registration and housing are cancelled before the first day of classes, full refunds will be made, with the exception of admission deposits.

Cancellation must be in writing on the proper form, the withdrawal or "drop" form for registration or in written form to the Residential Services Office for housing. For nonlocal students a letter to the appropriate dean may be used as notification of cancellation. Students who do not attend classes and do not officially complete withdrawal procedures during the cancellation period will be responsible for the full amount of the applicable tuition and fees.

During the four-week cancellation period for the first and second terms, tuition and housing credits will be given according to the following schedule:

During first week of classes .....	80%
During second week of classes .....	60%
During third week of classes .....	40%
During fourth week of classes .....	25%
During or after fifth week of classes .....	0%
(The 1st week starts on the first day of a term; the 2nd week begins 7 days later, etc.)	

Special course fees are fully refundable through the Friday of the first full calendar week of the term and not refundable thereafter.

Laboratory fees are fully refundable through the Friday of the first full calendar week of the term and refundable on the same schedule as tuition thereafter.

During the two-week cancellation period for each six-week session of the split third term, tuition and housing credits will be given according to the following schedule:

During first week of classes .....	65%
During second week of classes .....	30%
During or after third week of classes .....	0%

Cancellations for a full third term course have a four week cancellation period and will be on the same schedule as cancellations for the first and second terms.

Financial adjustments for tuition are based on the date the drop (withdrawal) form is finalized in registration.

Financial adjustments for housing are based on the date of checkout from housing, if applicable.

In a summer term, special course fees are fully refundable through the first three days of the term and not refundable thereafter.

In a summer term, laboratory fees are fully refundable through the first three days of the term and refundable on the same schedule as tuition thereafter.

Special rules may apply for students who withdraw and who received Title IV funds. Please contact the Office of Financial Aid if additional information is needed.

After classes have begun, the University fee for student activities is not refundable. All tuition refund requests and appeals must be in writing and directed to the attention of Nancy V. Graft, Bursar.

Students suspended/dismissed from the University or from University residence facilities as a result of disciplinary action are not eligible for any refund of tuition and fees or room and board charges under the University's Cancellation and Refund policy. Exceptions to this position will be made to comply with refund requirements of federal financial aid programs.

## RESIDENCE FACILITIES POLICY

Each unmarried first-year and second-year student under 21 years of age, not living at home in the Dayton area with his/her parents or legal guardian, is required to live in University housing.

Each student applying for a University residence facility must complete a residential living contract card with the Residential Services office. The contract covers both the fall and winter terms of the academic year. Once a contract is signed, it may not be cancelled as long as the student is enrolled at the University.

Those students dropping all courses and checking out of housing during the first four weeks of school will be authorized refunds as stated under "Cancellation and Refunds."

All students living in housing facilities are required to observe all University regulations and specific regulations of each facility. Residents will be held responsible for any damages to the residential structure which are due to their own negligence and will share responsibility with other residents of the structure for unidentified common area damages. The same conditions shall also hold for any loss or damage to the University grounds, fixtures, furnishings, or other property provided by the University for use by the students.

Students may reside in their rooms, suites, apartments or houses without additional charge during Thanksgiving and Easter vacations. All University residences are closed during Christmas vacation period and during the Spring-term break.

## ROOM AND BOARD, PER TERM, TERMS I AND II AUGUST 1998 THROUGH MAY 1999

<u>Residence Halls</u>	<u>Single</u>	<u>Double</u>	<u>Triple</u>
Marycrest Complex .....	\$1,690.00 .....	\$1,240.00 .....	\$1,015.00
Stuart Hall .....	1,690.00 .....	1,240.00 .....	NA
Founders Hall .....	1,690.00 .....	1,240.00 .....	NA

### Apartments, Suites, Houses

Campus South Apartments .....	\$1,490.00 per occupant
Garden Apartments (2 students per apartment) .....	2,230.00 per occupant

## Financial Information

Garden Apartments (4 or 6 students per apartment) .....	\$1,490 per occupant
Virginia W. Kettering Residence Hall .....	1,460 per occupant
Residential Properties (undergraduate) .....	1,445 per occupant
Residential Properties (single bedroom option) .....	1,795 per occupant

## Food Service

All students living in residence halls must have one of the following:

Any 12 MEAL PLAN (12 meals per week) .....	\$1,095.00
Any 15 MEAL PLAN (15 meals per week) .....	1,185.00
All 21 MEAL PLAN (3 meals per day, 7 days) .....	1,255.00

In addition to the selected meal plan, most resident students open a Dining Dollars account to supplement their needs beyond the scheduled meal periods.

Non-resident students may purchase meal plans, Dining Dollars accounts or make their own daily arrangements. The Kennedy Union and Marycrest Food Courts provides service on weekends, unless otherwise posted.

## SPECIAL PAYMENT PLANS

For those who prefer to budget annual school costs out of monthly income, the following are some of the options:

*Credit Cards*— Payment for any University charges may be made by MasterCard, Visa, and / or Discover within the credit limits for those cards.

*Pre-Payment Plan* — The University of Dayton's monthly pre-payment plan, which is serviced through Key Education Resources, is a convenient alternative to lump sum semester payments. Any parent, guardian or student is eligible for this plan. Application materials may be obtained by calling 1-800-KEY-LEND (539-5363). Features of the plan include:

- Ten monthly level payments (which can be revised at anytime)
- Payments begin May 1st (you may also enroll after this date)
- No interest charges and no credit review
- Low cost — \$40 application fee
- Direct Debit Option available
- College Completion Protection insurance option

*Deferred Payment Plan* — The University offers an open credit arrangement with installment provisions. All students are eligible for this plan. Students complete a one-time Credit Account Agreement form which is automatically sent prior to the first term of enrollment. Features of the plan include:

- Five monthly payments per semester
- Payments begin July 25 for fall term and December 23 for winter term
- Low interest charge of 1% per month on the ending balance
- No application fee and no credit review

## PRIVATE ALTERNATIVE LOANS:

Private loans for educational expenses are also available. The University of Dayton works closely with a group of preferred lenders and endorses their Private loans. Each program offers competitive interest rates, flexible repayment schedules and differing co-signer requirements. If interested in a Private Alternative loan, feel

free to contact the lenders listed below or the Financial Aid Office for more information and a comparative benefits chart.

CitiAssist Loan  
Citibank

PNC Bank  
1-800-762-1001

Educaid Extra Premier Loan  
Educaid  
1-800-338-2253

## EXPENSES

The University of Dayton operates on a "split third-term calendar." Tuition and fees for full-time students during the 1998-99 academic year (fall and winter terms) will total about \$14,670.00 plus laboratory and/or special course fees where applicable. Room and board on campus for this period would be approximately \$4,870.00, based on double room occupancy, any 12 meals a week plan, and a Dining Dollars account for weekends. Books and supplies will cost approximately \$300 each term. In addition, the student will need funds to satisfy personal expenses and extra meals on the weekends.

Expenses for commuting students will include tuition, fees, supplies, and miscellaneous living costs. Transportation to and from the University as well as lunches should be considered in the budget.

## FINANCIAL AID POLICY

The University of Dayton desires to assist all qualified students who seek financial assistance in order to continue their education. Assistance based on financial eligibility is available in the forms of nonrepayable grants, educational loans and part-time employment. A parent loan program and a University-sponsored payment plan are also available.

Eligibility for various federal, state and University-sponsored financial aid is determined by comparing the total cost of attending UD with a family's anticipated ability to cover the expenses. Financial aid is considered supplemental to the student's efforts and those of the family to meet the cost of attendance.

To assure an equitable distribution of financial aid resources, the standardized financial need analysis provided by the Free Application for Federal Student Aid (FAFSA) is used. The contribution expected of the student and his/her family is determined after careful review of the family's income and other circumstances which consider the family's financial situation. All information provided is carefully and confidentially reviewed.

The FAFSA forms are available in the Office of Scholarships and Financial Aid. Students should mail completed forms to the federal processor and request that the results be sent to the University of Dayton. Priority is given to students

## Financial Information

whose completed applications are received by May 1. Financial aid is awarded annually. A new FAFSA must be submitted each year.

## ACADEMIC SCHOLARSHIPS FOR FIRST-YEAR STUDENTS

The President's Scholarship, the Dayton Area Scholarship, the Marianist Scholarship, the Deans' Awards, and the Leadership Awards were established to recognize excellent high school achievement by incoming first-year students. Applicants receive consideration for these scholarships on the basis of (1) high school academic performance; (2) SAT or ACT scores; (3) demonstrated service to school, community, and church; (4) proven leadership ability; and (5) citizenship. Each scholarship is renewable for eight consecutive undergraduate terms provided the recipient maintains the required cumulative grade-point average and participates in University-sponsored extracurricular activities (other than social).

### Application Procedure

This procedure is to be followed in applying for these scholarships:

1. Between September 15 and December 30 of your senior year in high school, request an application from the Office of Admission, University of Dayton, Dayton, Ohio 45469-1611. Complete the application and return it to the Office of Scholarships and Financial Aid before January 15.

2. Arrange to take the Scholastic Aptitude Test (SAT) or the American College Test (ACT) no later than December. Indicate that your scores are to be sent to the University of Dayton. Scores from earlier tests are also acceptable if your high school sends the results.

All forms—the application and the recommendation section—should be completed as early as possible, but must be available to the University of Dayton Scholarship Committee by January 15.

Each scholarship applicant will be notified by March 15 of the decisions of the Scholarship Committee.

## ACADEMIC SCHOLARSHIPS FOR RETURNING STUDENTS

Students in full-time attendance who have completed at least 12 semester hours on campus at the University of Dayton are eligible to apply for Upperclass Scholarships, which have been established to reward upperclass students for outstanding academic achievement and to recognize service to the University. Recipients are selected on the basis of academic accomplishments, leadership, demonstrated service to the University, and the strength of the recommendations of faculty and staff members. Each year approximately 75 students are chosen to receive these scholarships, which are awarded for a period of one academic year and range from \$500 to \$2,000.

### Application Procedure

Upperclass scholarship applications are available in the Office of Scholarships and Financial Aid, Room 202, St. Mary's Hall, from January 15 through March 15 each year.

The application and two recommendations must be received by March 15.

Each scholarship applicant will be notified by June 15 of the result of the upperclass scholarship application.

## OTHER SCHOLARSHIP OPPORTUNITIES

*Athletic Scholarships:* The University of Dayton offers scholarships in some men's and women's intercollegiate sports to students who have demonstrated special athletic and academic promise. Recommendations for scholarship awards are made to the scholarship committee by the coach who has the responsibility for administering the particular sport. Correspondence should be directed to the head coach of the sport in which the applicant is interested.

*ROTC Scholarships:* U.S. Army and Air Force scholarships can be used at The University of Dayton. Students can compete for 4-yr., 3-yr., and 2-yr. awards.

*Music and Art Scholarships:* Music awards are awarded to both music majors and nonmajors who distinguish themselves as outstanding performers. Visual art scholarships are awarded to students who demonstrate outstanding promise in the visual arts and plan to pursue a degree in this field. Scholarships for musical and visual art talents are determined by the faculties of the appropriate academic departments.

*Additional Scholarships Administered by The University of Dayton:* The University is authorized to select students as nominees for scholarships offered by certain corporations, business firms, service groups, and friends of the University.

## APPLYING FOR NEED-BASED FINANCIAL AID

Application forms for grants, tuition reductions, loans, and employment may be obtained from the Office of Scholarships and Financial Aid, University of Dayton, Dayton, Ohio 45469-1621. The following procedure must be completed each academic year. Priority deadline is May 1.

1. File a Free Application for Federal Student Aid (FAFSA). (Forms may be obtained from the high school counselor or from the University of Dayton Office of Scholarships and Financial Aid upon request.) Be sure to designate the University of Dayton as the recipient of the financial analysis.

## GRANTS

*Federal Pell Grants:* The Pell Grant Program makes funds available to eligible undergraduate students attending post-high-school institutions. To apply, you must complete a free application for federal student aid annually (You may get this form from post-secondary educational institutions, high schools, and public libraries.)

*Federal Supplemental Educational Opportunity Grants:* These federally supported, University-administered grants are provided to undergraduate students who have financial need. Eligibility for the grant and the stipend is governed by the rules and

## Financial Information

regulations of the United States Department of Education. The student must also receive assistance from certain other sources, in an amount at least as great as the amount of the grant. The value of this grant ranges from \$200 to \$2,000 per year. The completion of an annual free application for federal student aid assures the applicant of consideration for this type of assistance.

*Ohio Instructional Grants:* are intended to encourage Ohio residents to attend institutions of higher education within the state of Ohio. Residents with annual family incomes less than \$30,000 are eligible to receive this type grant from the state of Ohio for up to ten semesters of undergraduate enrollment at the University of Dayton. They presently range from \$702 to \$4,296 for students at private colleges and universities (such as the University of Dayton). Each recipient of the Ohio Instructional Grant must (1) be a resident of Ohio, (2) be enrolled or accepted for enrollment as an undergraduate student in an Ohio institution of higher education, (3) be making "appropriate progress" toward a bachelor's degree, and (4) meet the financial guidelines established by the Ohio Student Aid Commission. Students enrolled in courses of study leading to degrees in theology, religion, or other fields of preparation for a religious profession are not eligible. An application packet may be obtained from the high school counselor or the Office of Scholarships and Financial Aid at the University of Dayton. To apply, complete the free application for federal student aid annually.

*Ohio Student Choice Grant:* Ohio residents who meet the eligibility requirements are eligible to receive this grant from the State of Ohio for up to ten semesters of full-time, undergraduate enrollment at the University of Dayton. Students must complete the Ohio Residency Form (provided by the University of Dayton) within 30 days after the first semester of enrollment to confirm eligibility; renewal for the remaining semesters is automatic for full-time students. The family financial situation is not a factor in this award.

*Founder's Grants (University):* The University of Dayton offers nonrepayable grants to undergraduate students with demonstrated financial need. The University assumes that the student will accept self-help in the form of loans and school-year employment. The Founder's Grant is intended to cover a portion of the financial need. The free application for federal student aid is required annually for consideration.

*President's Grant:* The University has funds available which are reserved for students in extreme or exceptional financial need. Although recipients are not required to repay these grants, they should, when they achieve sufficient financial status, accept the obligation of reimbursing the University so that other deserving students may stay in school.

*Kettering Grant:* Graduates of Montgomery County (Ohio) high schools in the upper 40% of their graduating class who come to the University of Dayton as full-time entering first-year students and who demonstrate financial need may be eligible for the Kettering Grant.

## LOANS

*Federal Perkins Loans* are available to those applicants who have demonstrated need. The maximum loan for undergraduates is \$3,000 per year of undergraduate work.

and \$15,000 total. The recipient enters the repayment cycle nine months after ceasing to carry at least half the normal full-time academic load. When the recipient enters the repayment cycle, a five percent simple interest charge is included. Recipients who teach economically, emotionally, mentally, or physically handicapped children may receive cancellations of the loan. Other cancellation privileges are available.

*Federal Stafford Loans (formerly Guaranteed Student Loans)* are made available to all students. The maximum loan is \$2,625 per year for the first year, \$3,500 for the second year and \$5,500 per year for the junior and senior years. Repayment begins six months after the recipient ceases to be enrolled at least half-time. During the repayment period a variable interest rate, not to exceed 9%, is charged. Repayment can be spread over a ten-year period.

*Federal Parent Loan for Undergraduate Students (PLUS)* provides a source of financing to all families regardless of the family income. All credit-worthy parents of undergraduate students may borrow up to the cost of education minus financial aid per academic year for each student attending an accredited college. Repayment begins within sixty days after the disbursement of the check. During the repayment period a variable interest rate, not to exceed 10%, is charged. In general, a lender will allow a borrower at least five years, but not more than ten years, to repay a loan. Minimum payments on the loan principle are \$50 per month.

*Emergency Loans* are available to students who encounter unexpected financial problems during the year. No interest is charged on these loans, which are contingent upon sufficient funds.

## TUITION REDUCTIONS

*Employee Reductions:* Unmarried dependent children and the spouses of full-time employees, as well as the employees themselves, are eligible for tuition reductions for undergraduate courses. Employees and spouses of administrative, professional, or faculty employees are also eligible for tuition reductions for graduate courses. Interested students should contact the Office of Human Resources to complete necessary forms or to get further information regarding eligibility.

*Senior Fellows:* Students 60 years of age and over are eligible to apply to University Continuing Education at the University of Dayton for remission of tuition.

## EMPLOYMENT

*The Federal Work-Study Program (federally supported)* provides on-campus work opportunities for full-time and 3/4-time students who demonstrate financial need. Such a student may work up to 20 hours per week during the school term and will receive payroll checks semi-monthly for these services. When possible, a student will be employed by the University in a job related to his or her educational objectives.

*University Employment* opportunities for students who do not qualify for the Federal Work-Study Program are available through the Student Employment Office, Room 218, Powerhouse. Any interested student should complete an Application for

## Financial Information

Employment and schedule an appointment with the Student Employment Coordinator. Interviews should be scheduled as soon as the student knows what his or her class schedule will be for the period of employment.

*Cooperative Education* ("the co-op system") allows students to alternate terms of on-campus study and terms of off-campus work at jobs related to their academic concentrations. Several departments at the University of Dayton participate. See Chapter X, Cooperative Education.

## ADDITIONAL OPPORTUNITIES

### *Veteran Benefits*

- Students who enlisted in the military as Active Duty or as Selected Reserve Status may qualify for the Montgomery G.I. Bill Benefits.
- Students of a parent who is/was a military veteran may qualify for Educational Assistance Benefits.
- Contact nearest Veteran Affairs Regional Office for additional information.

*Vocational Rehabilitation*: State vocational rehabilitation agencies arrange the training of handicapped persons for gainful employment. Requests for information on rehabilitation services should be directed to the State Director, Vocational Rehabilitation Agency, the State Capitol.

*The U.S. Army Reserve Officers Training Corps (ROTC)* program is offered on campus by the Department of Military Science. All students who complete the basic course (first and sophomore years) may enroll in the advanced course (junior and senior years), leading to a reserve commission in the Army at the time of graduation. During the advanced course, the student who has agreed to accept the commission and serve two years' active duty receives \$150 a month subsistence. For further information, see MIL, Chapter VI.

### *Ohio National Guard Program*

- NOT based on financial need
- Available to Ohio residents enlisted in the Ohio National Guard
- Apply by contacting your local National Guard recruiter or call 1-614-889-7032
- Anticipated award \$2,374/yr.

### *Ohio Safety Officers Grant*

- NOT based on financial need
- Available to children of Ohio Peace Officers or Ohio Firefighters killed in the line of duty
- Apply by contacting UD's office of scholarships and financial aid
- Anticipated award \$2,928/yr.

### *Ohio War Orphans*

- NOT based on financial need
- Available to children of deceased/disabled Ohio war veterans
- Apply by contacting your local high school
- Anticipated award \$3,360/yr.
- Deadline July 1

# V Academic Regulations

## GENERAL REQUIREMENTS

All bachelor's degrees granted by the University of Dayton require a minimum of 120 semester hours of credit with a cumulative grade point average of at least 2.0.

Specific requirements for the various degrees are listed under the schools granting the degrees. See Chapters VI-IX.

One year (thirty semester hours) of residence is a minimum requirement for any bachelor's degree.

The semester hour is the unit by which the University measures its course work, and the number of semester hours is determined by the number of hours a week in class and the number of weeks in the session. One semester hour is assigned to a class which meets fifty minutes a week over the period of one term.

Students enrolled in the University as candidates for degrees should not take courses at other colleges or universities without first obtaining written permission from their respective deans. If the permission is granted, the dean will request "transient status" for such students at designated institutions. The University reserves the right not to accept credits for such courses when this procedure has not been followed.

The Bachelor of Science in Education may be awarded to holders of nonprofessional degrees from the University of Dayton with the completion of a minimum of thirty semester hours prescribed by the School of Education beyond the requirements of the nonprofessional degree. The Bachelor of Arts or Bachelor of Science may be awarded to holders of professional degrees from the University of Dayton upon the completion of the requirements for such degrees. Any student wishing to obtain a second bachelor's degree may do so by completing the requirements for the second degree as determined by the faculty of the college or school in which this degree is offered.

Ordinarily a student who earned a first bachelor's degree or an associate degree at another institution must complete six semester hours of philosophy and/or religious studies at the University of Dayton. Such a student may be required to complete the prescribed twelve semester hours of philosophy and/or religious studies, if in the judgment of the dean, equivalent coursework had not been earned as a part of the program leading to the first degree.

All students following four-year programs are required to complete successfully the University requirements in Basic Skills and General Education as explained below.

## BASIC SKILLS REQUIREMENTS

### READING AND WRITING SKILLS

The University requirement in reading and writing skills is satisfied by the completion of ENG 101 and ENG 102. Students whose verbal scores on the SAT or ACT are sufficiently high to warrant placement in ENG 114 upon admission to the University or whose acceptance into the University Honors Program places them in ENG 198 satisfy the University requirement with those one-semester courses.

Students who are placed in ENG 114 or ENG 198 do not receive credit for ENG 101 but are free to take elective course work in place of the waived first semester of composition. Students whose verbal scores on the SAT or ACT do not meet placement criteria for ENG 101 must enroll in a developmental writing course. (See DEV, Chapter X.) Students for whom English is a second language must take a placement test administered by the Department of English. Particulars about the first-year courses and testing procedures can be obtained from the chairperson or the coordinator of composition, Department of English.

## ORAL COMMUNICATION

The University requirement in oral communication skills is satisfied by successful completion of CMM 101. Some entering students may demonstrate sufficient evidence of these skills and qualify to take a special waiver examination for the course. Students desiring information on eligibility for the waiver examination should inquire in the offices of their respective deans.

## MATHEMATICAL SKILLS

All students at the University of Dayton are required to demonstrate a knowledge of basic algebraic manipulations. Many students will satisfy this requirement by taking the more advanced mathematics courses that their school, college, or major programs require. Students whose programs would not otherwise require them to take mathematics courses can satisfy the Basic Skills requirements in mathematics with MTH 102. The requirement can also be satisfied by passing a competency examination of the material covered in the MTH 102 course. Students whose mathematical skills are weak may need some special assistance. The Learning Assistance Center (see Chapter II; see also DEV, Chapter X), can provide help in such instances.

## GENERAL EDUCATION REQUIREMENTS

Within the context of the University's Catholic and Marianist educational philosophy, the General Education requirements are central to the full intellectual, social, moral and spiritual development of every student. The purpose of these requirements is to make students aware of the diversity of intellectual thought and theory represented by the sciences, the humanities, and the social sciences. Further, the General Education component of the undergraduate curriculum offers the student an opportunity to integrate and evaluate information from various disciplines and thus enhance the study of a specific profession, field or major. These requirements, are integral to the University's goal of preparing students for a life of leadership and service, of helping students to grow not only in knowledge, skills, and professional competence, but also as morally responsible decision makers who are aware of the needs of the global community.

## DOMAINS OF KNOWLEDGE

To achieve these goals, the University requires the completion of General Education courses in five domains of knowledge.

*Arts Study:* The experience of generations confirms that life is enriched immeasurably by experiencing the world through the arts. Every student should develop some understanding of the importance of this experience and must take one course in the arts and/or language as a means of aesthetic and/or cultural expression. Performing or production courses do not fulfill this requirement.

*Historical Study:* A person with a knowledge of history can relate ideas and events to one another within a context understood by the community of educated men and women. Therefore, every student at University of Dayton must take two history courses. One of those courses, History 101, History 102 or History 198, will be taken as part of the Humanities Base.

*Philosophy and Religious Studies:* As a Catholic and Marianist institution of learning, the University regards religious studies and philosophy as serving a special function. Students should have an opportunity to deepen their knowledge of the religious and philosophical traditions that shape their shared heritage. Study of these areas, especially when conducted through interdisciplinary courses, can also help students integrate their knowledge of the themes and institutions of societies through the ages. Since every student should be encouraged to go beyond the introductory level in either or both of these areas, every student must take four courses in religious studies and philosophy. Philosophy 103 and Religious Studies 103 are required as part of the Humanities Base.

*Physical and Life Sciences:* The physical and life sciences and technology have affected the quality of life in every age, but never more than in the present. The potential of science and technology for both good and evil will undoubtedly increase in the future. It is essential, therefore, that educated citizens understand the methods of science and its application through technology. For these reasons students must take two courses in the physical and life sciences and technological applications.

*Social Sciences:* Educated members of society need to understand the dynamics through which people relate to each other as individuals, in groups, and as producers and consumers of goods and services. Effective relationships sustain us as members of families, professions, nations, and the global community. Students, therefore, must take at least one course in the social sciences.

## STRUCTURE OF GENERAL EDUCATION REQUIREMENTS

To achieve the goals of raising fundamental questions about human existence, encountering these questions in a meaningful context and encouraging significant integration, students must complete the Humanities Base and a thematic cluster as part of their General Education requirements.

*Humanities Base:* General Education raises a set of questions that challenges students to develop and formulate their own conception of what it means to be human. These questions may be considered in any number of disciplines, but they are essential to the humanities. Consequently, all undergraduates must complete, preferably during their first year, a Humanities Base of one course in each of the following disciplines.

- History: HST 101, History of Western Civilization from Its Classical  
Roots to 1715  
or  
HST 102, History of Western Civilization Since 1715  
or  
HST 198, History Honors Seminar
- Philosophy: PHL 103, Introduction to Philosophy
- Religious  
Studies: REL 103, Introduction to Religion  
(choice of Catholic, comparative religion, or scripture option)
- English: ENG 102, College Composition II  
ENG 114, Freshman Writing Seminar  
ENG 198, Freshman Honors Seminar

*Thematic Clusters:* To facilitate an integrated view of the domains of knowledge and to encourage students to understand the broad world around them, all undergraduates must complete one thematic cluster. A thematic cluster is a series of courses from the domains of knowledge, focusing on an issue central to the human condition. To fulfill the thematic cluster requirement, students must complete a minimum of three approved courses in a single cluster, representing three different domains of knowledge. For the purpose of thematic clusters, philosophy and religious studies are considered separate domains of knowledge. Students will receive specific information about thematic clusters from their faculty advisors. Students must have the approval of their advisors before selecting and registering for a thematic cluster. *The Guide to the University General Education Program* describing all approved clusters and their course offerings is distributed to all students.

*Completing General Education Requirements:* At the maximum, students could enroll in as many as seven thematic cluster courses in the appropriate domains of knowledge. These courses, combined with the Humanities Base, would fulfill all General Education requirements. In most cases, however, students will have to complete some domain of knowledge requirements outside of the courses serving a thematic cluster. With their advisors' approval, students may elect to take any designated General Education course within the appropriate domain to help satisfy requirements. Many of the courses listed as approved courses under a domain of knowledge will also serve the same purpose as a course in a thematic cluster.

Courses that have been approved by the University for General Education credit are listed below according to the parts of the domains of knowledge that they serve to satisfy. These courses are marked by asterisks (\*) where their descriptions appear under Courses of Study in individual departmental sections of this *Bulletin*. See also current issues of the Undergraduate Composite of Courses or *The Guide to the University General Education Program* for additional approved General Education courses.

Each department determines whether its majors are free to choose from among all the approved nonrestricted courses, or are to choose from among a limited number of approved courses, or are required to take only specific approved courses. The University has approved some courses for certain majors exclusively, and those courses are therefore restricted to those majors for General Education credit. For example, English majors may not take HST 370, Economic History of the United States, to satisfy the historical study requirement. Students should consult their advisors to learn which courses are permissible in their own majors.

## ARTS STUDY

All students must complete one arts study course to satisfy General Education requirements. This requirement may be satisfied by arts study courses that are either included in or independent of a thematic cluster. Approved General Education courses that satisfy the arts study domain of knowledge outside a cluster are:

			<i>Restrictions</i>
CMM	355	Rhetoric of Social Movements	
ENG	151	Introduction to Literature	
ENG	198	Freshman Honors Seminar	for honors program students exempted from first-year composition requirement only

VAH	101	Introduction to the Visual Arts
VAH	201	Survey of Art I
VAH	202	Survey of Art II
VAH	203	Survey of Art III

## HISTORICAL STUDY

All students must complete two historical study courses to satisfy General Education requirements. The first historical study course, HST 101, HST 102, or History 198, forms part of the Humanities Base. The second historical study course can be part of a thematic cluster or serve simply to satisfy that domain of knowledge requirement of General Education. The restrictions on certain historical study courses apply both to the majors indicated and to secondary education majors whose teaching fields are in those disciplines. (Education students should see checklists.) Approved General Education courses that satisfy the historical study domain of knowledge outside a cluster are:

### *Restrictions*

## PHILOSOPHY AND RELIGIOUS STUDIES

Having completed Philosophy 103 and Religious Studies 103 as part of the Humanities Base, students are required to take an additional two courses in philosophy and/or religious studies courses to satisfy General Education requirements. (At least one of these must be an upper-level (300-400) course.) Advising guidelines are available from the Department of Philosophy and the Department of Religious Studies. Again, this domain of knowledge may be satisfied by philosophy and/or religious studies courses that are either included in or independent of a thematic cluster. Approved General Education courses that satisfy the philosophy and religious studies domain of knowledge outside a cluster are:

			<i>Restrictions</i>

SCI	240	Biology and Human Health

## SOCIAL SCIENCES

All students must complete one social science course to satisfy General Education requirements. This requirement may be satisfied by social science courses that are either included in or independent of a thematic cluster. Approved General Education courses that satisfy the social science domain of knowledge outside a cluster are:

### *Restrictions*

AMS	300	American Cultures	
ANT	150	Cultural Anthropology	
ANT	300	Evolution of People and Culture	
ASI	298	Honors Social Science Seminar	for honors program only
CMS	414	Global Communication	
CMS	415	Women and Communication

SWK	331	Death, Dying, and Suicide	

## GRADES AND SCHOLARSHIP

Final grades are submitted at the end of the term, and these are made part of a student's permanent record in accord with the option chosen by the student. Copies of these reports are given to the students and deans. A progress report of every first-year student in each of the classes is submitted to the Registrar by every instructor at the middle of each term.

Undergraduate students are permitted a selection from two alternative grading options. The course grading options are as follows:

Option 1—A, B, C, D, F

Option 2—S/NC—Satisfactory (A, B, C)/No Credit (D, F)

Option 3—EM—Examination Credit

In addition to those courses which must be taken under Option 2, a student may take a maximum of fifteen semester hours under Option 2 within the hours required for graduation in the degree program. A student may take any course beyond the minimum hours required for graduation in the degree program under Option 2. All courses that are used to fulfill General Education and Basic Skills requirements must be taken under Option 1. The college/school or department may place further restrictions on the use of Option 2. Exceptions to this policy may be made by the dean (or the dean's designee) of the college/school in which a student is enrolled. NOTE: Studies have shown that Satisfactory/No Credit grades (Option 2) on one's academic record may be a negative factor in the evaluation of application for transfer to some undergraduate schools, for admission to most professional schools (law, medicine, etc.) and many graduate schools, and for employment in some fields.

The official marks with their meanings and quality-point values are as follows:

- A — *Excellent*; for each semester hour, four quality points are allowed.
- B — *Good*; for each semester hour, three quality points are allowed.
- C — *Fair*; for each semester hour, two quality points are allowed.
- D — *Poor but passing*; for each semester hour, one quality point is allowed.
- F — *Failed*. This mark indicates poor scholastic work, or failure to report withdrawal from a course. In such cases, required courses must be repeated or retaken, preferably at the next opportunity.
- S — *Satisfactory*. This mark indicates credit given for a course taken under grading Option 2, C or above. The S credit shall be counted as hours only and shall not be considered in determining a student's cumulative point average.
- NC — *No Credit*. This mark indicates no credit given for a course taken under grading Option 2, below C. In such cases, required courses must be repeated or retaken, preferably at the next opportunity.
- I — *Incomplete*. This grade indicates that the student has obtained the instructor's recommendation, subject to the chairperson's approval, to complete some portion of the work of the term that for reasons beyond the student's control was not completed before the end of the term, provided that the rest of the work has been of satisfactory grade. An I must be removed within thirty days from the date listed on the grade report, or it will be changed to an F or NC (option 2) on the student's permanent record. The time limit may be extended under exceptional circumstances, with the approval of the dean, if application for the extension is made within the thirty-day period noted.

- W— *Withdrawn*. During the first three weeks of a full term (or the first eight class days of a split term) a student may withdraw from a class without record by obtaining a drop (withdrawal) form from the Registration Office, having it signed by the academic advisor, and processing it. Beginning with the fourth week of the term and continuing through the fourth week after mid-term (or the ninth class day of a split term and continuing through the fourth week of the split term), a student may withdraw with a W by the same process, except that the drop form must have the approval signature of the instructor as well as that of the advisor. For the remainder of the term, until the last day of classes, a student may withdraw with a W only by making a formal request to the dean, who consults with the student's instructor before granting such a request. During this period a W will be permitted only for special nonacademic reasons, which include, but are not limited to, poor personal health, financial difficulties, family matters of health, and change in career objectives. When a student finds it necessary to withdraw from the University, for any reason whatsoever, it is important that the dean be notified immediately. Financial adjustments, if allowed, will be made only from the date on the withdrawal form. Total withdrawal from all classes requires the processing of the drop form. This requires one signature from the student's Academic dean. It is the student's responsibility to initiate and process all withdrawals; the faculty do not initiate withdrawals for students except for auditors. (See X below.) In addition, the student is urged to process the withdrawal as soon as possible after deciding to drop a course. Students cannot assume that withdrawals are granted automatically if they stop attending class. Any failure to process the drop (withdrawal) form will incur a grade of F for the course or courses involved. The F's so accumulated are always included in the cumulative point average.
- P — *In Progress*. This symbol is used in lieu of a grade for a course which has not terminated at the end of a term or summer session. A grade with corresponding credit and quality points (see grading Options 1 and 2) will be assigned when the course has been completed.
- N— *No grade was reported by the instructor*.
- K— *Credit*. This mark is used only for credits accepted as transfer credit from other institutions. No quality points are allowed. K credit is not allowed for English courses taken at institutions in countries where the native language is other than English.
- X— *Audit*. This mark indicates that the student has registered to audit the course. No credit hours or quality points are awarded for this mark. Any course taken for audit may not be retaken for credit. If, in the opinion of the instructor, a student has not attended and participated in a sufficient number of classes, the instructor will assign a W.
- R— *Retaken*. An undergraduate student who receives a grade of D or F in a course taken under Option 1 at the University of Dayton may retake that course under Option 1 at the University of Dayton and remove the original D or F from the cumulative GPA. When a course has been retaken and the subsequent grade is higher than or equal to the previous grade, the previous grade will not count towards the student's cumulative GPA henceforth. There will be no retroactive adjustment to GPAs. The transcript will reflect this event with a strikethrough over the entire line containing the original grade. A retaken course is indicated by an R placed immediately after the grade. When

a course in which a D was received has been retaken, and an F is earned, the initial D will be used in the student's cumulative GPA calculation, and the entire line containing the F will receive a strike through. A student may have no more than 15 semester hours of R or strikethrough grades.

If a student retakes a course in which the topics vary, it must be demonstrated that the retaken course contains the same material as the original course in which the student received a D or F. Courses taken by students prior to the initiation of this policy, and before completion of an undergraduate degree, may be retaken within the guidelines of this policy. Exceptions to this policy may be made by the dean (or the dean's designee) of the school or college in which the student is enrolled.

*Addendum to Retake Policy:* When a student retakes a course which he or she has taken more than once previously, the retaken course will serve to replace both previous grades (if it is the same as or higher than each). The number of "retaken hours" will be counted as the total hours for the two courses in which the grades are replaced. E.g., if a student retakes PSY 101 in which he or she had previously earned F two times, the new passing grade will replace both Fs, but will count as 6 credit hours taken instead of 3. This student will then be able to take up to 9 additional course grades.

EM—*Examination.* This mark indicates University of Dayton credit given to a student on the basis either of the Advanced Placement Program of the CEEB or of examinations taken prior to or after admission to the University. The required level of achievement on these examinations is determined by the department in which the course is taught. This credit shall be assigned only on authorization of the registrar. No quality points are allowed. A student must be registered at the University of Dayton to obtain credit. EM credit is limited to 24 semester hours (exclusive of AP and CLEP General Examination credits).

NO GRADE CHANGE OF ANY KIND IS PERMITTED AFTER THIRTY DAYS FROM THE DATE LISTED ON THE GRADE REPORT.

The University reserves the right to change the grading system.

## GRADE-POINT AVERAGES

The SEMESTER GRADE-POINT AVERAGE is the total number of quality points divided by the number of semester credit hours carried by the student under Option 1.

The CUMULATIVE GRADE-POINT AVERAGE is the total number of cumulative quality points divided by the number of cumulative credit hours carried by the student under Option 1. If a course is *repeated*, the grade points for both the original grade and the new grade are computed. If a course is *retaken* (see R) and the subsequent grade is higher than or equal to the previous grade, the previous grade will not count towards the student's CGPA henceforth. Marks of I, K, N, P, S, W, X, NC, and EM are disregarded in the computation of the CGPA.

The CUMULATIVE ACADEMIC UNIT GRADE-POINT AVERAGE includes only those courses completed at the University of Dayton and required for the specific degree obtained and/or approved for inclusion by the students's school or

college. The Cumulative Academic Unit GPA will appear at the end of the transcript or upon graduation.

## ACADEMIC STANDING

The student's academic standing is determined by the cumulative grade-point average at the end of each term.

1. To be in good academic standing, a student must have a cumulative grade-point average of (a) at least 1.7 at the end of the first and second terms, (b) at least 1.8 at the end of the third term, (c) at least 1.9 at the end of the fourth term, and (d) at least 2.0 at the end of the fifth and succeeding terms. For part-time and transfer students, a block of 12 semester hours of credit is considered one term. A cumulative grade-point average of at least 2.0 is required for graduation.

2. A cumulative grade-point average below the one required will place the student on academic probation. The student's academic dean will notify the student of his or her probationary status. A student on probation must follow a restricted academic program not to exceed 15 semester hours.

3. It is the responsibility of any student on academic probation to complete a contract with the dean for the purpose of determining the nature and limitations of the student's future academic and extracurricular activities.

4. Students whose academic performance has seriously impaired their ability to succeed academically at the University of Dayton are subject to dismissal. A student who is subject to academic dismissal can be dismissed only by his or her academic dean, who authorizes the dismissal and notifies the student of his or her status. Students who are subject to dismissal include (a) those who fail to achieve good standing at the end of a term on probation and (b) those who have a term point average of less than 1.0, regardless of cumulative grade-point average.

5. The registrar will post "Academic Dismissal" on the permanent record of any student who is dismissed.

## DEAN'S LIST

At the conclusion of the fall and the spring terms, in both the college and the professional schools, any full-time student who has achieved a superior academic record (a grade-point average of 3.5 or above) for the term just ended is named to the dean's list. Any part-time student with the required grade-point average (3.5 or above) is eligible for the dean's list after completing 12 or more semester hours of credit and will subsequently be named to the dean's list each time an additional increment of 12 or more semester hours of credit is completed. No dean's list is compiled for the summer term.

## HONORS

1. To graduate with honors, a student must have completed a minimum of 60 semester hours at the University of Dayton and have an academic degree program grade-point average at the University of Dayton of 3.50 or higher, based on a 4.00 scale. The academic degree program grade-point average includes all courses taken at the University of Dayton under grading Option 1 and accepted as graduation

credits by the student's academic unit, i.e. school or college. Determination of a student's honors category is made on the basis of the student's academic record at the conclusion of the term preceding the student's last term at the University or on the basis of the student's academic record at the conclusion of his or her last term.

2. If a student qualifies for honors or moves into a higher category of honors on the basis of his or her academic degree program grade-point average, mention will be made at the commencement exercises, notation will be made on the transcript and permanent record, and an appropriate honors key will be awarded.

3. Honors status will be determined by the academic degree program grade-point average and will include only those courses completed at the University of Dayton. Students who transfer to the University of Dayton under the terms of an articulation agreement with a community college will be eligible for honors at graduation even if they have not completed the minimum of 60 semester hours at the University provided that they have met all terms of the articulation agreement.

4. The notation of honors is made in the commencement program, on the diploma, on the student's permanent record, and on the transcript, as follows:

*Cum Laude*—if the academic degree program grade-point average is greater than or equal to 3.50 but less than 3.70;

*Magna Cum Laude*—if the academic degree program grade point average is greater than or equal to 3.70 but less than 3.90;

*Summa Cum Laude*—if the academic degree program grade-point average is greater than or equal to 3.90.

5. Any exceptions to this procedure are the decision of the dean of the student's academic unit.

## COMMENCEMENT

Commencement at the University of Dayton is formal recognition of students who are graduating from the University. Consequently, University policy limits participation in commencement to students who have completed all the requirements for their degree. Exceptions to this policy are granted only under the most extraordinary circumstances. Receiving an incomplete or failure in a course necessary for graduation or personal conflicts with scheduled commencements are, for example, not considered extraordinary circumstances.

Students wishing to appeal this policy can do so by submitting a written request to the Associate Provost for Faculty and Academic Affairs. The final decision concerning any appeal is made by the Graduation Appeals Committee consisting of the Associate Provost, a faculty representative, and an undergraduate student selected by the Student Government Association. All appeals must be submitted at least two weeks before the graduation ceremony in question.

## CLASS ATTENDANCE POLICY

It is desirable for students to attend all classes. Listening to the lectures of instructors and being involved in classroom discussions should (1) provide guidelines and goals in the course of study, thus lending direction to the study activities of the student; (2) provide instances of the way of thinking and methodology employed by an academic discipline in formulating and solving problems; and (3) stimulate an awareness of and interest in the course topics beyond the level

acquired by textbook reading. Because textbook material is generally beneath the level of the current state of knowledge, instructors acquaint the student with new ideas and integrate this material into the course topics.

Students are responsible for being aware of the proceedings and material covered in each class period. Students must attend all announced tests and submit assigned written work on the date set by the instructor; it is recommended that the instructor announce such tests and assignments at least a week in advance. The action taken as a consequence of missing a test or an assignment will be determined by the instructor and will be based on a consideration of the individual circumstances involved.

To assist first-year students in their transition to college responsibilities, it is felt that a policy of compulsory attendance is necessary. Therefore, first-year students will be permitted only a limited number of absences. For first-year students, the allowable number of absences in the first term or in the second term will be equal to twice the meeting times a week (or four class days in any third-term session). A student exceeding this number will be referred to the student's dean for possible counseling and appropriate action. Any undergraduate student who has not accrued 30 semester hours of credit is considered a first-year student.

In addition to the first-year-student policy, faculty may institute an attendance requirement. This may be done for any course (including seminars, laboratories, performance courses, clinical field-based courses, and the like) provided that the policy is approved by a faculty committee of the department and/or the department chair. If attendance is used as a grading component, the instructor is obligated to clarify his or her classroom policy regarding absences in writing in the syllabus provided during the first full week of the semester. Let it be noted that to insure accuracy of records, every student must be present at class during the first week of each term.

## STUDENT RECORDS

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a federal law which states that an educational institution must establish a written institutional policy concerning the confidentiality of student education records and that students must be notified of this statement of policy and their rights under the legislation. In accordance with the Act, students and parents of dependent students at the University of Dayton have the following rights:

1. The right to inspect and review educational records covered by the Act or personally identifiable information contained therein
2. The right to challenge the contents of these records
3. The right to a formal hearing, if necessary, for a fair consideration of such a challenge
4. The right to place an explanatory note in the record in the event that a challenge of contents is unsuccessful
5. The right to control, with certain exceptions, the disclosure of the contents of the records
6. The right to be informed of the existence and availability of the institutional policy covering FERPA rights
7. The right to report violations of FERPA legislation to the Department of Education.

A complete policy statement on student records in accordance with the requirements of FERPA can be found in the student handbook, published by the Office of Student Development. Copies of the policy also are available at the following University offices: Vice President for Student Development and Dean of Students, Provost, and Registrar.

## TRANSCRIPTS

A transcript of the permanent academic record is a confidential document to be released in compliance with the regulations of the Family Educational Rights and Privacy Act of 1974 as amended. The Registrar will issue transcripts upon a request signed by the student. All transcripts so requested require payment in advance. See "Other Charges" in Chapter IV, Financial Information. One complimentary copy will be mailed to each graduate approximately six weeks after graduation.

## AWARDS

Special awards for exceptional scholastic achievement are given annually through the generosity of donors. To be eligible for any of these awards, a student must have a cumulative point average of at least 3.0. The awards:

*Accounting*—The Award of Excellence to the Outstanding Senior in Accounting—donated by Jerome E. Westendorf, '43, and Warren A. Kappeler, '41.

*Accounting*—The Award of Merit in Recognition of Outstanding Achievement—donated by the Ohio Society of Certified Public Accountants, Dayton Chapter.

*Accounting*—The Accounting Career Award to a Student Exhibiting Great Potential in the Accounting Profession—donated by the Institute of Management Accountants, Dayton Chapter.

*Accounting*—The Clark-Eley-Fioriti Award for Outstanding Service to the Department of Accounting—donated by the Alumni and Faculty of the Department of Accounting.

*Anthropology*—The Margaret Mary Emonds Huth Memorial Award of Excellence to the Outstanding Senior in Anthropology—donated by Dr. Edward A. Huth.

*Arts and Sciences*—The Dean Leonard A. Mann, S.M., Award of Excellence to the Outstanding Senior in the College of Arts and Sciences—donated by Joseph Zusman, '65.

*Athletics*—The Reverend Charles L. Collins, S.M., Award of Excellence to an Athlete for Outstanding Citizenship—donated by Joseph Zusman, '65.

*Athletics*—The Charles R. Kendall, '29, Memorial Award of Excellence for Achievement in Academic and Athletic Effort—donated by Mrs. Charles R. Kendall and friends.

*Athletics*—The John L. Macbeth Memorial Award to the Outstanding Scholar-Athlete in Football and Basketball. The recipient must have completed five or more terms and won a varsity letter.

*Biology*—The John E. Dlugos, Jr., Memorial Award of Excellence to the Outstanding Senior Majoring in Biology—donated by Mr. and Mrs. John E. Dlugos.

*Biology*—The Brother Russell A. Joly, S.M., Award of Excellence to the Student Who Best Combines Excellence in Biology and Genuine Appreciation of Nature.

*Business Administration*—The Miriam Rosenthal Award of Excellence to a Graduating Senior in the School of Business Administration—donated by Dean William J. Hoben.

## Academic Regulations

*Business Administration*—The Mark T. Schneider Award to a Senior in the School of Business Administration Who has Combined Academic Excellence with Service to the University and the Community—donated by family and friends in his memory.

*Business Education*—The National Business Education Association Award of Merit in Recognition of Outstanding Achievement.

*Campus Ministry*—The Marianist Award for Voluntary Service to a Graduating Senior Who has Earned Distinction Through Voluntary Service to the Community—donated by the Marianists of the University of Dayton.

*Campus Ministry*—The Brother Wottle Campus Ministry Award: "An award of appreciation for service to Campus Ministry."

*Chemical and Materials Engineering*—The Victor Emanuel, '15, Award of Excellence to the Outstanding Senior in Chemical Engineering—sponsored by the University of Dayton Alumni Association since 1962.

*Chemical and Materials Engineering*—The Edmund J. Rolinski Memorial Award of Excellence in Leadership and Service.

*Chemical and Materials Engineering*—The Robert G. Schenck Memorial Award of Excellence to the Outstanding Junior in Chemical Engineering—donated by Stanley L. Lopata.

*Chemistry*—American Chemical Society Award.

*Chemistry*—American Institute of Chemists' Award.

*Chemistry*—The Brother George J. Geisler, S.M., Award of Excellence to the Outstanding Student in Chemistry—donated by Joseph Poelking, '32.

*Chemistry*—The Arlo D. Harris Assistance Fund for Chemistry to a Deserving First-Year Student Majoring in Chemistry.

*Chemistry*—The Bernard J. Katchman Memorial Scholarship to an Entering First-Year Student Majoring in Chemistry.

*Chemistry*—The Brother John J. Lucier, S.M., Award of Excellence to the Outstanding Junior Majoring in Chemistry—donated by a friend.

*Chemistry*—The Sherwin-Williams Chemistry Scholarship to an Outstanding Sophomore and Junior Majoring in Chemistry.

*Chemistry*—The Philip Zaidain Memorial Award to a Deserving Sophomore Majoring in Chemistry.

*Civil and Environmental Engineering and Engineering Mechanics*—The George A. Barrett, '28, Award of Excellence to the Outstanding Junior in Civil Engineering—donated by family and friends in his memory.

*Civil and Environmental Engineering and Engineering Mechanics*—The Harry F. Finke, '02, Award of Excellence to the Outstanding Senior in Civil Engineering—sponsored by the University of Dayton Alumni Association since 1962.

*Communication—Broadcasting*—The Omar Williams Award of Excellence to an Outstanding Student in Broadcasting—donated by the University of Dayton.

*Communication—Communication Management*—The Ellen M. Murphy Award of Excellence to the Outstanding Senior in Communication Management.

*Communication—Debating*—The Mary Elizabeth Jones Memorial Award of Excellence to an Outstanding Debator—donated by Dr. D. G. Reilly.

*Communication—Journalism*—The Ritter Collett Award of Excellence to the Outstanding Senior in Journalism. This is awarded annually to the student who best demonstrates in his/her person and writings the qualities of Mr. Collett that the University hopes will serve as an inspiration to the Journalism students.

*Communication—Journalism*—The Brother George F. Kohles, S.M., Award of Excellence in Journalism—donated by a friend.

*Communication—Mass Media Arts*—The Si Burick Award of Excellence for Outstanding Academic and Co-curricular Achievement in Mass Media Arts—donated by the University of Dayton.

*Communication—Public Relations*—The PRSA Maureen M. Pater Award of Distinction to the Outstanding Senior in Public Relations—donated by the Dayton-Miami Valley Chapter of the Public Relations Society of America.

*Communication—Speech Arts*—The Reverend Vincent Vasey, S.M., Award of Excellence to the Outstanding Senior in Speech Arts—donated by the Reverend Vincent Vasey, S.M.

*Communication*—The Bette Rogge Morse Award to the Outstanding Senior Woman in Communication.

*Communication*—The Faculty Award for Academic Excellence to the Senior with the Highest Cumulative and Major Grade Point Averages—donated by the Faculty of the Department of Communication.

*Computer Science*—The Addison-Wesley Senior Book Award for Excellence in Computer Science; Computer Information Systems—donated by the Addison-Wesley Publishing Company.

*Computer Science*—Alumni Award of Excellence in the Senior Class.

*Computer Science*—Computer Science Award for Outstanding Service to the Department.

*Computer Science*—GKM Systems Award for Innovative Programming.

*Continuing Education*—The Nora Duffy Award to a Reentry Student who Has Overcome Significant Obstacles in Order to Complete a College Degree.

*Cooperative Education*—Award of Excellence to the Outstanding Cooperative Education Student in Business Administration—sponsored by the Mead Corporation Foundation.

*Cooperative Education*—Award of Excellence to the Outstanding Cooperative Education Student in Computer Science-Computer Information Systems—sponsored by the Marathon Oil Foundation.

*Cooperative Education*—Award of Excellence to the Outstanding Cooperative Education Student in Engineering—sponsored by the Dayton Power and Light Company.

*Cooperative Education*—Award of Excellence to the Outstanding Cooperative Education Student in Engineering Technology—sponsored by Earl C. Iselin, Jr., in honor of his father.

*Criminal Justice*—The Sheriff Beno Keiter Memorial Scholarship Award to the Outstanding Criminal Justice Junior or Senior—donated by friends of Beno Keiter.

*Economics*—The Dr. E. B. O'Leary Award of Excellence to the Outstanding Senior Majoring in Economics—donated by Bank One.

*Electrical Engineering*—The Thomas R. Armstrong, '38, Award of Excellence for Outstanding Electrical Engineering Achievement in memory of Brother Ulrich Rappel, S.M., and W. Frank Armstrong—donated by Thomas R. Armstrong, '38.

*Electrical Engineering*—The Anthony Horvath, '22, and Elmer Steger, '22, Award of Excellence to the Outstanding Senior in Electrical Engineering—donated by Anthony Horvath, '22, and Elmer Steger, '22.

## Academic Regulations

*Electrical Engineering*—The Brother Louis H. Rose, S.M., '33, Award of Excellence to the Outstanding Junior in Electrical Engineering.

*Electrical Engineering*—The Mary C. Millette Endowment Award for the Outstanding Senior Electrical Engineering student in memory of Mary C. Millette.

*Electronic Engineering Technology*—The Richard R. Hazen Award of Excellence for the Outstanding Graduate of the Electronic Engineering Technology Program—donated by the alumni and friends of the Department.

*Elementary Education*—The George A. Pflaum, '25, Award of Excellence to the Outstanding Student in Elementary School Teacher Education—donated by George A. Pflaum, Jr.

*Engineering/Humanities*—The James L. Heft, S.M., Award of Excellence to the Graduating Senior who Demonstrates a High Degree of Integration of these Different Fields of Knowledge: Humanities and Engineering—donated by Dr. Rocco M. Donatelli.

*Engineering Technology*—The L. Duke Golden Award of Excellence to the Outstanding Senior in Engineering Technology—donated by the Gamma Beta Chapter of Tau Alpha Pi Honor Society.

*English*—The Father Adrian J. McCarthy, S.M., Award of Excellence to a Graduate Assistant for Achievement in Teaching First-year English—donated by a friend.

*English*—The Brother Thomas P. Price, S.M., Award of Excellence to the Outstanding Senior in English—donated by the U.D. Mothers' Club.

*English*—The Patricia B. Labadie Award for Excellence in Composition.

*English*—The Alex G. Tuss Service Award to the Graduating Senior with an Outstanding Record of Service to the Department and the University—donated by the Tuss Family.

*English Education*—The Dr. Harry E. Hand Memorial Award of Excellence—donated by the faculty of the Department of English and of the School of Education.

*Environmental Biology*—The Environmental Biology Award of Excellence to the Outstanding Environmental Biology Major who Excels in All Areas of Academic Scholarship and Overall Service.

*Environmental Biology*—The Environmental Biology Internship Achievement Award of Excellence to the Environmental Biology Major who Has Demonstrated Significant Achievement while Pursuing Practical Experience through the Internship Program.

*Environmental Engineering Technology*—The David I. Gross Award of Excellence to the Outstanding Graduate in Environmental Engineering Technology.

*Finance*—Award of Excellence to the Outstanding Senior Majoring in Finance.

*Finance*—The Douglas R. Scott "Best Efforts Award" to the Finance Major Deemed to Have Worked the Hardest Both In and Out of the Classroom—donated by Douglas R. Scott.

*General Excellence*—The Mary M. Shay Award of Excellence in Both Academic and Extracurricular Activities (seniors only)—donated by the Poelking Family.

*Geology*—The George H. Springer Scholarship to the Outstanding Senior in the Geology Department—donated by alumni of the Department.

*Health and Sport Science* — The Thomas J. Frericks Award of Excellence to the Outstanding Senior in Sport Management—donated by the faculty of the School of Education.

*Health and Sport Science*—The James M. Landis Memorial Award of Excellence for the Outstanding Health and Sport Science Senior in Science Core Courses.

*Health and Sport Science*—The James B. LaVanche Award of Excellence to the Outstanding Scholar-Athlete Graduating in the Department of Health and Sport Science—donated by the faculty and alumni of the department.

*Health and Sport Science*—The John L. Macbeth Memorial Award of Excellence to the Outstanding Student in Health and Sport Science—donated by Mrs. John L. Macbeth.

*History*—The Caroline Beauregard Award of Excellence to an Outstanding Junior Majoring in History—donated by family and friends in her memory.

*History*—The Dr. Samuel E. Flook Award of Excellence to the Outstanding Senior Majoring in History—donated by Dr. Samuel E. Flook.

*History*—The Betty Ann Perkins Award for Excellence in Women's and Family History—donated by her family.

*History*—The Steiner-Beauregard Phi Alpha Theta Service Award—for Significant Service Promoting the Activities of the Delta Eta Chapter (Delta Eta Chapter members only)—donated by Dr. Rocco M. Donatelli.

*History*—The Dr. George Ruppel, S.M., Award of Excellence in Historical Research.

*Human Ecology*—The Elizabeth L. Schroeder Award of Excellence to an Outstanding Senior in the Human Ecology Program for Academic and Professional Performance.

*Humanities*—The Rocco M. Donatelli Award to the Humanities Senior with the Strongest Quantitative and Qualitative Record in Elective Science Courses.

*Industrial Engineering Technology*—The James L. McGraw Award to the Outstanding Graduate of the Industrial Engineering Technology Program—donated by the Dayton Chapter of the Institute of Industrial Engineers.

*Industrial Engineering Technology*—The Raymond B. Puckett Award to the Outstanding Junior in Industrial Engineering Technology—donated by the Dayton Chapter of the Institute of Industrial Engineers.

*Languages*—The Brother John R. Perz, S.M., Award of Excellence to the Outstanding Senior in Modern Languages.

*Languages—French*—Brother George J. McKenzie, S.M., Award of Excellence to the Outstanding Senior in French—donated by a friend.

*Languages—Spanish*—The Dr. James M. Ferrigno Award of Excellence to the Outstanding Senior in Spanish—donated by Enrique Romaguera and Mary A. Ferrigno.

*Library*—The Brother Frank Ruhlman, S.M., Award of Excellence for Literary Achievement.
